

# **Erasmus The Anabaptists And The Great Commission**

William Klassen

#### **Erasmus The Anabaptists And The Great Commission:**

Erasmus, the Anabaptists, and the Great Commission Abraham Friesen, 1998 Many scholars have pointed to the influence of Erasmus on the early Swiss Anabaptists and Menno Simons Yet the extent of this influence has never been firmly established This volume uses new research data and argumentation to build a more convincing case for the early Anabaptist movement's dependence on Erasmus's thought Abraham Friesen traces the intellectual origins of both Swiss Anabaptism and Menno Simons to the writings of Erasmus especially to Erasmus s unique interpretation of Christ's Great Commission as presented in his famous paraphrases of Matthew and Acts and shows the impact that Erasmus ultimately had on the form and content of Anabaptist thought The Great Commission Resurgence Chuck Lawless, Adam W. Greenway, 2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention's Great Commission Resurgence initiative In Defense of Privilege Abraham Friesen, 2006 **40 Questions About the Great Commission** Daniel L. Akin, George G. Robinson, Benjamin L. Merkle, 2020-01-28 Jesus Great Commission is one of the key pillars of the church's evangelistic work and has been the guiding principle for missionaries throughout church history In 40 Questions about the Great Commission scholars Daniel Akin Benjamin Merkle and George Robinson unpack the meaning history theology and practical applications of Jesus command to go and make disciples Ideal for personal or group study this volume will reignite your passion for evangelism while answering key questions like Where do we stand in relation to fulfilling the Great Commission How do baptism and teaching relate to the Great Commission What is the meaning of I am with you always to the end of the age How does the Old Testament relate to the Great Commission What is the special contribution of each Gospel s version of the Great Commission What is the responsibility of the local church to the Great Commission What are some mobilization resources that can help churches and individuals to become Great Commission focused Other highlights include an overview of some of the great evangelists and missionaries in church history and a collection of notable quotations on the Great Commission ideal for teaching and preaching 40 Questions About the Great Commission is an indispensable text for any pastor professor or student who cares about the Christian mission In it a biblical scholar missiologist and seminary president join forces to answer every question you ve ever asked or never asked about our Lord's parting commission to his disciples Substantive lucid and compelling Bruce Ashford Southeastern Baptist Theological Seminary The church has one job It is called the Great Commission Every Christian soldier should know the who the what the why and the where of the marching orders left by our Lord and Commander in Chief and this book does just that in an engaging and encouraging way Read it and then get on with it James Merritt The Southern Baptist Theological Seminary This book is a succinct and at the same time wide ranging exposition of the commission of Jesus given to the disciples and thus to the church to proclaim the gospel far and wide The authors elucidate the meaning of key passages in Scripture and thus present the geographical scope the theological content and important historical parameters of the mission of the church This

book deserves to be read by every Christian believer committed to the glory of God in all the world and to the proclamation of the gospel of Jesus Christ Eckhard J Schnabel Gordon Conwell Theological Seminary The Anabaptists and Contemporary Baptists Malcolm B. Yarnell, 2013 Scholars and pastors Paige Patterson Rick Warren etc offer essays on sixteenth century Anabaptists Balthasar Hubmaier Leonhard Schiemer Hans Denck etc proposing to recover the Anabaptist vision among Baptists as a means of restoring New Testament Christianity Dirk Philips, A Sixteenth-Century Dutch **Anabaptist** Insung Jeon, 2022-03-18 The purpose of this book is to shed light on the thought of Dirk Philips who was a Mennonite leader in the sixteenth century and to argue that his various doctrines including his Christology ecclesiology soteriology and anthropology are interrelated with his view of the visible church This book explains that Dirk Philips view of the visible church is much closer to the ecclesiology of Augustine's tradition rather than to the ecclesiology of the Donatists tradition Although Dirk Philips had excellent theological abilities and he was a leader who made a significant contribution to the development of the Mennonites camp he did not receive much attention in the study of Anabaptists and there has not been much research on this sixteenth century Mennonite leader Thus this book will help you discover a great sixteenth century leader who has been forgotten in church history Is it true that the Radical Reformers are disciples of Donatus that the Anabaptists thought that the failed believers cannot be forgiven because the church is a gathering of pure souls This book will probe the idea that the Radical Reformation is closer to the ecclesiology of Augustine's tradition than to the ecclesiology of the Donatists tradition <u>Erasmus</u> Nathan Ron, 2021-07-27 This book is a seguel to Nathan Ron s Erasmus and the Other Should we consider Erasmus an involved or public intellectual alongside figures such as Machiavelli Milton Locke Voltaire and Montesquieu Was Erasmus really an independent intellectual In Ron's estimation Erasmus did not fully live up to his professed principles of Christian peace Despite the anti war preaching so eminent in his writings he made no stand against the warlike and expansionist foreign policies of specific European kings of his era and even praised the glory won by Francis I on the battlefield of Marignano 1515 Furthermore in the face of Henry VIII s execution of his beloved Thomas More and John Fisher and the atrocities committed by the Spanish against indigenous peoples in the New World Erasmus preferred self censorship to expressions of protest or criticism and did not step forward to reproach kings of their misdeeds or crimes Fulfilling the Great Commission Nathan A. Finn, Keith S. Whitfield, 2024-04-17 Editors Nathan Finn and Keith Whitfield have collected over a dozen essays written in honor of the president of Southeastern Baptist Theological Seminary Daniel Akin These essays highlight various biblical themes in connection to Akin's missional emphasis in his theology and personal life Becoming Anabaptist J. Denny Weaver, 1987-05-09 When Becoming Anabaptist appeared in 1987 it was the first major study to incorporate the new history of multiple beginnings and a diverse Anabaptism into a synthesis of meanings for the late 20th century I Denny Weaver's attempt was welcomed and widely acclaimed by scholars and by church leaders alike In this second edition Weaver provides a masterful treatment of his beloved Anabaptist vision

William Willimon in the Foreword The Radical Reformation and the Making of Modern Europe Mario Biagioni, 2016-12-05 In The Radical Reformation and the Making of Modern Europe Mario Biagioni presents an account of the lives and thoughts of some radical reformers of the sixteenth century Bernardino Ochino Francesco Pucci Fausto Sozzini and Christian Francken showing that the Radical Reformation was not merely a subplot of heretical history within the larger narrative of the Magisterial Reformation Religious radicalism was primarily an extraordinary laboratory of ideas which played a pivotal role in the rise of modern Europe it influenced the intellectual process leading to the cultural revolution of the Enlightenment Secularism toleration and rationalism three basic principles of Western civilization are part of its cultural heritage Devil, Heresy and Witchcraft in the Middle Ages Alberto Ferreiro, 2023-12-14 The study of heresy and heterodoxy and of belief in magic witchcraft and the devil has in the past 25 years made significant advances in our understanding of art and iconography ideas mentality and belief and ordinary life and popular imagination in the patristic and medieval periods At the forefront of research into this aspect of medieval intellectual history has been Jeffrey B Russell whose numerous books and articles have opened important new paths in the field To mark his retirement 17 established and emerging scholars from Europe and North America historians of art the church religions and ideas have contributed papers on the many areas which Russell has influenced Topics dealt with include elves the Christians apocrypha mysticism sexuality heresies and heresiologies apocalyptic tracts astrology hell and other Christian encounters with non believers These essays are offered as tribute to the deep impact that Russel has had on medieval studies Contributors include Alan Bernstein Richard Emmerson Alberto Ferreiro Neil Forsyth Abraham Friessen Karen Jolly Henry Ansgar Kelly Richard Kieckhefer Beverly M Kienzle Garry Macy Bernard McGinn Edward Peters Cheryl Rigs Larry J Simon Laura Smoller Catherine B Tkacz and John Tolan

Nonviolent Word J. Denny Weaver, Gerald J. Mast, 2020-02-21 This book displays how the nonviolent Word of God made visible in Jesus Christ is expressed in the contemporary idiom of the peaceable grain of the universe Moving between historic Anabaptist understandings of Jesus as revealing the Word of God and more recent expressions of Jesus as disclosing the grain of the universe the book invites a reading of Scripture centered in Jesus life and teachings as told by the narratives of the New Testament This approach to the Bible discovers there a persuasive witness to the power of nonviolent action in both historic movements and contemporary settings Beginning with the radical wing European Reformation the book explores how new understandings of biblical authority expressed in the language of that era have relevance now over five centuries later when stated in a contemporary language for evangelical ecumenical and anti racist Christian witness To that end chapters in Part One explore how Reformation era Anabaptists expanded or went beyond the received understandings of Scripture and Word in confronting their crises In Part Two the chapters apply this expanded understanding of the Word to contemporary understandings of the Bible and theology dialogue across black white lines and in nonviolent witness and activism The Formation of Christian Doctrine Malcolm B. Yarnell, 2007-11-01 The Formation of Christian Doctrine is an advanced

academic study of how Christian doctrine develops distinguishing in particular between scholarly term inventio and less revelatory process of invention Encyclopedia of Protestantism Hans J. Hillerbrand, 2004-08-02 This Encyclopedia is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought Companion to Reformation Theology David M Whitford, 2014-09-25 This volume introduces the main theological topics of Reformation theology in a language that is clear and concise Theology in the Reformation era can be complicated and contentious This volume aims to cut through the theological jargon and explain what people believed and why The book begins with an essay that explains to students how one can approach the study of sixteenth century theology It includes a guide to major events persons doctrines and movements The Word Became Flesh David Graham Griffin, 2016-05-16 Is following Iesus natural Many would say no but this book argues yes Saying no suggests that grace and human nature are alternate moral categories Saying yes implies that our humanity is gracious in origin capacity and intent Much of this discussion hangs on what is meant by nature and natural and this book explores these ideas creationly and christologically Part One considers natural law as commonly found in the classical Christian tradition Part Two explores the radical christological tradition of Anabaptism Part Three then proposes the two nature christology of the Chalcedonian definition as a theological resource enabling their reconciliation The Chalcedonianism of the modern Barth and the ancient Maximus the Confessor are appropriated along with scientific theology of T F Torrance and Nancey Murphy If Chalcedon correctly affirms Jesus s humanity as being homoousios one nature with our humanity created like Adam s through the eternal Spirit then Jesus s life was natural proper to its created intent And as his divine nature was homoousios with the Father's nature he is the human expression of the divine Word which gives creation its contingent moral rationality As such the life of Jesus Anabaptists concern is morally normative for all humanity natural law s concern Reforming the Morality of Usury David W. Jones, 2003-12-30 In the early years of the sixteenth century the Church experienced a dramatic shift in its moral perception of the practice of usury Leaders of the continental Protestant Reformation Lutheran Calvinist and Anabaptist all grappled with the Roman Catholic Church's moral teaching on the practice of lending money at interest Although these three theological streams addressed the same moral problem at relatively the same time they each responded differently Reforming the Morality of Usury examines how the leaders of each major stream in the continental Protestant Reformation adopted a different approach to reforming moral teaching on the practice of usury Renewing Tradition Mark W. Hamilton, Thomas H. Olbricht, Jeffrey Peterson, 2006-11-10 We offer this collection as a token of our affection and admiration of our friend and colleague James Weldon Thompson His studies of the letter to the Hebrews and of Paul in their intellectual contexts especially Middle Platonism have contributed significantly to the ongoing quest for placing the New Testament in its socio intellectual setting Although his publications in this area date back more than thirty years his best work is occurring now and we may anticipate path breaking contributions ahead His more recent work on preaching and pastoral care in Paul

both situate the Apostle in his own world and just as importantly offer correctives of some contemporary ministerial practices and invitations for improvements Since 1993 Thompson has served as the editor of Restoration Quarterly a significant venue for research in biblical studies church history especially of the Stone Campbell Restoration Movement and contemporary theology His more popular works make available to a lay audience thoughtful well informed and spiritually rewarding interpretations of much of the New Testament His achievements however do not end at the printing press For more than thirty years he has taught ministers and others at the Institute for Christian Studies now Austin Graduate School of Theology and Abilene Christian University Students of the past and the present speak of him as a prepared stimulating and creative teacher unafraid of experimentation for a new generation of learners At both institutions he also served as an administrator first as President of ICS and then as Associate Dean of ACU's Graduate School of Theology His colleagues respect his ability to enlist them for work as needed and otherwise to get out of their way certainly a too rare set of skills in university administrators from the Preface Eradicating the Devil's Minions Gary K. Waite, 2007-01-01 As a religious sect the Anabaptists were seen to practice unusual rituals and follow an eccentric set of beliefs One story for instance purports that an Anabaptist prophet claiming to have visited heaven persuaded his followers to run naked through the streets of Amsterdam Eradicating the Devil s Minions investigates these beliefs in the context of Reformation Europe a time in which persecution religious intolerance and witch hunting were rampant Focusing primarily on the Habsburg controlled regions of Europe Gary K Waite argues that the persecution of Anabaptists did not go hand in hand with the outbreak of witch hunts in the mid sixteenth century Rather as distrust of Anabaptists predated the first major witch panic of 1562 63 Waite suggests that the virulent propaganda against Anabaptist heretics helped convince governments of the existence of a diabolical threat Although Anabaptists rejected religious magic they were consistently demonized by Catholic and Lutheran polemicists Eradicating the Devil s Minions is an investigation into the roots of religious intolerance in Reformation Europe and a unique examination of mass hysteria and social extremism Marpeck: A Life of Dissent and Conformity William Klassen, 2008-09-24 During the 16th century s tumultuous years of religious reformation and revolution Pilgram Marpeck consistently but discreetly stood up to the ruling powers calling for freedom of religion and separation of church and state Walter Klaassen and William Klassen editors of The Writings of Pilgram Marpeck have deeply mined Marpeck's writing and dialogue with other Reformation leaders They place his life work and theology in the context of his violent changing times This thorough biography shows how Marpeck perhaps more than any other early Anabaptist figure helped lay the theoretical and practical foundations of the believers church

Getting the books **Erasmus The Anabaptists And The Great Commission** now is not type of challenging means. You could not unaccompanied going following books deposit or library or borrowing from your connections to entry them. This is an categorically simple means to specifically acquire lead by on-line.
