

Eros In Greece

Paul Carus

Eros In Greece:

Erôs in Ancient Greece Ed Sanders, Chiara Thumiger, Christopher Carey, N. J. Lowe, 2013-01-31 This volume brings together 18 articles which examine eros as an emotion in ancient Greek culture Taking into account all important thinking about the nature of eros from the 8th century BCE to the 3rd century CE it covers a very broad range of sources and theoretical approaches both in the chronological and the generic sense The Poetics of Eros in Ancient Greece Claude Calame, 2013-08-18 The Poetics of Eros in Ancient Greece offers the first comprehensive inquiry into the deity of sexual love a power that permeated daily Greek life Avoiding Foucault's philosophical paradigm of dominance submission Claude Calame uses an anthropological and linguistic approach to re create indigenous categories of erotic love He maintains that Eros the joyful companion of Aphrodite was a divine figure around which poets constructed a physiology of desire that functioned in specific ways within a network of social relations Calame begins by showing how poetry and iconography gave a rich variety of expression to the concept of Eros then delivers a history of the deity's roles within social and political institutions and concludes with a discussion of an Eros centered metaphysics Calame's treatment of archaic and classical Greek institutions reveals Eros at work in initiation rites and celebrations educational practices the Dionysiac theater of tragedy and comedy and in real and imagined spatial settings For men Eros functioned particularly in the symposium and the gymnasium places where men and boys interacted and where future citizens were educated The household was the setting where girls brides and adult wives learned their erotic roles as such it provides the context for understanding female rites of passage and the problematics of sexuality in conjugal relations Through analyses of both Greek language and practices Calame offers a fresh subtle reading of relations between individuals as well as a quick paced and fascinating overview of Eros in Greek society at large Eros Bruce S Thornton, 2018-02-12 Eros The Myth of Ancient Greek Sexuality is a controversial book that lays bare the meanings Greeks gave to sex Contrary to the romantic idealization of sex dominating our culture the Greeks saw eros as a powerful force of nature potentially dangerous and in need of control by society Eros the Destroyer not Cupid the Insipid is what fired the Greek imagination The destructiveness of eros can be seen in Greek imagery and metaphor and in their attitudes toward women and homosexuals Images of love as fire disease storms insanity and violence top 40 song clichés for us locate eros among the unpredictable and deadly forces of nature The beautiful Aphrodite embodies the alluring danger of sex and femmes fatales like Pandora and Helen represent the risky charms of female sexuality And homosexuality typifies for the Greeks the frightening power of an indiscriminate appetite that threatens the stability of culture itself In Eros The Myth of Ancient Greek Sexuality Bruce Thornton offers a uniquely sweeping and comprehensive account of ancient sexuality free of currently fashionable theoretical jargon and pretensions In its conclusions the book challenges the distortions of much recent scholarship on Greek sexuality And throughout it links the wary attitudes of the Greeks to our present day concerns about love sex and family What we see finally are the origins of some of our own views as well as a vision of sexuality that is

perhaps more honest and mature than our own dangerous illusions **Eros in Greece** John Boardman, Eugenio La Rocca, 1978 **Eros and Greek Athletics** Thomas Francis Scanlon, 2002 Scanlon's overview of Greek athletics explores when and how athletics was linked with religion upbringing gender sexuality and social values in an evolution from Homer until the Roman period **Eros in Greece** John Boardman, Eugenio La Rocca, 1978 *The Poetics of Eros in Ancient Greece* Claude Calame, 2013-08-18 The Poetics of Eros in Ancient Greece offers the first comprehensive inquiry into the deity of sexual love a power that permeated daily Greek life Avoiding Foucault's philosophical paradigm of dominance submission Claude Calame uses an anthropological and linguistic approach to re create indigenous categories of erotic love He maintains that Eros the joyful companion of Aphrodite was a divine figure around which poets constructed a physiology of desire that functioned in specific ways within a network of social relations Calame begins by showing how poetry and iconography gave a rich variety of expression to the concept of Eros then delivers a history of the deity's roles within social and political institutions and concludes with a discussion of an Eros centered metaphysics Calame's treatment of archaic and classical Greek institutions reveals Eros at work in initiation rites and celebrations educational practices the Dionysiac theater of tragedy and comedy and in real and imagined spatial settings For men Eros functioned particularly in the symposium and the gymnasium places where men and boys interacted and where future citizens were educated The household was the setting where girls brides and adult wives learned their erotic roles as such it provides the context for understanding female rites of passage and the problematics of sexuality in conjugal relations Through analyses of both Greek language and practices Calame offers a fresh subtle reading of relations between individuals as well as a quick paced and fascinating overview of Eros in Greek society at large *Eros and Psyche* Paul Carus, 1900 **Eros** Teri Temple, 2016-08-01 Young readers are introduced to some of the most exciting figures in Greek mythology in this vibrant new series Each title describes the responsibilities and characteristics of a featured god or goddess A detailed mythological family tree also provides useful background information The Gods and Goddesses of Ancient Greece series is sure to inspire a fascination for mythology and a love of reading Each Gods and Goddesses of Ancient Greece title features easy to read text stunning visuals and a challenging educational activity Gods and Goddesses of Ancient Greece is a series of AV2 media enhanced books A unique book code printed on page 2 unlocks multimedia content These books come alive with video audio weblinks slide shows activities hands on experiments and much more Greek Mythology Xena Ronin, 2020-02-21 As we explore the ancient deities from Greece also copied and somewhat altered by the Romans we can find many fascinating stories and dramatic characteristics in them Aside from looking at gods like Mercury and Hades we will also look at stories that involve Eros or Cupid Psyche the origin of a lot of our words in the dictionary and the infamous and seductive nymphs and satyrs At the end of the book more background information will be given about how the Greek and Romans worshipped these statues and made up gods and goddesses as well as how they celebrated certain events and traditions If any of this sounds intriguing

to you I invite you to pick up this book and learn more **Psyche & Eros** Marie P. Croall,2009-01-01 In ancient Greece a princess rises to a challenge Psyche lives in the comfort of her parents wealthy kingdom But when her beauty draws the jealous anger of the powerful goddess Aphrodite Psyche finds herself in great danger She is taken away to an isolated mountain to marry a monster Will Psyche find love after all with her mysterious new husband Or will she fall prey to Aphrodite s revenge **Gods and Goddesses of Greece and Rome** Brian Kinsey,2012-01-15 Represents a wide range of deities in the Greek and Roman pantheons from Zeus and Jupiter to Eos and Quirinus Includes discussions of the significance of the given deities the mythology surrounding them and the forms of worship associated with them **Eros and Psyche, a Fairy-tale of Ancient Greece, Retold After Apuleius.** Paul Carus,2023-07-18 A retelling of the ancient Greek myth of Eros and Psyche this book shines a light on the timeless themes of love jealousy and redemption Carus s writing is both poetic and literary making this a pleasure to read for both children and adults alike This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Eros and Psyche* Paul Carus,2015-06-24 Excerpt from Eros and Psyche A Fairy Tale of Ancient Greece Retold After Apuleius The story of Eros and Psyche reflects the religious life of classic antiquity more strongly than any other book poem or epic not excepting the works of Hesiod and Homer The Theogony of Hesiod tells of the origin of the gods and invests them with definite shape Homer introduces them as actors in his grand epics but the popular tale of Eros and Psyche reflects the sentiment with which the gods were regarded and describes the attitude of man toward the problems of life especially that problem of problems the mystery of death and the fate of the soul in the unknown beyond The orthodox Greek religion consisted in the performance of certain rites which were administered by the priests in the name of the state for the public benefit Neither faith nor morality was required the sole thing of importance was to accord to the gods their due according to established tradition and thus to fulfil the duties men owe to the invisible powers upon whose beneficence their welfare depends About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Beliefs, Rituals, and Symbols of Ancient Greece and Rome Dean Miller,2014-01-01

Greek and Roman mythology is forever linked for a myriad of reasons. Historians believe this could be because many of the Roman deities were adopted from the Greek. However, there are many that were not shared and are proudly only Roman or only Greek. This comprehensive atlas presents dictionary entries about the major gods, heroes, and imaginary creatures of Greek and Roman mythology along with information on some key historical figures and philosophical schools of thought. In this impressive book, the entries unfold through a pictorial and illustrated journey. Through a robust glossary, sidebars, and thematic introductions, the social studies content of this fascinating subject becomes easily digestible even for the most reluctant reader, while the further reading section inspires future research.

Personification in the Greek World Judith Herrin, 2017-07-12. Personification, the anthropomorphic representation of any non-human thing, is a ubiquitous feature of ancient Greek literature and art. Natural phenomena (earth, sky, rivers, places, cities, countries, divisions of time, seasons, months, a lifetime, states of the body, health, sleep, death, emotions, love, envy, fear, and political concepts, victory, democracy, war) all appear in human, usually female, form. Some have only fleeting incarnations; others become widely recognised figures; and others again became so firmly established as deities in the imagination of the community that they received elements of cult associated with the Olympian gods. Though often seen as a feature of the Hellenistic period, personifications can be found in literature, art, and cult from the Archaic period onwards, with the development of the art of allegory in the Hellenistic period they came to acquire more intellectual overtones. The use of allegory as an interpretative tool then enabled personifications to survive the advent of Christianity, to remain familiar figures in the art and literature of Late Antiquity and beyond. The twenty-one papers presented here cover personification in Greek literature, art, and religion from its pre-Homeric origins to the Byzantine period. Classical Athens features prominently, but other areas of both mainland Greece and the Greek East are well represented. Issues which come under discussion include problems of identification and definition, the question of gender, the status of personifications in relation to the gods, the significance of personification as a literary device, the uses and meanings of personification in different visual media, personification as a means of articulating place, time, and worldly power. The papers reflect the enormous range of contexts in which personification occurs, indicating the ubiquity of the phenomenon in the ancient Greek world.

Eros and Psyche Apuleius, 192? **Eros and Psyche** Paul Carus, Ph.D., Paul

Apuleius, 2015-08-08. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world, and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual, or corporate, has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important

enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [Aphrodite and Eros](#) Barbara Breitenberger,2013-05-13 This book offers a groundbreaking revision of the popular image of Aphrodite and Eros that lives on in Roman poetry Venus and Cupid and has inspired artists for centuries An interdisciplinary analysis of the Archaic period using literary iconographical and cultic evidence shows the distinct concept behind the two deities of love Aphrodite s character sphere of influence and function feature in her traditional myths and are well reflected in cult Eros however was not yet a similarly personified mythical figure at that stage nor did he have an individual cult Breitenberger follows the different stages of the development of Eros s personality Originally a cosmic entity and an unpersonified aspect of Aphrodite he was given his mythical identity by successive archaic lyric poets who were particularly keen to mythologize a male counterpart to the established love goddess Aphrodite This male love god turns out to be the divinized homoerotic ideal of the male aristocracy worshipped at their symposia The development of the male love god is taken as an example to demonstrate that poets artistic innovation as well as their social and historical background played an important role in creating Greek mythology *Images of Ancient Greek Pederasty* Andrew Lear,Eva Cantarella,2009-06-02 Sexual relations between men and adolescent boys were a social institution in ancient Greece This book presents the history of Greek pederasty and the scholarship on the topic with a large number of illustrations

Eros In Greece Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Eros In Greece PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and

professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Eros In Greece PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Eros In Greece free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Eros In Greece Books
