*Yahweh's Breath Bible, Volume 1* Jerry Ayers, 2010-05 Yahweh's Breath is a unique Bible In original Hebrew language it would be Yahweh's Nshamah meaning Yahweh's puff or breath of divine inspiration It was written in the Literal form of the original languages of Hebrew and Greek and then matched with the New Strong's Exhaustive Concordance of the Bible a thorough verbal index to the Holy Scriptures It's one of a kind format puts the Sacred Name of our Father Creator back into the text where it had been removed nearly 6 000 times by the scribes and translators throughout history An outstanding feature also makes those hard to pronounce Biblical names easy as they were written in the original language of the script with the pronunciation following the name Also the meanings of some of the names follows the pronunciation Using the wording from the Strong's Exhaustive Concordance of the Bible gives His Word a detailed come to life picture in your mind At times you can see the glistening green grass or smell the fragrant smoke of spices If you listen carefully you can hear the vibrating trumpet ram's horns or taste the sticky gummy syrup of honey You might even be able to feel with your finger the scar from the spikes in the hands and feet of the Messiah Another feature of this version of His Word the Bible is that any added text by our Romanized translations that was not in the original text languages has been put back into its original form Above all this version makes reading and understanding His love letter to us about His Son easy and enjoyable      Prayer Journey Bible Elmer Towns, 2011-10-18 Prayer is a relationship with God The Prayer Journey Bible is prepared as a guide to help you know God and be transformed continually to be more like Him Yours is a journey into the spiritual unknown so be prepared to dig compare memorize repent and yes experience God Remember prayer is a relationship with God for a purpose You want to be transformed to be like Jesus As you read the Prayer Journey Bible you will find numbers in brackets i.e. 501 attached to various verses or events or statements about prayer The number will guide you to a principle of prayer for a fuller explanation or if you read these principles of prayer you will be guided to places in Scripture for further reading The notes of the Prayer Journey Bible are prepared to help you pray many different ways with many attitudes using many methods concerning many requests May this Prayer Journey Bible help you touch God but more importantly may God touch you      **God's Land Promise to Israel** A. Boyd Luter, 2025-08-14 God made a promise to Abraham that included not only descendants and a blessing but also physical land So why is there such a history of turmoil over the Jewish homeland In this book Boyd Luter offers a scholarly exploration of the following questions What are the conditions of God's promise to His chosen people Why should Gentile believers be concerned with how Jewish history affects the future What is the deeper meaning of the language structure of Scripture considering its oral origins How does Scripture give witness to God's ongoing commitment to the people of Israel in relationship to the lands of the patriarchs God's promise is an extension of Himself eternal and unchanging and He is faithful to fulfill His divine intent even if we can't see it yet      **The Blessing** Debbi

**In Search of Pre-Exilic Israel** John Day, 2005-04-01 In recent years there has been a tendency among certain scholars to claim that little can be known about pre exilic Israel because the Old Testament was only compiled in the post exilic period for example Philip Davies Thomas Thompson Neils Peter Lemche One scholar Lemche has even claimed that the Old Testament is a Hellenistic work The purpose of this book is to argue that this is an extreme and untenable position and that though much of the Old Testament was indeed edited in the exilic or post exilic period many of the underlying sources used go back to the pre exilic period When critically analyzed these sources can shed much light on the pre exilic period This important work is the product of a team of seventeen international scholars no fewer than five of whom are Fellows of the British Academy None of the chapters has previously been published
