Ephesians Gods Grace And Guidance In The Church:

Ephesians David E. Schroeder,1998 Walking in Your Anointing Dr. David E. Schroeder,2025-01-31 There is no subject more important to contemporary Christianity than the person and work of the Holy Spirit The old saying is still true Christianity is hopeless without the Holy Spirit Dr David Schroeder masterfully handles the subject in a way that both informs and inspires You will be blessed by this book Jim Cymbala Senior Pastor The Brooklyn Tabernacle Whenever godly leaders point us back to the Holy Spirit the sweet communion of spiritual intimacy along with the peaceful outcome of good teaching cause us to graduate into a more dynamic level of Christian effectiveness As I read Walking in Your Anointing Dr Schroeder s skillful use of the Scriptures broad personal experience and sensitivity towards the psychological dynamics surrounding how human beings change moved me to expect more supernatural activities of the Holy Spirit in my own life and ministry It will have the same impact on you David D Ireland Ph D Senior Pastor of Christ Church Montclair NJ and author of Journey to the Mountain of God **First Corinthians: An Exegetical and Explanatory Commentary** B. Ward

Powers,2009-01-01 In most areas of this Epistle B Ward Powers has come to share the interpretation of Paul s meaning held by the Early Church Fathers although he explains and expounds those views This is particularly the case in relation to chapters 12 through 14 where in keeping with the Early Church Fathers the Reformers most Scripture expositors until recent times and many present day exegetes Powers expounds the interpretation that tongues refers to human languages spoken on earth The one major area where Powers parts company with the Fathers of the first Christian centuries is in relation to matters of sex and marriage divorce and remarriage and attitudes to women generally Here Powers explains that Paul is more affirming of sex marriage and remarriage and women than many early writers and some modern writers have understood him to be We need at times to take considerable care he writes to understand the meaning of what Paul says to the Corinthians and in coming to terms with how this teaching is to apply to us in today s world But when we have arrived at our understanding of these things then there is no question this is the Word of God to us and we must take it very seriously indeed We cannot just dismiss it offhandedly and simply say Well that is just Paul s opinion and we can take it or leave it Not at all Paul has explained clearly that what he writes comes with the inspiration and authority of the Holy Spirit of God

Marcella Reid Figueroa, 2024-08-21 Scripture note 1 C Corinthians 12 12 31 Scripture note 1 C Corinthians 12 12 31 Tension is a term musicians often use to describe the condition of the strings on instruments like the violin the cello the harp or the guitar Musicians know that the tone or pitch produced by the instrument is greatly affected by the tension of the strings carrying the sound The outcome of good tension is good sounding music while bad tension produces sour flat or sharp sounds that are unpleasant to listen to There is good tension and bad tension in church as well One task of effective leadership is to discern good and bad tension within the church The outcome of good tension is success in achieving the goals and objectives of the ministry Bad tension can result in chaos complexity confusion and contradiction Bad tension freezes a ministry in time with no productive movement no common ground no unity and an endless array of activity spiraling into uselessness When each member of the church discovers his/her own God-given abilities to express love for God through the service of humankind the result is not unlike a symphony of diverse instruments chords and sounds all making a joyful sound in peaceful coexistence Bad tension creates a stench in God's nostrils It is the task of every Christian to embark upon a journey of discovery that ends in a God-given ministry niche or place of service God calls every Christian to God's own hands to be broken melted molded filled and used to the glory of God Leaders are part of the solution and not part of the problem How does a vibrant and healthy congregation balance the need for stable leadership with the need for change How do changes within a ministry impact relationship within the church What effect does systemic change have on the entire church body What is the role of leadership in church relations What is a creative tension dynamic Leaders today must learn constructive interventions that interrupt malevolent cycles of destructive behaviors in order to balance the tension between resistance and acceptance in a way that empowers ministry and inspires growth
