Sex, Work and Sex Work Joanna Brewis,Stephen

Linstead,2003-09-02 Sex is much more rife in the workplace than many would think according to this fascinating and controversial new book It argues that not only does sexuality pervade every aspect of organizations but also that organization pervades every aspect of our sexuality This two way conceptualization lends the book a two part structure covering firstly the ways in which organizational behaviour is shaped through issues such as male managers experience of violence organizational constructions of sexual harassment and professionals who work with sex offenders The second part of the book examines how sex is organized for commercial purposes and considers sex work as an industry which can be analyzed as any other with important insights for normal organizing Key features of the book include sections on organizing as sexual activity connecting desire the erotic the abject and organization the hidden penetration of organization processes by sexuality the dark side of sex and organization and the importance of transgression the double effect of discursive and material placing organizing sexuality within prostitution prostitution as a complex and varied industry Fascinating and informative this controversial book is a valuable source of information for postgraduates and researchers in the fields of business management and sexuality and gender studies To-day's Cinema News and Property Gazette ,1957 Who's Who in Gay and Lesbian History Vol.1 Robert Aldrich,Garry Wotherspoon,2005-10-25 Who's Who in Gay and Lesbian History From Antiquity to the Mid Twentieth Century is a comprehensive and fascinating survey of the key figures in gay and lesbian history from classical times to the mid twentieth century Among those included are Classical heroes Achilles Aeneas Ganymede Literary giants Sappho Christopher Marlowe Arthur Rimbaud Oscar Wilde Royalty and politicians Edward II King James I Horace Walpole Michel de Montaigne Over the course of some 500 entries expert contributors provide a complete and vivid picture of gay and lesbian life in the Western world throughout the ages **The Northern Clemency** Philip Hensher,2008-10-22 In 1974 the Sellers family is transplanted from London to Sheffield in northern England On the day they move in the Glover household across the street is in upheaval convinced that his wife is having an affair Malcolm Glover has suddenly disappeared The reverberations of this rupture will echo through the years to come as the connection between the families deepens But it will be the particular crises of ten year old Tim Glover set off by two seemingly inconsequential but ultimately indelible acts of cruelty that will erupt full blown two decades later in a shocking conclusion Expansive and deeply felt The Northern Clemency shows Philip Hensher to be one of our most masterly chroniclers of modern life and a storyteller of virtuosic gifts **The Woman Without a Hole - & Other Risky Themes from Old Japanese Poems** Robin D. Gill,2007 17 syllabet Japanese poems about human foibles sans season i e not haiku were introduced a half century ago by RH Blyth in two books Edo Satirical Verse Anthologies and Japanese Life and Character in Senryu Blyth regretted having to introduce not the best senryu but only the best that were clean enough to pass the censors In this anthology compiled translated and essayed by Robin D Gill like Blyth a renowned translator of thousands of haiku we find 1 300 of the senryu and zappai that would once have been dangerous to publish The book is not just an anthology of dirty poems such as Legman's

classic Limericks or Burford's delightful Bawdy Verse but probing essays of thirty themes representative of the eros both real and imaginary of Edo at the time the world's largest city Japanese themselves use senryu for historical documentation of social attitudes and cultural practices thousands of senryu and the related zappai including many poems we might consider obscene serve as examples in the Japanese equivalent of the OED nipponkokugodaijiten The specialized argot obscure allusions and ellipsis that make reading dirty senryu a delightful riddle for one who knows just enough to be challenged yet not defeated make them impenetrable to outsiders so this educational yet entertaining resource has not been accessible to most students of Japanese and the limited translations prove that even professors have difficulty with it This book tries to accomplish the impossible it includes all the information original poems pronunciation explanation glossary needed to help specialists improve their senryu reading skills while refraining from full citations to leave plenty of room for the curious monolingual to skip about the eclectic goodies Published simultaneously with two titles as an experiment
