Eric Fischl The Krefeldproject:

Eric Fischl, 1970-2007 / Arthur C. Danto, Eric Fischl, Robert Enright, Steve Martin, 2008 Eric Fischl emerged in the 1980s as one of America's most important figurative painters. His paintings, many of which show a single intense moment, compel the viewer to participate in a world of middle class suburban ambiguity and drama. In Fischl's engaging, distinctly American canvases, narrative, morality, sexuality, and psychology are preeminent. This volume, an expanded edition of *Eric Fischl 1970-2000*, is the most comprehensive examination of this important contemporary painter. More than 250 works selected in conjunction with the artist present the full scope of Fischl's career: the formative work of the 1970s, the breakthrough paintings of the 1980s including the controversial *Sleepwalker* and *Bad Boy*, and the mature work, often of a personal and contemplative nature, of the 1990s and 2000s. In his most recent paintings, Fischl has turned to multipiece cycles: *The Bed*, *The Chair* series, starting with *The Philosopher's Chair*, canvases inspired by trips to Italy and India, and the paintings Fischl terms "narrative fictions" of the Krefeld Project. These engrossing images have been accomplished with a mastery that has been compared to that of Caravaggio. The introduction by philosopher and critic Arthur C. Danto offers a perceptive study of Fischl's work over the course of four decades. Commentary drawn from interviews with the artist, conducted by noted writer Robert Enright, accompanies the paintings. Finally, a witty and personal afterword by Steve Martin, best known as a gifted comic actor and author, but also an astute collector of modern art, discusses *Barbeque*, a famed Fischl painting from his private collection.

Eric Fischl Martin Hentschel, 2003 *Artbibliographies Modern*, 2004 **Art in America** Frank Jewett Mather, Frederic Fairchild Sherman, 2004 **Saturday Night** In Sook Kim, Markus Bröderlin, Sabine Schnakenberg, 2009 Time and again we read shocking newspaper reports about people who have lain dead in their homes for months or even years without any of their neighbors taking notice of them. These events are symptomatic of the increasing isolation of human beings, and not just senior citizens in our society. In large cities, the risk of falling into complete anonymity is particularly acute. In her works, In Sook Kim examines how people confront the threat of isolation. Her elaborate, psychologically persuasive settings show how we use television, computers, sex, alcohol, psychotropics, or illegal drugs in our futile attempts to fill the agonizing void, to drown out the terrible silence and painful awareness of our loneliness. Kim's work *Saturday Night* condenses all of these escapes into one image: the illuminated windows of a high rise provide an unobstructed view into the abyss of human existence. Munch Revisited Rosemarie E. Pahlke, 2005 In her penetrating new study, Na'ama Rokem observes that prose writing, more than poetry, drama, or other genres, came to signify a historic rift that resulted in loss and disenchantment. In *Prosaic Conditions*, Rokem treats prose as a signifying practice that is a practice that creates meaning. During the nineteenth and twentieth centuries, prose emerged in competition with other existing practices, specifically the practice of performance. Using Zionist literature as a test case, Rokem examines the ways in which Zionist authors put prose to use both as a concept and as

a literary mode Writing prose enables these authors to grapple with historical political and spatial transformations and to understand the interrelatedness of all of these changes

International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,2003 **Bad Boy** Eric Fischl,Michael Stone,2013-05-07 In Bad Boy renowned American artist Eric Fischl has written a penetrating often searing exploration of his coming of age as an artist and his search for a fresh narrative style in the highly charged and competitive New York art world in the 1970s and 1980s With such notorious and controversial paintings as Bad Boy and Sleepwalker Fischl joined the front ranks of America artists in a high octane downtown art scene that included Andy Warhol David Salle Julian Schnabel and others It was a world of fashion fame cocaine and alcohol that for a time threatened to undermine all that Fischl had achieved In an extraordinarily candid and revealing memoir Fischl discusses the impact of his dysfunctional family on his art his mother an imaginative and tragic woman was an alcoholic who ultimately took her own life Following his years as a student at Cal Arts and teaching in Nova Scotia he describes his early years in New York with the artist April Gornik just as Wall Street money begins to encroach on the old gallery system and change the economics of the art world Fischl rebelled against the conceptual and minimalist art that was in fashion at the time to paint compelling portraits of everyday people that captured the unspoken tensions in their lives Still in his thirties Eric became the subject of a major Vanity Fair interview his canvases sold for as much as a million dollars and The Whitney Museum mounted a major retrospective of his paintings Bad Boy follows Fischl's maturation both as an artist and sculptor and his inevitable fall from grace as a new generation of artists takes center stage and he is forced to grapple with his legacy and place among museums and collectors Beautifully written and as courageously revealing as his most provocative paintings Bad Boy takes the reader on a roller coaster ride through the passion and politics of the art world as it has rarely been seen before o.T.
