Equatorial Guinea Colonialism State Terror And The Search For Stability:

Equatorial Guinea Ibrahim K Sundiata, 2019-04-11 The troubled history of Equatorial Guinea reflects the history of other developing nations The author traces the state's troubled path from colonialism to independence emphasizing the obstacles that separate Equatorial Guinea from complete self sufficiency

The Genocide Convention John Quigley, 2016-03-09 The Genocide Convention explores the question of whether the law and genocide law in particular can prevent mass atrocities The volume explains how genocide came to be accepted as a legal norm and analyzes the intent required for this categorization The work also discusses individual suits against states for genocide and finally explores the utility of genocide as a legal concept

The Poetics and Politics of Diaspora Jerome C. Branche, 2014-08-21 This book studies the creative discourse of the modern African diaspora by analyzing poems novels essays hip hop and dub poetry in the Caribbean England Spain and Colombia and capturing diasporan movement through mutually intersecting axes of dislocation and relocation and efforts at political group affirmation and settlement or location Branche's study connects London's multimillion dollar riots of 2011 and its antecedents associated with the West Indian settler community to the discontent and harrowing conditions facing black immigrants to contemporary Spain as gateway to Fortress Europe It links the brutal massacres that target Colombia's dispossessed and displaced poor and mainly black throwaway citizens victims of the drug trade and neoliberal expansionism to older Caribbean stories that tell of the original spurts of capitalist greed and the colonial cauldron it created at the center of which lay the slave trade In revisiting the question of what really has awaited Afro descendants at the end of the Middle Passage this volume brings transatlantic slavery the making of weak postcolonial states that bleed people and the needle's eye of racial identification together through a close reading of rappers black radicals dub poetry and novelists from Europe Africa and the Americas Branche at once demonstrates the existence of an archive of Afro modern diasporan discursive production and just as importantly points toward a historically rooted theoretical framework that would contain its liberatory trajectory
