Perry Miller

Errand In The Wilderness:

Errand in the Wilderness James Street, 2005-02 **Errand Into the Wilderness** Perry Miller, 1984 Exile and Kingdom Avihu Zakai, 2002-08-22 This book explores the ideological origins of the Puritan migration to and experience in America *Errand Into the Wilderness* Perry Miller, 1953 **Errand Into the Wilderness** Perry Miller, 1966 The Wall and the Garden A. W. Plumstead, 1991 **A Brief Recognition of New Englands Errand in the Wilderness**, 1671

Errand Into the Wilderness Diana Pharaoh Francis, 1992 The Shape and Shaping of the College and University in America Stephen J. Nelson, 2016-03-01 This book presents the issues controversies and key players that formed and enabled the American college and university to endure as a critical institution of the nation and society Nelson examines contested issues and concerns in the academy such as the role and position of religion the place and value of the liberal arts the threat of disunity and balkanization the ideological contentions and fights for control the effect of politics and ideologies on its future as an institution its role as a critic and servant of society and its promotion of academic freedom free speech and liberty This overview combined with Nelson's examination of the historical dramas influential political forces and stories of key personalities provides a nuanced understanding of the evolution of the academy that scholars of Education American History and Philosophy will appreciate **The Errant Art of Moby-Dick** William V. Spanos, 1995 In *The Errant Art of Moby Dick* one of America's most distinguished critics reexamines Melville's monumental novel and turns the occasion into a meditation on the history and implications of canon formation In *Moby Dick* a work virtually ignored and discredited at the time of its publication William V. Spanos uncovers a text remarkably suited as a foundation for a New Americanist critique of the ideology based on Puritan origins that was codified in the canon established by Old Americanist critics from F. O. Matthiessen to Lionel Trilling But Spanos also shows with the novel still as his focus the limitations of this New Americanist discourse and its failure to escape the totalizing imperial perspective it finds in its predecessor Combining Heideggerian ontology with a sociopolitical perspective derived primarily from Foucault the reading of *Moby Dick* that forms the center of this book demonstrates that the traditional identification of Melville's novel as a romance renders it complicitous in the discourse of the Cold War At the same time Spanos shows how New Americanist criticism overlooks the degree to which *Moby Dick* anticipates not only America's self representation as the savior of the world against communism but also the emergent postmodern and anti imperial discourse deployed against such an image Spanos's critique reveals the extraordinary relevance of Melville's novel as a post Cold War text foreshadowing not only the self destructive end of the historical formation of the American cultural identity in the genocidal assault on Vietnam but also the reactionary labeling of the current era as the end of history This provocative and challenging study presents not only a new view of the development of literary history in the United States but a devastating critique of the genealogy of ideology in the American cultural establishment **To Live Ancient Lives** Theodore Dwight Bozeman, 2014-01-01 *To Live Ancient Lives* signals a sharp

redirection of Puritan studies It provides the first comprehensive study of Puritan primitivism defined as the drive to recover and return to church and society the ordinances of biblical times This work traces a campaign to purify English Christianity of postapostolic accretions from the Henrician Reformation to the Great Migration of 1630 and through the first five decades in New England Taking their bearings from a special past Puritans were not concerned with the future in a modern sense The Great Migration was not intended as an errand to reform the world or inaugurate the millennium but as a flight to a free world in which long lost biblical rules and ways could be reinstituted Drawing on hundreds of sermons and tracts Bozeman demonstrates how the search for the long lost helps to identify Puritanism as a discrete order within Protestant dissent and he locates that movement within the larger spectrum of restorationist Christian movements and of Western mythology Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Errand Into the Wilderness Michael Novak, 1989 **Suggestions for Instructors to Accompany the American Scene** Norman L. Rosenberg, 1971 *The Land Without Promise* Katerina Koci, 2021-07-29 Katerina Koci charts the development of the promised land motif starting from its biblical roots and examining its reception over the centuries until the present day As her cornerstone Koci uses Hans Georg Gadamer's claim that there are two complementary paths towards understanding and knowledge science and art Thus to be faithful to the creed of the great hermeneutist Koci ventures into both topics arguing that while science sets out historical critical analysis of the promised land motif in the Hebrew Bible and its later receptions art enriches the interpretation with its literary illustrations This volume places particular focus on American contexts since the concept of the promised land is so deeply intertwined with American religious political mythologies and with the art of John Steinbeck and Walter Brueggemann in particular By discussing artistic interpretation in biblical hermeneutics the context and reception of Genesis 15 7 and Exodus 3 8 in the Hebrew Bible and New Testament and the history of the promised land motif and its interpretations Koci argues that artistic receptions of biblical motifs are crucial for biblical scholarship in opening new hermeneutical and thematic horizons

Imagining New England Joseph A. Conforti, 2003-01-14 Say New England and you likely conjure up an image in the mind of your listener the snowy woods or stone wall of a Robert Frost poem perhaps or that quintessential icon of the region the idyllic white village Such images remind us that as Joseph Conforti notes a region is not just a territory on the ground It is also a place in the imagination This ambitious work investigates New England as a cultural invention tracing the region's changing identity across more than three centuries Incorporating insights from history literature art material culture and geography it shows how succeeding generations of New Englanders created and broadcast a powerful collective identity for their region through narratives about its past Whether these stories were told in the writings of Frost or Harriet Beecher Stowe enacted in

historical pageants or at colonial revival museums or conveyed in the pages of a geography textbook or Yankee magazine New Englanders used them to sustain their identity revising them as needed to respond to the shifting regional landscape

Early Modern Ecostudies I. Kamps, K. Raber, 2016-04-29 The essays in this volume interrogate the unique and often problematic relationship between early modern cultural studies and ecocriticism providing theoretical insights and models for a future practice that successfully wed the two disciplines *American Poetry and the First World War* Tim

Dayton, 2018-05-31 Connects American poetry to the emergence of the United States as the leading global economic and political power *Not Born Digital* Daniel Morris, 2016-07-14 Not Born Digital addresses from multiple perspectives ethical

historical psychological conceptual aesthetic the vexing problems and sublime potential of disseminating lyrics the ancient form of transmission and preservation of the human voice in an environment in which e poetry and digitalized poetics pose a crisis understood as opportunity and threat to traditional page poetry The premise of Not Born Digital is that the innovative contemporary poets studied in this book engage obscure and discarded but nonetheless historically resonant materials to unsettle what Charles Bernstein a leading innovative contemporary U S poet and critic of official verse culture refers to as frame lock and tone jam While other scholars have begun to analyze poetry that appears in new media contexts Not Born Digital concerns the ambivalent ways page poets rather than electronica based poets have grappled with screen memory that is electronic and new media sources through the re purposing of found materials **American Exceptionalism** Hilde

Eliassen Restad, 2014-12-17 How does American exceptionalism shape American foreign policy Conventional wisdom states that American exceptionalism comes in two variations the exemplary version and the missionary version Being exceptional experts in U S foreign policy argue means that you either withdraw from the world like an isolated but inspiring city upon a hill or that you are called upon to actively lead the rest of the world to a better future In her book Hilde Eliassen Restad challenges this assumption arguing that U S history has displayed a remarkably constant foreign policy tradition which she labels unilateral internationalism The United States Restad argues has not vacillated between an exemplary and a missionary identity Instead the United States developed an exceptionalist identity that while idealizing the United States as an exemplary city upon a hill more often than not errs on the side of the missionary crusade in its foreign policy Utilizing the latest historiography in the study of U S foreign relations the book updates political science scholarship and sheds new light on the role American exceptionalism has played and continues to play in shaping America's role in the world This work will be of great interest to students and scholars of US foreign policy security studies and American politics *John Eliot's*

Puritan Ministry to New England "Indians" Do Hoon Kim, 2021-12-10 John Eliot 1604-90 has been called the apostle to the Indians This book looks at Eliot not from the perspective of modern Protestant mission studies the approach mainly adopted by previous research but in the historical and theological context of seventeenth century puritanism Drawing on recent research on migration to New England the book argues that Eliot like many other migrants went to New England primarily in

search of a safe haven to practice pure reformed Christianity not to convert Indians Eliot's Indian ministry started from a fundamental concern for the conversion of the unconverted which he derived from his experience of the puritan movement in England Consequently for Eliot the notion of New England Indian mission was essentially conversion oriented Word centered and pastorally focused and in common with the broader aims of New England churches pursued a pure reformed Christianity Eliot hoped to achieve this through the establishment of Praying Towns organized on a biblical model where preaching pastoral care and the practice of piety could lead to conversion leading to the formation of Indian churches composed of sincere converts

This is likewise one of the factors by obtaining the soft documents of this **Errand In The Wilderness** by online. You might not require more period to spend to go to the books commencement as without difficulty as search for them. In some cases, you likewise realize not discover the statement Errand In The Wilderness that you are looking for. It will definitely squander the time.

However below, later than you visit this web page, it will be in view of that no question simple to acquire as competently as download guide Errand In The Wilderness

It will not take on many grow old as we explain before. You can accomplish it even if piece of legislation something else at house and even in your workplace. suitably easy! So, are you question? Just exercise just what we provide below as skillfully as review **Errand In The Wilderness** what you once to read!
