Different Loving William Brame, Gloria Brame, Jon Jacobs, 1996-01-13 A detailed eye opening account of the real sexual underground in America a thorough and serious study Playboy From Different Loving In order to understand unusual sexualities such as dominance and submission one first has to consider the question What is normal If the unique function of sex is reproductive and the only reason men and women should engage in sex is for the purpose of creating a new life then only heterosexual intercourse is normal By this standard many common acts even contraception must be considered aberrant Reproductive relevance was the Victorian standard of normalcy and even today many of the laws in the United States still abide by that model But people have always pursued sex for both reproduction and for pleasure and well being We start from the premise that sex for pleasure is a normal human drive and is acceptable when it brings pleasure to both partners From this perspective D S is simply a different kind of loving We hope to add to the greater body of

knowledge about what people really do behind closed doors with the people they most love and trust Perhaps Different Loving will help open the door for further research into the mystery beauty and complexity of human life and its diverse expressions Praise for Different Loving The definitive guide to the sexual styles of those who walk on the wild side Kirkus Reviews As a window on largely unexplored territory Different Loving is a breakthrough in the dialogue on human sexuality and a significant work of popular sociology South Bend Tribune A comprehensive primer on loving with leather and romance by riding crop Michael Musto New York Daily News *Secret Fantasy* Cheryl Holt, 2007-03-06 Orphaned at a young age and sent to live with selfish relatives Margaret Gray has no dowry and no chance of ever marrying When her aunt invites Jordan Prescott for a visit hoping to entice him into offering for Margaret's spoiled cousin the dashing war hero instead tempts Margaret into a truly decadent decision If Margaret cannot have a husband perhaps she dares just once to taste the pleasures of the flesh Now that she's awakened to her own desires and sensations she is drawn body and soul into a rapturous clandestine liaison Since his dissolute father squandered the family fortune Jordan is required to marry an heiress in order to provide for his half siblings Yet no woman has ever aroused him as much as Margaret Her sedate exterior belies a bold curious spirit and tantalizing sexuality A single illicit tryst becomes a month long journey in carnal abandon but with Jordan's visit drawing to a close can their passion survive the dangerous scheming that threatens to keep them apart
