Envy Of The World On Being A Black Man In America:

The Envy of the World Ellis Cose, 2002-02-01 With a compassionate eloquence reminiscent of James Baldwin's Letter to My Nephew Ellis Cose presents a realistic examination of the challenges facing black men in modern America Black men have never had more opportunity for success than today yet as bestselling author Cose puts it We are watching the largest group of black males in history stumbling through life with a ball and chain Add to that the ravages of police brutality murder poverty illiteracy and the widening gap separating the black elite from the underclass and the result is a paralyzing pessimism But even as Cose acknowledges the systemic obstacles that confront black men he refuses to accept them as reasons for giving up instead he rails against the destructive attitude that has made academic achievement a source of shame instead of pride in many black communities and outlines steps black males can take to enhance their odds for success With insightful anecdotes about a broad range of black men from all walks of life Cose delivers a warning of the vast tragedy that is wasted black potential and a call to arms that can enable black men to reclaim their destiny in America

Gender Talk Johnnetta B. Cole, Beverly Guy-Sheftall, 2009-01-16 Why has the African American community remained silent about gender even as race has moved to the forefront of our nation's consciousness In this important new book two of the nation's leading African American intellectuals offer a resounding and far reaching answer to a question that has been ignored for far too long Hard hitting and brilliant in its analysis of culture and sexual politics Gender Talk asserts boldly that gender matters are critical to the Black community in the twenty first century In the Black community rape violence against women and sexual harassment are as much the legacy of slavery as is racism Johnnetta Betsch Cole and Beverly Guy Sheftall argue powerfully that the only way to defeat this legacy is to focus on the intersection of race and gender Gender Talk examines why the race problem has become so male centered and how this has opened a deep divide between Black women and men The authors turn to their own lives offering intimate accounts of their experiences as daughters wives and leaders They examine pivotal moments in African American history when race and gender issues collided with explosive results from the struggle for women's suffrage in the nineteenth century to women's attempts to gain a voice in the Black Baptist movement and on into the 1960s when the Civil Rights movement and the upsurge of Black Power transformed the Black community while sidelining women Along the way they present the testimonies of a large and influential group of Black women and men including bell hooks Faye Wattleton Byllye Avery Cornell West Robin DG Kelley Michael Eric Dyson Marcia Gillispie and Dorothy Height Providing searching analysis into the present Cole and Guy Sheftall uncover the cultural assumptions and attitudes in hip hop and rap in the O J Simpson and Mike Tyson trials in the Million Men and Million Women Marches and in the battle over Clarence Thomas's appointment to the Supreme Court Fearless and eye opening Gender Talk is required reading for anyone concerned with the future of African American women and men
