

Eros Summer 1962 Volume 1 No 2

Kat Long

Eros Summer 1962 Volume 1 No 2:

The Forbidden Apple Kat Long, 2009 There's a great history of racy entertainment covering itself if scantily in a cloak of righteous education Kat Long describes these protective measures or ruses Long also chronicles the way that initiatives to eradicate vice only helped pave the way for its further evolution in the city New York Times Book Review Kat Long covers the great upheavals that have pushed the advantage in the sex wars one way or the other Village Voice Long's *The Forbidden Apple* is a fast paced and vivid overview documenting the conflicts between evangelical moralists and defenders of sexual expression commercial and otherwise Anyone interested in New York City or sex will have to pick this up Timothy Gilfoyle author *City of Eros* and A Pickpocket's Tale Long has provided a fascinating overview of sex in New York City since the Civil War Everything you always wanted to know and a lot you would never have suspected Kevin Baker author of *Strivers Row* *Paradise Alley* and *Dreamland* *The Forbidden Apple* A Century of Sex the women's movement at the turn of the twentieth century the hedonistic roaring twenties the rise of Times Square as the city's sexual epicenter in the 1940s and 1950s the birth of the gay rights movement in the 1960s the decadence and pornography of the 1970s and the AIDS epidemic of the 1980s The first ever comprehensive sexual history of New York City *The Forbidden Apple* shows how many of this country's most important sexual trends got their start in New York and also demonstrates how the repressive forces of morality and decency have waged war against the forces of sexual liberation and freedom throughout the city's history **Purity in**

Print Paul S. Boyer, 2002-08-01 The first edition of *Purity in Print* documented book censorship in America from the 1870s to the 1930s embedding it within the larger social and cultural history of the time In this second edition Boyer adds two new chapters carrying his history forward to the beginning of the twenty first century *AB Bookman's Weekly*, 1999

Dracula in Visual Media John Edgar Browning, Caroline Joan (Kay) Picart, 2014-01-10 This is a comprehensive sourcebook on the world's most famous vampire with more than 700 citations of domestic and international *Dracula* films television programs documentaries adult features animated works and video games as well as nearly a thousand comic books and stage adaptations While they vary in length significance quality genre moral character country and format each of the cited works adopts some form of Bram Stoker's original creation and *Dracula* himself or a recognizable vampiric semblance of *Dracula* appears in each The book includes contributions from Dacre Stoker David J Skal Laura Helen Marks Dodd Alley Mitch Frye Ian Holt Robert Eighteen Bisang and J Gordon Melton *The Image of Christ in Russian Literature* John Givens, 2018-05-29 Vladimir Nabokov complained about the number of Dostoevsky's characters sinning their way to Jesus In truth Christ is an elusive figure not only in Dostoevsky's novels but in Russian literature as a whole The rise of the historical critical method of biblical criticism in the nineteenth century and the growth of secularism it stimulated made an earnest affirmation of Jesus in literature highly problematic If they affirmed Jesus too directly writers paradoxically risked diminishing him either by deploying faith explanations that no longer persuade in an age of skepticism or by reducing Christ to a mere argument in an

ideological dispute The writers at the heart of this study understood that to reimage Christ for their age they had to make him known through indirect even negative ways lest what they say about him be mistaken for cliché doctrine or naïve apologetics The Christology of Dostoevsky Leo Tolstoy Mikhail Bulgakov and Boris Pasternak is thus apophatic because they deploy negative formulations saying what God is not in their writings about Jesus Professions of atheism in Dostoevsky and Tolstoy's non-divine Jesus are but separate negative paths toward truer discernment of Christ This first study in English of the image of Christ in Russian literature highlights the importance of apophaticism as a theological practice and a literary method in understanding the Russian Christ It also emphasizes the importance of skepticism in Russian literary attitudes toward Jesus on the part of writers whose private crucibles of doubt produced some of the most provocative and enduring images of Christ in world literature This important study will appeal to scholars and students of Orthodox Christianity and Russian literature as well as educated general readers interested in religion and nineteenth century Russian novels **Eye**

,1997 **University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles** University of California (System). Institute of Library Research, University of California, Berkeley, 1972 *Lloyd's Register of Shipping*, 1965 **Catalog of Little Magazines** University of Wisconsin--Madison. Libraries, Robert F. Roeming, 1979 Women, the Family, and Freedom Susan G. Bell, Karen M. Offen, 1983 This is the second book in a two part collection of 264 primary source documents from the Enlightenment to 1950 chronicling the public debate that raged in Europe and America over the role of women in Western society The present volume looks at the period from 1880 to 1950 The central issues motherhood women's legal position in the family equality of the sexes the effect on social stability of women's education and labor extended to women the struggle by men for personal and political liberty These issues were political economic and religious dynamite They exploded in debates of philosophers political theorists scientists novelists and religious and political leaders This collection emphasizes the debate by juxtaposing prevailing and dissenting points of view at given historical moments e g Madame de Staël vs Rousseau Eleanor Marx vs Pope Leo XIII Strindberg vs Ibsen Simone de Beauvoir vs Margaret Mead Each section is preceded by a contextual headnote pinpointing the documents significance Many of the documents have been translated into English for the first time Catalog of the Kristine Mann Library of the Analytical Psychology Club of New York, Inc: Subject catalog Kristine Mann Library, 1978

Plato and Plotinus on Mysticism, Epistemology, and Ethics David J. Yount, 2017-02-23 This book argues against the common view that there are no essential differences between Plato and the Neoplatonist philosopher Plotinus on the issues of mysticism epistemology and ethics Beginning by examining the ways in which Plato and Plotinus claim that it is possible to have an ultimate experience that answers the most significant philosophical questions David J Yount provides an extended analysis of why we should interpret both philosophers as mystics The book then moves on to demonstrate that both philosophers share a belief in non discursive knowledge and the methods to attain it including dialectic and recollection and

shows that they do not essentially differ on any significant views on ethics Making extensive use of primary and secondary sources Plato and Plotinus on Mysticism Epistemology and Ethics shows the similarities between the thought of these two philosophers on a variety of philosophical questions such as meditation divination wisdom knowledge truth happiness and love

The Embrace of Eros Margaret D. Kamitsuka, 2010-01-19 The topic of sexuality intersects directly with the most contested historical theological and ethical questions of our day In this edgy yet profound volume noted scholars and theologians assay the Christian tradition s classic and contemporary understandings of sex sexuality and sexual identity The project unfolds in three phases contemporary assessments of the Christian tradition new thinking about eros and being human religiously and new perspectives on classic mysteries in light of eros and embodiment The George H. Thompson Collection of Henry Louis Mencken, 2009 Catalog of the George H Thompson Collection of Henry Louis Mencken at the Sheridan Libraries of the Johns Hopkins University

Plotinus the Master and the Apotheosis of Imperial Platonism William H. F. Altman, 2024-01-29 Unlike other recent studies Plotinus the Master and the Apotheosis of Imperial Platonism is critical of Plotinus and in particular of his version of Platonism here described as Imperial It is in contrast with Plato a teacher whose dialogues challenge his students to think for themselves that William H F Altman presents Plotinus as a master who uses a seductive form of rhetoric throughout the Enneads to persuade his disciples to ignore his self contradictions and decontextualized quotations from Plato while instead regarding his spiritual experiences combined with a gift for the creative synthesis of previous thinkers as the principal basis of their faithful and uncritical allegiance While setting Plotinus in the context of the Roman Empire and his own critique of the Gnostics this book grapples throughout with his current and virtually uncritical reception *Union List of Serials of the California State University* California State University, 1991

The 1961-1970: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1997 Back in print after more than fifteen years this American Film Institute Catalog covers the decade of the sixties This was the era in which films began to challenge the taboos on sex and violence and treated social issues in a new light Included in this volume are The Wild Bunch Bonnie and Clyde Guess Who s Coming to Dinner and Who s Afraid of Virginia Woolf The decade also produced such all time classics as The Sound of Music To Kill a Mockingbird and The Graduate

The British Library General Catalogue of Printed Books to 1975 British Library, 1984 **Art, Space and the City** Malcolm Miles, 2005-08-16 This book examines public art outside the normal confines of art criticism and places it within broader contexts of public space and gender by exploring both the aesthetic and political aspects of the medium **General Catalogue of Printed Books** British Museum. Dept. of Printed Books, 1968
