Erotica 20th century Michael Konze, *Erotica 20th Century* Gilles Néret, 2001 **Erotica 20th century. Ediz. inglese, francese e tedesca** Gilles Néret, 2001 **Erotica** Gilles Néret, 2001 **1000 Erotic Works of Genius** Hans-Jürgen Döpp, Joe A. Thomas, Victoria Charles, 2014-11-24 Different eras and civilisations have treated erotic images with varying acceptance and different concepts of erotica and these tendencies are reflected within the works themselves From ancient statues devoted to fertility to Renaissance engravings designed to encourage procreation within marriage erotic art has always held an important place in society Here for the first time 1 000 authentic images of erotic art have been brought together spanning the centuries and civilisations to demonstrate the evolution of the genre In an era such as ours when eroticism is abundant in advertising and the media this book gives a refreshing insight into the background of erotic imagery highlighting the artistic value of beautiful works of eroticism executed with skill **Rodin and Eroticism** Aline Magnien, 2016 **Twentieth Century Masters of Erotic Art** Bradley Smith, 1980 Illustrates how modern painters convey human sexuality through fantasy romance symbolism and super realism *Auguste Rodin* Auguste Rodin, Anne-Marie Bonnet, 1995 **Auguste Rodin**, 2001 **Rodin** Auguste Rodin, Jacques De Caso, 1992 This classic exploration of erotic themes in Rodin's sculptures and drawings offers stunning visual and textual insight into the artist's work and ideas More than 350 superbly reproduced images of selected sculptures and late drawings by Rodin document his obsession with sexuality revealing the countless ways he depicted the subject as a threat and challenge but also as the source of all creative inspiration and passion Augmenting these illustrations ten essays by leading scholars explore the ramifications of Eros in Rodin's work including such topics as the nature of the fragment Rodin's relationship to the model his religiosity and his influence on his contemporaries as well as on future artists In word and image this volume deepens our understanding of the nineteenth century's premier sculptor *Auguste Rodin* Auguste Rodin, Eckhard Hollmann, 2006 Part of the Erotic Sketchbook series this is a collection of over thirty of the Rodin's intimate colour sketches *Twentieth-century Erotic Art* Gilles Néret, 1998 **Auguste Rodin** Auguste Rodin, 1995 The drawings and cutouts reproduced in this volume including the notorious Weimar drawings are brought together here for the first time from museums and private collections all over the world previous publications have only included those held by the Musée Rodin in Paris Anne Marie Bonnet describes in her introductory essay the conditions in which these intimate masterpieces were created and finds in them surprising affinities with the work of twentieth century avant garde artists notably Duchamp and Yves Klein With 107 colour illustrations *Erotic Art of the Masters* Bradley Smith, 1981-06-01 *Erotic Art of the Masters* Bradley Smith, 1974 *Auguste Rodin* Auguste Rodin, 2005 *Rodin and Eros* Pascal Bonafoux, 2013-04-16 Rodin's erotic depictions of women in drawings sculptures plasters bronzes and marbles The theme of the erotic is ever present in the work of August Rodin both in his sculptures and in his many drawings Throughout his career he depicted sexual desire in all its facets in every mood

from delicate innocence to frank intensity bearing witness to an endless fascination with the flesh and a love of the female form Taking a chronological path through Rodin s career this is an intimate approach to the many faces of sex and sensuality in his body of work and in the society within which his art was forged from mythological portrayals of passion to the context of contemporary erotic literature The topics featured include his relationships with women his friendships with poets and artists and the controversy that his sculptures caused in the late nineteenth and early twentieth centuries when French society was marked by a hypocritical disparity between public morals and private desires In a 1916 interview Rodin spoke out against his critics They protest against the immorality of my work they criticize me for loving women But they are incapable of understanding what I do This witty and insightful book packed with beautiful images will shed new light on this intriguing aspect of the artist s world and his skill at capturing the fleeting nature of pleasure in timeless art
