*Erotic Tales of Old Russia*, 1980      **Erotic tales of old Russia**, 1980      *Erotic tales of old Russia*, 1980      **Russkie zavetnye skazki [russ. u. engl.]** **Erotic tales of old Russia** Aleksandr N. Afanas'ev, Jurij Perkov, 1980      *Women in Nineteenth-Century Russia* Wendy Rosslyn, Alessandra Tosi, 2012 This collection of essays examines the lives of women across Russia from wealthy noblewomen in St Petersburg to desperately poor peasants in Siberia discussing their interaction with the Church and the law and their rich contribution to music art literature and theatre It shows how women struggled for greater autonomy and both individually and collectively developed a dynamic presence in Russia s culture and society Publisher s description      *Rus - Ukraine - Russia* Martin C. Putna, 2021-06-01 An outspoken opponent of pro Russian authoritarian and far right streams in contemporary Czech society Martin C Putna received a great deal of media attention when he ironically dedicated the Czech edition of *Russ Ukraine Russia* to Milo Zeman the pro Russian president of the Czech Republic This sense of irony combined with an extraordinary breadth of scholarly knowledge infuses Putna s book Examining key points in Russian cultural and spiritual history *Russ Ukraine Russia* is essential reading for those wishing to understand the current state of Russia and Ukraine the so called heir to an alternative Russia Putna uses literary and artistic works to offer a rich analysis of Russia as a cultural and religious phenomenon tracing its development from the arrival of the Greeks in prehistoric Crimea to its invasion by little green men in 2014 explaining the cultural importance in Russ of the Vikings as well as Pussy Riot exploring central Russian figures from St Vladimir the Great to Vladimir Putin Unique in its postcolonial perspective this is not merely a history of Russia or of Russian religion This book presents Russia as a complex mesh of national religious and cultural especially countercultural traditions with strong German Mongol Jewish Catholic Polish and Lithuanian influences a force responsible for creating what we identify as Eastern Europe      **Sex and Society in the World of the Orthodox Slavs 900-1700** Eve Levin, 2018-09-05 In this pioneering book Eve Levin explores sexual behavior among the peoples of Serbia Bulgaria and Russia from their conversion to Christianity in the ninth and tenth centuries until the end of the seventeenth century By ranging across all these societies Levin is able to fulfill three basic aims to delineate the general character of sexuality among the Orthodox Slavs to enrich that account by drawing our attention to regional variations in the sexual mores of these peoples and to draw suggestive comparisons between the world of the medieval Orthodox Slavs and their contemporaries in the Latin West Levin begins with a study of the ecclesiastical image of sexuality as expressed in didactic and literary texts showing that the Orthodox Church was deeply suspicious of sexuality Her second chapter on canon law and marriage examines the conditions for marriage divorce and remarriage the obligation of the conjugal relationship and the impact of these rules on social order Levin looks at church regulations concerning sexual relations among relatives by blood marriage spiritual kinship and adoption in Chapter Three and she devotes Chapter Four to prohibited sexual practices both inside and outside of marriage In the fifth chapter she studies Russian and South Slavic

responses to rape and demonstrates that these societies simultaneously censured violence against women and sanctioned the attitudes and social structures that justified it Chapter Six deals with the rules on sexual conduct for the clergy whose job it was to enforce sexual precepts Throughout her work Levin argues that despite its conviction that sexual expression was diabolical the medieval Orthodox Church approached sexual matters in a surprisingly practical way its official sexual ethic corresponded to a great degree with popular views Historians of the Slavic world both medieval and modern will welcome this accessible study It should also attract comparativists who work in such fields as church history the history of women and the family and the history of sexuality
