Equals Before God:

Equal to Angels Darren L. Johnson, 2013-04 God's universe is filled with hundreds of billions of celestial bodies composed of stars and planets Yet no reasoning life other than man has been discovered Through his written word God has used suffering to perfect man's nature This perfection of man will be necessary to rule in God's Kingdom When the next age comes believers will become equal to angels in power and might and will judge the world and the saints This task will also include the ability to create life and thus fill the cosmos This incredible gift will be given to those who love the Lord through willful obedience to His word Are we equal to the task Are we Equal to Angels God's Superstars **God's Dealings Equal to All** Thomas Le Mesurier, 1817 The Majesty of God's Law: Its Coming to America, The Majesty of God's Law is a study of the history and development of the only system of law which was revealed by God himself That is why it is called God's Law The Psalmist described the supreme excellence of God's law when he said The law of the Lord is perfect converting the soul the testimony of the Lord is sure making wise the simple The statutes of the Lord are right rejoicing the heart the commandment of the Lord is pure enlightening the eyes Psalms 19 7 8 The entire code of God's law is carefully enunciated in the five chapters of this book Under this judicial system there are only about a hundred statutes required to govern a community state a nation and the world But this is only possible when these laws are in the hands of the wise and virtuous judges In order to make the system work the people must be taught the law and then they must enter into a solemn covenant to honor and sustain the precepts When Moses gave this law to the ancient Israelites he said it could make them most peaceful prosperous and powerful people in the World However it was revealed to Moses that the people of the age would violate its precepts He then learned that it would not be until the latter days that this law would be lived the way it was originally designed The American Founding Fathers picked up on that promise because it appeared to them that it would be in this choice land where this great promise would one day be fulfilled Nevertheless they recognized that the Constitution was the indispensable foundation for such an inspired system of prosperity justice and peace When they saw the Constitution would gradually unravel they knew that this character of liberty would have to be restored in all its pristine power by some future generation And they knew this would have to occur before God's law could be inaugurated Someday God's law is coming to America It could come rapidly after a period of cleansing and reform even in our day And since Moses said it would eventually transpire there needs to be a generation of Americans trained and motivated to put it into effect Dr Skousen has prepared this present study in hopes that it might be of assistance **God's Equal** Sigurd Grindheim, 2011-08-18 In this book Sigurd Grindheim argues that Jesus implicitly claimed to be God's equal and that his claim to be God's son must be understood in this light The argument unfolds through analysis of the gospel accounts regarding Jesus' claims to inaugurate the Kingdom of God his understanding of his miracles his forgiveness of sins his expectation to be the ultimate judge of all the world his claim to speak with an authority that matches that of the Mosaic law the absolute demands he made to his

disciples and his appropriation for himself of metaphors that in the Scriptures of Israel were exclusively used of YHWH Furthermore Grindheim traces these claims back to the Historical Jesus Through a comprehensive examination of the primary sources Grindheim argues that Jesus claims go beyond the claims made on behalf of human and even angelic beings within Second Temple Judaism Jesus presents himself in a role that in a Jewish context was reserved for YHWH *The Sword of the Spirit, Piercing Even to the Dividing Asunder of Soul and Spirit, Being a Scriptural Testimony of the Pre-existence of Jesus Christ. ... By a Minister of Christ's Gospel (F. Silver). Few MS. Notes* Frederick SILVER (a Minister of Christ's Gospel.),1835

The Dismissing of America's Covenant with God Miles Huntley Hodges,2020-04-30 This volume looks at how as America went through the 1960s its achievement of superpower status invited both deep Progressive political changes at home Johnson's Great Society and aggressive Democratic involvement abroad Vietnam in both instances resulting in social catastrophe The narrative continues describing the battle to hold America's traditional Christian political moral foundations based on the American family and local community against the urge of Congressional Progressivists a Liberal media idealistic academics a Boomer generation and federal judges to rewrite those same standards along more Secular lines It covers Nixon's diplomatic successes abroad yet his humiliation at home Watergate the resultant collapse of all social order in Indochina with the retreat of America from the region Carter's discovery that diplomatic niceness is not a good substitute for real power the restoration of American national pride during the Reagan Bush Sr and Clinton years thanks to strong but carefully measured policies the disaster that hit when Bush Jr decided to democratize Afghanistan and Iraq the deep Change that Obama attempted to bring to a centuries old traditional America and finally the arrival of Trump deeply contested by political adversaries It looks at the moral spiritual character rather universally Christian of America's national leadership since 1960 and how that had its own impact on the country even during this distinctly post Christian period The narrative concludes with a review of the various political moral lessons we should draw from America's own national narrative particularly the necessity of getting back into an all important Covenant relationship with God

God and the Secular Legal System Rafael Domingo,2016-09-29 This is a timely contribution to the debate on the rights and liberties of religion beliefs and conscience in an age of secularization

Nicene and Post-Nicene Fathers Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VII of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover Saint Augustines commentaries on the writings of John and his first writings as a newly converted Christian In the Soliloquies Augustine reasons through his conversion trying to justify his new faith these are intensely personal journeys toward truth the product of a thoughtful soul seeking comfort

and reassurance Spiritual seekers wavering in their faith may find both sections of this book helpful in exploring their beliefs

Peirce,1733 *The Homilies On John* St. Augustine of Hippo, St Augustine was an indefatigable preacher He considered regular preaching an indispensable part of the duty of a bishop To his homilies we owe most of his exegetical labors The homilies were delivered extempore taken down by scribes and slightly revised by Augustin They retain their colloquial form devotional tone frequent repetitions and want of literary finish He would rather be deficient in rhetoric than not be understood by the people He was cheered by the eager attention and acclamations of his hearers but never fully satisfied with his performance My preaching he says almost always displeases me I eagerly long for something better of which I often have an inward enjoyment in my thoughts before I can put them into audible words Then when I find that my power of expression is not equal to my inner apprehension I am grieved at the inability of my tongue to answer to my heart De Catech Rudibus ch II 3 in this Series Vol III 284 His chief merit as an interpreter is his profound theological insight which makes his exegetical works permanently useful This volume contains The Homilies or Tractates on the GOSPEL OF JOHN In Joannis Evangelium Tractatus CXXIV Augustin delivered them to his flock at Hippo about A D 416 or later **The Structure of Paul's Letters** Robert Arthur Bailey,2008-07 **Notes, Explanatory and Practical, on the First Epistle of Paul to the Corinthians** Albert Barnes,1864 **All Things Equal** Kimberly L.
