Erotic Tongue:

Archive of Tongues Moon Charania,2023-06-30 In Archive of Tongues Moon Charania explores feminine dispossession and the brown diaspora through a reflection on the life of her mother Drawing on her mother s memories and stories of migration violence sexuality queerness domesticity and the intimate economies of everyday life Charania conceptualizes her mother s tongue as an object of theory and an archive of brown intimate life By presenting a mode of storytelling that is sensual and melancholic piercing and sharp Charania recovers otherwise silenced modes of brown mothers survival disobedience and meaning making that are often only lived out in invisible intimate spaces and too often disappear into them In narrating her mother s tongue as both metaphor for and material reservoir of other ways of knowing Charania gestures to the afflictions limits and failures of feminist queer and postcolonial scholarly interrogations and the consequences of closing the archive of the brown mother

Erotics of Deconstruction Lynn Turner,2024-11-30 Erotics of Deconstruction takes advantage of over a decade of publications from Derrida s seminars to creatively demonstrate the deep material range of deconstruction and emphasise its under recognised erotic nature It activates psychoanalysis without the long embedded philosophical trajectory that forged the human psychic life and sexuality as categorically distinct from the animal inherent to dialectics and psychoanalysis It generates new conversations with Derrida s feminist contemporaries as they encounter pressing questions in current critical thought From the larger frame of life death and the broadest auto affective relation of inside to outside to the difficult to grasp interface of conceptual and sensible Erotics of Deconstruction does not retreat to a reparative life force or erotics of the good but includes the unsettling friction of an originary relation to violence Parsed by means of case studies from literature philosophy and visual culture erotics in this volume lap at every edge
