Era 1947 1957 When The Yankees The Giants And The Dodgers Ruled The World

Gary Scott Smith

Era 1947 1957 When The Yankees The Giants And The Dodgers Ruled The World:

The Era, 2002-03-01 Celebrated sports writer Roger Kahn casts his gaze on the golden age of baseball an unforgettable time when the game thrived as America's unrivaled national sport The Era begins in 1947 with Jackie Robinson changing major league baseball forever by taking the field for the Dodgers Dazzling momentous events characterize the decade that followed Robinson's amazing accomplishments the explosion on the national scene of such soon to be legends as Mickey Mantle Willie Mays Bobby Thomson Duke Snider and Yogi Berra Casey Stengel's crafty managing the emergence of televised games and the stunning success of the Yankees as they play in nine out of eleven World Series The Era concludes with the relocation of the Dodgers from Brooklyn to Los Angeles a move that shook the sport to its very roots *The Era, 1947-1957* Roger Kahn, 2014 **Focus On: 100 Most Popular American League All-Stars** Wikipedia contributors, [The Phillies Reader](#) Richard Orodnenker, 2005 The dramatic history of this legendary team **Mover and Shaker** Andy McCue, 2014-05-01 One of the most influential and controversial team owners in professional sports history Walter O Malley 1903-79 is best remembered and still reviled by many for moving the Dodgers from Brooklyn to Los Angeles Yet much of the O Malley story leading up to the Dodgers move is unknown or created from myth and there is substantially more to the man When he entered the public eye the self constructed family background and early life he presented was gilded Later his personal story was distorted by some New York sportswriters who hated him for moving the Dodgers In *Mover and Shaker* Andy McCue presents for the first time an objective complete and nuanced account of O Malley's life He also departs from the overly sentimentalized accounts of O Malley as either villain or angel and reveals him first and foremost as a rational hardheaded businessman who was a major force in baseball for three decades and whose management and marketing practices radically changed the shape of the game *Rivals!* Richard O. Davies, 2010-01-28 *Rivals The Ten Greatest American Sports Rivalries of the 20th Century* presents the most memorable rivalries in over a hundred years of American sports history Examines ten of the greatest American sports rivalries of the past century relating them to their broader historical context Includes the rivalries between the Boston Red Sox and the New York Yankees Duke and North Carolina Joe Frazier and Muhammad Ali Jack Nicklaus and Arnold Palmer Chris Evert and Martina Navratilova and more Draws upon the most recent works of sport historians as well as hundreds of books articles and newspaper accounts Reveals a deep understanding of American sports history and American popular culture Features 30 images that bring the rivalries vividly to life [The 1950s](#) James S. Olson, Mariah Gumpert, 2018-10-01 This volume serves as an invaluable guide to key political social and cultural concepts of the 1950s This volume covers the entire decade of the 1950s from the uneasy peace following World War II to the beginnings of cultural discontent that would explode in the 1960s It highlights key historical social and cultural elements of the period including the Cold War and perceived communist threat the birth of the middle class and establishment of consumer culture the emergence of the civil rights movement and the normalization of youth rebellion and

rock and roll An introduction presents the historical themes of the period and an alphabetical encyclopedic entries relating to period specific themes comprises the core reference material in the book The book also contains a range of primary documents with introductions and a sample Documents Based Essay Question Other features are a list of Top Tips for answering Documents Based Essay Questions a thematically tagged chronology and a list of specific learning objectives readers can use to gauge their working knowledge and understanding of the period

Why I Hate the Yankees Kevin O'Connell, Josh Pahigian, 2005-11-01 Why I Hate the Yankees offers a humorous take on the most beloved and at the same time most reviled franchise in American professional sports The book attempts to answer the question Do we hate the Yankees merely because they always win or is there more to it than just that The authors deconstruct the origins of the so called Yankee mystique offer countless examples of Yankee arrogance and critique the Yankees easy way out business model whereby they merely outspend other teams for talent The authors leave no one exempt from blame parodying the Yankees fans players and overbearing owner and questioning the motives of the national media and Major League Baseball The tongue in cheek narrative is interspersed with revealing quotes from Yankee players fans media members and other writers A must read for any hater or lover of the Yankees

Strength for the Fight Gary Scott Smith, 2022-09-13 How faith sustained Jackie Robinson both as an athlete and as an activist The integration of Major League Baseball in 1947 was a triumph But it was also a fight As the first Black major leaguer since the 1880s Jackie Robinson knew he was not going to be welcomed into America s pastime with open arms Anticipating hostility he promised Brooklyn Dodgers general manager Branch Rickey that he would turn the other cheek during his first years in the league despite his fiercely competitive disposition Robinson later said that his faith in God had sustained him giving him the strength he needed to play the game he loved at the highest level without retaliating against the abuse inflicted upon him by opposing players and fans Faith was a key component of Robinson s life but not in the way we see it with many prominent Christian athletes today Whereas the Tim Tebows and Clayton Kershaws of the sports world emphasize personal spirituality Robinson found inspiration in the Bible s teachings on human dignity and social justice He grew up a devout Methodist a heritage he shared with Branch Rickey and identified with the theological convictions and social concerns of many of his fellow mainline Protestants especially those of the Black church While he humbly stated that he could not claim to be a deeply religious man he spoke frequently in African American congregations and described a special affinity he and other Black Christians felt for the biblical character Job who had also kept faith despite suffering and injustice In his eulogy for Robinson Jesse Jackson described Robinson as a co partner of God who lived out his faith in his civil rights activism both during and after his baseball career Robinson s faith will resonate with many Christians who believe as he did that a person can be quite religious and at the same time militant in the defense of his ideals This religious biography of Robinson chronicles the important role of faith in his life from his childhood to his groundbreaking baseball career through his transformative civil rights work and in the process helps to humanize the man

who has become a mythic figure in both sports history and American culture *Close Shave* James D. Szalontai, 2002-09-23

Sal Maglie was a feared and hated pitcher perhaps best known for his vicious knockdown pitches that made batters tremble Yet he was also respected as a ferocious competitor one who pitched with his arm and his head one who could be depended upon when his team needed a victory and one who refused to quit even when faced with a blacklisting crippling injuries and advanced age Off the field he was an amiable man This work chronicles the life and career of the man and the player his unspectacular minor league career his 1945 debut with Mel Ott's New York Giants his blacklisting by organized baseball for playing in Jorge Pasquel's Mexican League and his rejoining the Giants in 1950 at the age of 33 He thereupon established himself as a bona fide big league pitcher and went on to have a stellar career in the majors that included stints with the Cleveland Indians Brooklyn Dodgers New York Yankees and St Louis Cardinals Game by game analyses of Maglie's professional career intimate portraits of the men Maglie played with and against Mel Ott Eddie Stanky Monte Irvin Jackie Robinson Carl Furillo Willie Mays among others and a look at baseball as it was played in the 1940s and 1950s are features of the book

Jackie Robinson Joseph Dorinson, Joram Warmund, 2025-06-30 There are defining moments in the life of a nation when a single individual can shape events for generations to come For America the spring of 1947 was such a moment and Jackie Robinson was the man who made the difference With these words President Clinton contributed to Long Island University's three day celebration of that momentous event in American history when Robinson became the first African American to play major league baseball First published in 1998 Jackie Robinson Race Sports and the American Dream includes presentations from that celebration especially chosen for their fresh perspectives and illuminating insights A heady mix of journalism scholarship and memory offers a presentation that far transcends the retelling of just another sports story Readers get a true sense of the social conditions prior to Robinson's arrival in the major leagues and the ripple effect his breakthrough had on the nation Anecdotes enliven the story and offer more than the usual larger than life portrait of Robinson A m lrange of contributors from the sports world academia and journalism some of Robinson's contemporaries Dodger fans and historians of the era all sharing a passion for baseball reflect on issues of sports race and the dramatic transformation of the American social and political scene in the last fifty years This book is a must read for anyone interested in American Sports history and sports in general

Pee Wee Reese Glen Sparks, 2022-06-06 Harold Pee Wee Reese may have been the most beloved Brooklyn Dodgers player of all time During a 16 year career in the 1940s and 1950s he delivered timely hits made countless acrobatic defensive plays at shortstop and stole hundreds of bases for clubs that won seven pennants and in 1955 finally overcame the Yankees to win the World Series Reese may be best remembered however for a gesture of solidarity The year and the location vary with the telling but witnesses agree on this crucial detail During one of Jackie Robinson's early tours of the National League as catcalls and racial taunts rained down on him the Southern born Reese draped an arm across the infielder's shoulder and stood alongside him facing the crowd In this first full length

biography of Reese author Glen Sparks digs into Hall of Famer's life and career his leadership both on and off the field and the reasons that Brooklyn fans fell in love with the Boys of Summer *Sport in America, Volume II* David K. Wiggins, 2009-11-11 *Sport in America From Colonial Leisure to Celebrity Figures and Globalization Volume II* presents 18 thought provoking essays focusing on the changes and patterns in American sport during six distinct eras over the past 400 years The selections are entirely different from those in the first volume discussing diverse topics such as views of sport in the Puritan society of colonial New England gender roles and the croquet craze of the 1800s and the Super Bowl's place in contemporary sport Each of the six parts includes an introduction to the essays allowing readers to relate them to the cultural changes and influences of the period Readers will find essays on well known topics written by established scholars as well as new approaches and views from recent studies Suitable for use as a stand alone or supplemental text in undergraduate and graduate sport history courses *Sport in America* provides students with opportunities to examine selected sport topics in more depth realize a greater understanding of sport throughout history and consider the interrelationships of sport and other societal institutions Essays are arranged chronologically from the early American period to the present day to provide the proper historical context and offer perspective on changes that have occurred in sport over time Also a list of suggested readings provided in each part offers readers the opportunity to expand their thinking on the nature of sport throughout American history Essays on how Pinehurst Golf Course was created the interconnection between sport and the World War I military experience and discussion of sport icons such as Joe Louis Walter Camp Jackie Robinson and Cal Ripken Jr allow readers to explore sport as a reflection of the changing values and norms of society *Sport in America From Colonial Leisure to Celebrity Figures and Globalization Volume II* provides students and scholars with perspectives regarding the role of sport at particular moments in American history and gives them an appreciation for the complex intersections of sport with society and culture **Baseball** Steven P. Gietschier, 2023-07 Finalist for the 2023 CASEY Award 2024 SABR Seymour Medal Named a Best Baseball Book of 2023 by Sports Collectors Digest *Baseball The Turbulent Midcentury Years* explores the history of organized baseball during the middle of the twentieth century examining the sport on and off the field and contextualizing its development as both sport and business within the broader contours of American history Steven P. Gietschier begins with the Great Depression looking at how those years of economic turmoil shaped the sport and how baseball responded Gietschier covers a then burgeoning group of owners players and key figures among them Branch Rickey Larry MacPhail Hank Greenberg Ford Frick and several others whose stories figure prominently in baseball's past and some of whom are still prominent in its collective consciousness Combining narrative and analysis Gietschier tells the game's history across more than three decades while simultaneously exploring its politics and economics including for example how the game confronted and barely survived the United States entry into World War II how owners controlled their labor supply the players and how the business of baseball interacted with the federal government He reveals how baseball handled the

return to peacetime and the defining postwar decade including the integration of the game the demise of the Negro Leagues the emergence of television and the first efforts to move franchises and expand into new markets Gietschier considers much of the work done by biographers scholars and baseball researchers to inform a new and current history of baseball in one of its more important and transformational periods **Corruption and Scandal in American Sports** Jimmy Sanderson,2023-08-24 Scandals about cheating and corruption have dogged amateur and professional sports in the United States since the nation s earliest days This work examines the most infamous and consequential of these controversies and scandals both on and off the field Authoritative Individual essays tackle notorious events in popular American sports ranging from the 1919 Black Sox scandal to revelations of sign stealing by the Houston Astros throughout their 2020 championship season with stops in between to survey horrific sex abuse scandals at Penn State Baylor and Michigan State steroid and drug scandals that brought down once admired athletes like Mark McGwire and Lance Armstrong and cheating betting controversies that tainted individual players Pete Rose teams Boston College New England Patriots and entire leagues including the Little League World Series in 2001 But this work does more than just recount these events it will also examine the cultural and economic pressures and forces that contributed to these events as well as the lessons learned and steps taken if any to enact reform and help the sport recover **Havana Hardball** César Brioso,2015-10-13 1947 Cuba where the most memorable season in the history of the Cuban League coincided with Jackie Robinson s spring training on the island before he made his major league debut with the Brooklyn Dodgers *Pennsylvania Histories* Sheldon Spear,2015-10-22 This book offers a consciously eclectic approach to the rich history of Pennsylvania in the period from 1740 to 1950 Combining original research with syntheses of relevant work by other historians *Pennsylvania Histories* seeks to appeal to both professional historians and general readers by presenting a range of significant individuals groups and events that are likely to be less familiar to audiences interested in the history of Pennsylvania The Moravians for example emerge as a denomination whose involvement in proselytization activities sets them apart from the quietism of the Amish and other well known sects Although the book concentrates on Pennsylvania the subject matter is also germane to wider issues in the areas of economics race and ethnicity religion and gender studies Among the many topics discussed *Pennsylvania Histories* considers the French and British refugees who settled near the Susquehanna River during the late eighteenth century the burning of the town of Chambersburg by Confederate raiders in 1864 and the semi public executions in Pennsylvania towns that persisted into the early twentieth century **A Fine Team Man** Joe Cox,2019-02-01 Jackie Robinson famously said that a life is not important except for the impact it has on other lives As we celebrate Robinson s 100th birthday in January 2019 *Stealing Home* profiles nine figures whose lives were altered by the great experiment as the integration of baseball was called then Profiled here are Rachel Robinson the stoic but thoughtful wife Branch Rickey the mercurial but far sighted manager owner of the Dodgers Baseball Commissioner Happy Chandler who quietly paved the way for integration Clyde

Sukeforth the scout whose assessment of Robinson was crucial to the player's success Red Barber whose own views on integration were altered by Robinson's example of grace under pressure Wendell Smith the prominent black journalist who helped Robinson navigate through the trappings of a racist society Burt Shotton who managed Robinson during Robinson's majestic MVP season in 1949 Pee Wee Reese the Dodgers captain who united the team behind Robinson and finally Dixie Walker the veteran Dodgers star who vowed never to play alongside Robinson but who was eventually so moved by Robinson's courage that he spent his last years working to improve the skills of such African American players as Maury Wills Jim Wynn and Dusty Baker As Joe Cox concludes Perhaps the ultimate measure of the glory of Robinson's quest is that it converted those inclined against it to see all men as equal at least on the great field of baseball *Leo Durocher* Paul Dickson, 2017-03-21 From the Casey Award winning author of *Bill Veeck Baseball's Greatest Maverick* the first full biography of Leo Durocher one of the most colorful and important figures in baseball history Leo Durocher 1906 1991 was baseball's all time leading cocky flamboyant and galvanizing character casting a shadow across several eras from the time of Babe Ruth to the Space Age Astrodome from Prohibition through the Vietnam War For more than forty years he was at the forefront of the game with a Zelig like ability to be present as a player or manager for some of the greatest teams and defining baseball moments of the twentieth century A rugged combative shortstop and a three time All Star he became a legendary manager winning three pennants and a World Series in 1954 Durocher performed on three main stages New York Chicago and Hollywood He entered from the wings strode to where the lights were brightest and then took a poke at anyone who tried to upstage him On occasion he would share the limelight but only with Hollywood friends such as actor Danny Kaye tough guy and sometime roommate George Raft Frank Sinatra and his third wife movie star Laraine Day As he did with Bill Veeck Dickson explores Durocher's life and times through primary source materials interviews with those who knew him and original newspaper files A superb addition to baseball literature Leo Durocher offers fascinating and fresh insights into the racial integration of baseball Durocher's unprecedented suspension from the game the two clubhouse revolts staged against him in Brooklyn and Chicago and Durocher's vibrant life off the field **Perfect** Lew Paper, 2009-09-29 Perfect captures our hearts as it carries us back to the golden age of baseball and the more innocent world of the 1950s Doris Kearns Goodwin Pulitzer Prize winning Author of *The Bully Pulpit* On October 8 1956 New York Yankees pitcher Don Larsen took the mound for game five of the World Series against the rival Brooklyn Dodgers In an improbable performance that the New York Times called the greatest moment in the history of the Fall Classic Larsen an otherwise mediocre journeyman pitcher retired twenty seven straight Dodger batters to clinch a perfect game and to date the only World Series no hitter ever witnessed in major league baseball Here Lew Paper delivers a masterful pitch by pitch account of that fateful day and the extraordinary lives of the players on the field seven of whom would later be inducted into the Hall of Fame Meticulously researched and relying on dozens of interviews Paper's gripping narrative recreates Larsen's feat in a pitching duel that featured legendary figures

such as Mickey Mantle Jackie Robinson Yogi Berra and Roy Campanella More than just the story of a single game Perfect is a window into baseball s glorious past

This is likewise one of the factors by obtaining the soft documents of this **Era 1947 1957 When The Yankees The Giants And The Dodgers Ruled The World** by online.
