Williams, 2020-06-09 The Christian Church has continually looked to its beginnings to discover new insights and new strength for the present Today the interest in early Christianity and its leaders is as lively as it ever was Those who know these early days never tire in calling today s Church back to the Scriptures and the Spirit directed history of the Church In this book Dr Williams has given the preacher teacher and concerned layman a very readable concise and helpful guide to the teachings of the early Church leaders He communicates the exciting quality of Christian theology as it came to expression in the thought and life of men to whom the Christian Church today is greatly in debt and from whom with humility it can continue to learn and find inspirations The early Church Fathers were concerned in the words of the Apostle Peter to make a defense to anyone who called them to account for the hope that was in them They were concerned as

the Church is today to understand the faith for themselves and to explain it to those outside the Church Their answers to the following problems are still relevant the relationship of God to all the world redemption the Trinity the person of Christ the relationship between God's will and man's and the problem of church and state Today the Church still possesses the faith that overcomes the world and seeks to practice that faith in all of life Twentieth century Christians can be strengthened in that possession and practice through an acquaintance with the teachings of the early Church Fathers This book will guide them [A History of the Early Church](#) Hans Lietzmann, 1953 **Founding the Fathers** Elizabeth A. Clark, 2011-04-12 Through their teaching of early Christian history and theology Elizabeth A Clark contends Princeton Theological Seminary Harvard Divinity School Yale Divinity School and Union Theological Seminary functioned as America's closest equivalents to graduate schools in the humanities during the nineteenth century These four Protestant institutions founded to train clergy later became the cradles for the nonsectarian study of religion at secular colleges and universities Clark one of the world's most eminent scholars of early Christianity explores this development in **Founding the Fathers** Early Church History and Protestant Professors in Nineteenth Century America Based on voluminous archival materials the book charts how American theologians traveled to Europe to study in Germany and confronted intellectual currents that were invigorating but potentially threatening to their faith The Union and Yale professors in particular struggled to tame German biblical and philosophical criticism to fit American evangelical convictions German models that encouraged a positive view of early and medieval Christianity collided with Protestant assumptions that the church had declined grievously between the Apostolic and Reformation eras Trying to reconcile these views the Americans came to offer some counterbalance to traditional Protestant hostility both to contemporary Roman Catholicism and to those historical periods that had been perceived as Catholic especially the patristic era **A Year with the Church Fathers** Mike Aquilina, 2010-10 Times change but human nature does not Neither do the daily struggles that all Christians experience in their walk with the Lord Today as two thousand years ago we fight anger pride lust spiritual sloth Now as then we strive to be more diligent in prayer more faithful to the commandments more patient and charitable toward others And in our time no less than in the earliest centuries of Christianity we need wise guidance to direct us on the road to holiness In **A Year with the Church Fathers** popular Patristics expert Mike Aquilina gathers the wisest most practical teachings and exhortations from the Fathers of the Church and presents them in a format perfect for daily meditation and inspiration The Fathers were the immediate inheritors of the riches of the Apostolic Age and their intimacy with the revelation of Jesus Christ is beautifully evident throughout their theological and pastoral writings a profound patrimony that is ours to read and cherish and profit from Learn to humbly accept correction from St Clement of Rome Let Tertullian teach you how to clear your mind before prayer Read St Gregory the Great and deepen your love for the Eucharist Do you suffer from pain or illness St John Chrysostom's counsels will refresh you Do you have trouble curbing your appetite for food and other fleshly things St John Cassian will teach you the
