Equator A Journey:

Following the Equator; A Journey Around the World Mark Twain, 2023-09-14 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision Equator Thurston Clarke, 2014-09-09 Widely considered a jewel of contemporary travel literature Equator is Thurston Clarke's magnificent witty account of his solo journey along the earth's torrid midsection a grueling twenty five thousand mile odyssey that spanned three years and as many continents His was a perilous trek across an almost surreal landscape where a first class hotel appeared smack in the middle of a leper colony and a one time Pacific island paradise stood as a hideous bomb blasted testament to nuclear folly Along the way Clarke encountered the world's heaviest rat the earth's highest volcano and the king of a Micronesian island wearing flip flops and a novelty T shirt Throughout Clarke's unflagging sense of humor and wonder make Equator a classic of its kind *Following the Equator* Mark Twain,

Following the Equator Mark Twain, 2015-02-06 *Following the Equator* is a non fiction travelogue published by American author Mark Twain in 1897 Following the Equator Mark Twain, 1899 **Following the Equator** Mark Twain, 1904 **Equator** Thurston Clarke, 1989 **Following the Equator** Mark Twain, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Following The Equator A Journey Around The World illustrated reprint Mark Twain The American Publishing Company 1898 Literary Criticism American General Australia Equator Equator Description and travel India Literary Criticism American General Travel Essays Twain Mark Travel Voyages around the world **Following the Equator** Mark Twain, 2008-05-01 How I did loath that journey around the world except the sea part India Mark Twain letter to W D Howells 4 2 1899 Following The Equator is an account of Mark Twain's round the world lecture tour of 1895 96 The book opens in Paris from which Twain sets out on his journey In New York his wife Olivia and daughter Clara decide to continue on the tour with Twain The family sets out from New York accompanied by Major Pond the tour manager for the North American leg Following a stop in British Columbia the travelers set sail on the Pacific Ocean After avoiding Hawaii due to a cholera epidemic the ship lands at Suva part of the Fiji Islands After a short stay Twain moves on to Australia with his first stop in Sydney Here he spends considerable space telling about Australian history society and people A stop in Wagga Wagga brings up the story of the Tichborne Claimant In Melbourne Twain relates the story of how Olivia once received a letter in which is

discussed Twain's death on a lecture tour in Australia. The author makes numerous stops in mining regions of Australia including Stawell, Ballarat and Bendigo. In the latter stop Twain encounters Mr. Blank, the sole member of the Mark Twain Club of Corrigan Castle, Ireland. He is also the man who wrote the letter to Olivia about Twain's death. The travelers' next stop is briefly at Hobart, the capital of Tasmania, and then move on to several towns in New Zealand. In Nelson, the group learns of the Maungatapu Murders, the sole event of historical importance to occur in the town. After a quick stop in Auckland, the capital, Twain visits Wanganui where the Maori people and culture are discussed. The party returns to Australia to spend Christmas in Melbourne and New Year's at Adelaide before setting sail for Ceylon, India. The first stop in India is Bombay, which Twain finds to be a fabulous city of great contradictions: great wealth and extreme poverty, ornate palaces and ramshackle hovels. Twain gives a lengthy description of his interesting experiences while taking in Bombay, including a religious ceremony, the wedding of a 12-year-old girl, and a murder trial. The party takes the train to Baroda where Twain rides an elephant. A longer train ride to Allahabad, the City of God, follows where a religious ceremony is being held. Next stop is Benares, an important religious center where they take a cruise on the Ganges. The journey through India continues with stops in Calcutta, Darjeeling, and numerous other cities. At this point Twain relates the history of the Great Mutiny of 1857 in which the Indian people revolted against the British. Upon leaving India, the party heads for Durban, South Africa, after a brief stop at Mauritius and Mozambique. Brief stops at Johannesburg, Cape Town, and other towns round out the relatively brief South Africa portion of the book. The lecture tour here ends, and the travellers head back to Southampton, England. The personalities of the ship's crew and passengers, the poetry of Australian place names, and the success of women's suffrage in New Zealand, among other topics, are the focus of his wry humor and redoubtable powers of observation. Following the Equator is an evocative and highly unique American portrait of nineteenth-century travel and customs.
