Errors of the Prosperity Gospel Casey Treat,1992-01-01 **Prosperity Or Greed?** Ewin James,2009-08 God s Word on Greed And Contentment For The Christian You are told that it is God s will for you to be rich But what does God really say What does the Bible teach about prosperity as it is preached today Prosperity Or Greed examines the Scriptures from Genesis to Revelation to show the dangers of greed and how to avoid them For conferences and speaking engagements email eroyjames@aol.com or call 407 767 8619 407 431 7455 **The Chaos of the Prosperity Gospel** John Ntui-Abung,2017-02-17

Over the years John Ntui has written so many articles on Christian apologetics and defense from false teachers On his journey he became increasingly aware that Christianity is being ravaged by the prosperity gospels so John decided as a theologian and pastor to confront the heresy of his age where Christianity is being reduced by a group of sophist to a mere meal ticket He then decided to write in order to correct the influence of a defective Christianity in the minds of those who truly desire to know God Join Pastor John on a ride to uncover the tricks of these false prophets who are ravaging the Gospel for their own gain and taking the lead of spreading the gospel from Africa to ends of the earth Americans in their quest for a flamboyant lifestyle invented the prosperity gospels and Nigerians consumed by their lust are spreading it to the ends of the earth John Ntui Abung **The Worldview of the Word of Faith Movement: Eden Redeemed** Mikael

Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism *Rediscovering Jesus in Our Places* Elia Shabani Mligo,2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no

permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches Summary of Gregg R. Allison's 50 Core Truths of the Christian Faith Everest Media,2022-07-25T22:59:00Z Please note This is a companion version not the original book

Sample Book Insights 1 The Bible s inspiration is the divine guidance of the writers of Scripture through the movement of God s Spirit It was particularly the Holy Spirit who superintended the authors as they composed their writings 2 The doctrine of the inspiration of Scripture is evident in the Old Testament writings The prophets and apostles who wrote the Bible were influenced by the Holy Spirit but their work was also influenced by human research observation and memory 3 The New Testament was written by the apostles under the supervision of the Holy Spirit who knew completely the things of God The apostles were confident that what they wrote was a truthful and authoritative witness to Jesus and his work 4 The denial of the superintending work of the Holy Spirit This position dismisses all divine action in the writing of Scripture reducing it to a merely human book It refuses to listen to Scripture s own affirmation about itself and it demonstrates a very low view of divine action among human beings

FAITH ADRIFT CHRISTIANITY Cecil W. Stalnaker,2022-07-27 Faith Adrift Christianity is a biblical response to a devastating form of Christianity that has gripped the heart and soul of many Christians and their churches namely that of nominal Christianity This form of Christianity is counterfeit at its best and is one of the greatest challenges facing the church today whether Protestant Catholic or Orthodox It is estimated that an alarming 75% of professing Christians are living lifeless forms of their faith Although so many identify as Christians something is strangely wrong Sadly wavering in the Christian faith is more common than not Millions of professing Christians in America and Europe are adrift spiritually and indifferent to Jesus Christ and his church This deceptive form of Christianity is not only personally detrimental to the Christian but devastating to the life of the local church Being a weak form of Christianity the church loses its saltiness and its light dims It nullifies its penetrating and powerful outreach into society If not countered Christians will continue to drift

toward the sea of nominally having nothing but a token relationship with God For this reason Faith Adrift Christianity is an indispensable guide because it reveals counters and provides answers from a biblical perspective to churches regarding those who profess Christ yet live lapsed Christian lives The uniqueness of Faith Adrift Christianity is its biblical analysis as to why people manifest an aloofness regarding God Yet it does not merely cite the problems and leave the reader adrift for it offers effective means to combat this very troublesome challenge **Laws of the Bible, Litigation Tool #09.001**

Response Theology John T. James PhD, 2022-08-31 Science and Religion should never be in conflict as Dr. James, a Ph.D. scientist and Christian mystic, carefully demonstrates. He employs many personal experiences in the science realm and in the Christian realm to show how the two are wonderfully complementary as long as each remains in their respective places. Science is of the natural world, and as Jesus declared, his kingdom is not of the world; it is a kingdom defined by the Holy Spirit, which he left for us in his absence. The author uses many biblical passages to show that the core message of Christianity is to live a life of love for others despite the personal crosses life may hand you. This, he calls Response Theology. He provides deeper insight into what love means for Christians. In Greek, the word for love in the New Testament is *agape*, unconditional, selfless, sacrificial, and in action love. He takes the reader through a critical and well-reasoned tour of areas in Christianity that need rethinking: Is the Bible inerrant? How can reason be applied to biblical interpretation? Is God really omnipotent? Did God specifically create you? Is God good all the time? How does the Holy Spirit enter your heart? How may we commit our lives to doing God's will? What are the implications of believing that God is *Agape* Love, as the apostle John wrote? These are important areas of Christianity that require attention in a world filled with counterfeit Christianity.

Christian Influence Zachary Sheldon, 2024-07-15 Christian Influence examines how understudied evangelical media celebrities use Instagram to cultivate religious authority and to convey distinctive subcultural narratives about evangelical values and culture today. The book explores the way that discrete kinds of evangelical celebrities—Celebrity Pastors, Women's Ministry Leaders, Christian Media Celebrities, and Secular Media Celebrity Christians—all used Instagram across 2020–2021 to perform specific subcultural narratives to their followers. Detailing these narratives gives unique insights into how the authority of celebrities and the affordances of social media are combining to challenge the strictures of authority within evangelicalism and raises questions about celebrity power in the contemporary shaping and reshaping of evangelical culture. Christian Influence is a useful and timely read for scholars with an interest in evangelicalism specifically or religion and religious studies, media, and cultural studies, sociology of religion, and communication more broadly.
