# **Erotic Word Sexuality Spirituality And The Bible**

**Jonathan Homrighausen**

## **Erotic Word Sexuality Spirituality And The Bible:**

**The Erotic Word** David M. Carr, 2005-02-24 Historically the Bible has been used to drive a wedge between the spirit and the body In this book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped

**The Erotic Word** David McLain Carr, 2003 Historically the Bible has been used to drive a wedge between the spirit and the body In this provocative book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped As a result the journey toward God and the life long engagement with our own sexual embodiment are inseparable Humans the Bible tells us both male and female were created in God's image and eros a fundamental longing for connection that finds abstract good in the pleasure we derive from the stimulation of the senses is a central component of that image The Bible particularly the Hebrew Bible affirms erotic passion both eros between humans and eros between God and humans In a sweeping examination of the sexual rules of the Bible Carr asserts that Biblical family values are a far cry from anything promoted as such in contemporary politics He concludes that passionate love our preoccupation therewith and pursuit thereof is the primary human vocation that eros is in fact the flavoring of life

*The Erotic Word* David McLain Carr, 2023 Historically the Bible has been used to drive a wedge between the spirit and the body In this book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped

*Womanist Interpretations of the Bible* Gay L. Byron, Vanessa Lovelace, 2016-11-04 Expand the discourse and open the spheres of engagement to include new voices of scholars and bold innovative interpretive approaches This edited volume brings together cross generational and cross cultural readings of the Bible and other sacred sources by including scholars from the Caribbean India and Africa who have not traditionally fit into the narrow U S African American paradigm for understanding womanist biblical interpretation The volume engages the reader in a wide range of interdisciplinary methods and perspectives such as gender and feminist criticism social scientific methods post colonial and psychoanalytical theory that emphasize the inherently intersectional dynamics of race ethnicity and class at work in womanist thought and analysis Features Topics include the Black Lives Matter movement domestic violence and AIDS while at the same time uncovering the roles of children women and other marginalized persons in biblical narratives Coverage of Hebrew Bible and New Testament texts as well as Ifa spiritual narratives Hindu scripture and Ethiopic texts Responses from four respected womanist and feminist critics Katherine Doob Sakenfeld Emilie Townes Layli Phillips Maparyan and Sarojini Nadar

Authentic Human Sexuality Judith K. Balswick, Jack O. Balswick, 2008-06-10 Jack and Judith Balswick investigate how human sexuality originates both biologically and socially lay groundwork for a normative Christian interpretation of sexuality show how authentic sexuality is necessarily grounded in relationships and explore forms of inauthentic sexuality such as sexual harassment pornography and rape

Embodiment

and the New Shape of Black Theological Thought Anthony B. Pinn, 2010-06-01 Black theology tends to be a theology about no body Though one might assume that black and womanist theology have already given significant attention to the nature and meaning of black bodies as a theological issue this inquiry has primarily taken the form of a focus on issues relating to liberation treating the body in abstract terms rather than focusing on the experiencing of a material fleshy reality By focusing on the body as a physical entity and not just a metaphorical one Pinn offers a new approach to theological thinking about race gender and sexuality According to Pinn the body is of profound theological importance In this first text on black theology to take embodiment as its starting point and its goal Pinn interrogates the traditional source materials for black theology such as spirituals and slave narratives seeking to link them to materials such as photography that highlight the theological importance of the body Employing a multidisciplinary approach spanning from the sociology of the body and philosophy to anthropology and art history Embodiment and the New Shape of Black Theological Thought pushes black theology to the next level

**Planting Letters and Weaving Lines** Jonathan Homrighausen, 2022-11-17 The illuminations of The Saint John s Bible have delighted many with their imaginative takes on Scripture But many struggle to appreciate the calligraphy more deeply than merely noting its beauty Does calligraphy mean something How is it beautiful This book written by a biblical scholar who has spent years working with this Bible shows how calligraphic art powerfully interplays visual form textual content and creative process Homrighausen proposes five lenses for this art form gardens weaving pilgrimage touching and enfleshing words Each of these lenses springs from the poetry of the Song of Songs its illuminations in The Saint John s Bible and medieval ways of understanding the scribe s craft While these metaphors for calligraphic art draw from this particular illuminated Bible this book is aimed at all lovers of calligraphy art and sacred text

*The Banishment of Beverland* Karen Eline Hollewand, 2019-03-19 In 1679 Hadriaan Beverland 1650 1716 was banished from the province of Holland Why was this humanist scholar exiled from one of the most tolerant parts of Europe in the seventeenth century To answer this question this book places Beverland s writings on sex sin and scholarship in their historical context for the first time Beverland argued that sexual lust was the original sin and highlighted the importance of sex in human nature ancient history and his own society His audacious works hit a raw nerve Dutch theologians accused him of atheism he was abandoned by his humanist colleagues and he was banished by the University of Leiden By positioning Beverland s extraordinary scholarship in the context of the seventeenth century Dutch Republic this book examines how his radical studies challenged the intellectual ecclesiastical and political elite providing a fresh perspective upon the Dutch Republic in the last decades of its Golden Age

Ascetic Practices in Japanese Religion Tullio Federico Lobetti, 2013-09-11 Ascetic practices are a common feature of religion in Japan practiced by different religious traditions This book looks at these ascetic practices in an inter sectarian and inter doctrinal fashion in order to highlight the underlying themes common to all forms of asceticism It does so by employing a multidisciplinary methodology which integrates participant fieldwork the author himself

engaged extensively in ascetic practices with a hermeneutical interpretation of the body as the primary locus of transmission of the ascetic embodied tradition By unlocking this bodily data the book unveils the human body as the main tool and text of ascetic practice This book includes discussion of the many extraordinary rituals practiced by Japanese ascetics **Song of Songs** Adele Berlin,2025-01-07 Berlin approaches the Song of Songs as a Jewish Hellenistic work of love poetry She notes Greek ideas throughout the book and shows how they have been adjusted into Jewish thought and literary forms Going beyond previous studies this volume emphasizes that the Song s blending of the Jewish and the Greek is part of its literary virtuosity **Liturgical Liaisons** Jamey Heit,2017-08-31 When Jesus offers his body as a promise to his disciples he initiates a liturgical framework that is driven by irony and betrayal Through these deconstructive elements however the promise invites the disciples into an intimate space where they anticipate the fulfilment of what is to come The Last Supper symbol of unfinished life and sacrifice becomes the common thread between John Donne and Emily Dickinson whose poetics acquire liturgical and therefore eschatological features and body and text become the same By tracing the displacing and yet co ordinating theme of the body as a textual presence Liturgical Liaisons opens into new readings of Donne and Dickinson in a way that enriches how these figures are understood as poets The result is a risky and rewarding understanding of how these two gurus challenged accepted theological norms of their day *The Art of Biblical Interpretation* Heidi J. Hornik,Ian Boxall,Bobbi Dykema,2021-08-24 A richly illustrated collection of essays on visual biblical interpretation For centuries Christians have engaged their sacred texts as much through the visual as through the written word Yet until recent decades the academic disciplines of biblical studies and art history largely worked independently This volume bridges that gap with the interdisciplinary work of biblical scholars and art historians Focusing on the visualization of biblical characters from both the Old and New Testaments essays illustrate the potential of such collaboration for a deeper understanding of the Bible and its visual reception Contributions from Ian Boxall James Clifton David B Gowler Jonathan Homrighausen Heidi J Hornik Jeff Jay Christine E Joynes Yohana A Junker Meredith Munson and Ela Nu u foreground diverse cultural contexts and chronological periods for scholars and students of the Bible and art *The Old Testament* Steven L. McKenzie,John Kaltner,2007-11-01 In a straightforward and understandable style without distortion or oversimplification Steven L McKenzie and John Kaltner introduce readers to the content of the Old Testament and to critical methods developed to read it Utilizing the finest modern scholarship the authors detail the role of editors in shaping the Old Testament examine the historical and literary contexts in which it grew and discuss important interpretive issues in each book Each chapter introduces the biblical book at hand through the lenses of content growth context and interpretation and the text moves through the Bible in the order of the Jewish canonical units Torah Former Prophets Latter Prophets and Writings **The Old Testament** John Kaltner,Steven Linn McKenzie,2014-09-08 Designed for readers who have no familiarity with the Old Testament or Hebrew Bible this introduction provides a complete overview of its development and its continuing interpretation Each chapter

follows the same four part format Content summarizes the biblical book being treated Growth explains the process behind the book s composition according to the most up to date scholarship Context describes the historical literary and social settings that were at work in the book s production and Interpretation explores the various ways in which the book has been and continues to be understood in scholarly and religious communities The Old Testament Its Background Growth and Content is an ideal classroom resource because even though it presents the biblical books in their canonical order it can be read in any sequence to meet the needs and aims of a given course

*Religious Boundaries for Sex, Gender, and Corporeality* Alexandra Cuffel, Ana Echevarria, Georgios T. Halkias, 2018-10-09 The ambiguity concerning the interpretation of the physical body in religious thought is not peculiar to any given religion but is discernible in the scriptures practices and disciplines in most of the world s major religious traditions This book seeks to address the nuances of difference within and between religious traditions in the treatment and understanding of what constitutes the body as a carrier of religious meaning and or vindication of doctrine Bringing together an international team of contributors from different disciplines this collection addresses the intersection of religion gender corporeality and or sexuality in various Western and Eastern cultures The book analyses instances when religious meaning is attributed to the human body s physicality and its mechanics in contrast to imagined or metaphorical bodies In other cases it is shown that the body may function either as a vehicle or a hindrance for mystical knowledge The chapters are arranged chronologically and across religious orientations to offer a differentiated view on the body from a global perspective This collection is an exciting exploration of religion and the human body As such it will be of great interest to scholars in religious studies theology Islamic studies South Asian studies history of religions and gender studies

**Sex, Christ, and Embodied Cognition** Robert H. von Thaden Jr., 2017-06-13 A sociorhetorical analysis of First Corinthians Robert H von Thaden Jr s sociorhetorical analysis examines Paul s construction of sexual Christian bodies in First Corinthians by utilizing new insights from conceptual integration blending theory about the embodied processes of meaning making Paul s teaching about proper sexual behavior in this letter is best viewed as an example of early Christian wisdom discourse This discourse draws upon apocalyptic and priestly cognitive frames to increase the rhetorical force of the argument Reading Paul s argument through the lens of rhetorical invention von Thaden demonstrates that Paul first attempts to show the Corinthians why sexual immorality is the worst of all bodily sins before shifting rhetorical focus to explain to them how they can best avoid this infraction against the body of Christ Features A programmatic application of conceptual integration theory using a sociorhetorical mode of interpretation A vivid account of key aspects of conceptual integration theory and how they function in sociorhetorical interpretation A detailed application of these strategies to interpret 1 Corinthians 1 4 6 12 7 7

**The Theology of Food** Angel F. Méndez-Montoya, 2012-04-23 The links between religion and food have been known for centuries and yet we rarely examine or understand the nature of the relationship between food and spirituality or food and sin Drawing on literature politics and philosophy as well as

theology this book unlocks the role food has played within religious tradition A fascinating book tracing the centuries old links between theology and food showing religion in a new and intriguing light Draws on examples from different religions the significance of the apple in the Christian Bible and the eating of bread as the body of Christ the eating and fasting around Ramadan for Muslims and how the dietary laws of Judaism are designed to create an awareness of living in the time and space of the Torah Explores ideas from the fields of literature politics and philosophy as well as theology Takes seriously the idea that food matters and that the many aspects of eating table fellowship culinary traditions the aesthetic ethical and political dimensions of food are important and complex and throw light on both religion and our relationship to food     The Song of Songs Edwin M. Good,2015-04-03 In this mature work of scholarship Edwin Good brings his capable talents to translating interpreting and commenting on the rich work of the Song of Songs Known as one of the earliest biblical exegetes to have opened the door to sophisticated literary criticism he brings this decades long praxis to opening the great poem s depth The volume is concluded by an Afterword by Anita Sullivan the author s wife who is a poet and translator Her reflections on the Song s character and importance as poetry provide another dimension to the discussion     O Jonathan Margolis,2005-09 Orgasm is one of society s most compelling shaping forces and most of us probably think that we are living in its golden age But are we The history of the orgasm is as elusive as orgasm itself can be for sex rarely makes the historical record Now acclaimed British journalist Jonathan Margolis delivers the definitive history of the human orgasm of sex for pleasure as well as conception from prehistory to Viagra Most people manage just twelve minutes of orgasmic bliss per year Some never experience it at all Yet the urge for orgasm rules much of human life across national and cultural boundaries How much have we learned about female pleasure since the 1558 discovery of the clitoris How has the drive for pleasure and the fear of it shaped various societies from Saint Francis of Assisi and the thorn bush to primitive tribes who embraced maximum pleasure for both sexes How much does the sensation of orgasm differ for different people Drawing on the biology literature anthropology psychology and technology Jonathan Margolis delivers the final word on both male and female orgasm in an enlightening history that is a pleasure to read     **Song of Songs** Richard S. Hess,2005-04 This verse by verse commentary offers a fresh reading of an intriguing book of the Old Testament
