**Biblical Counsel**, 1993      **Ephesians** Harold W. Hoehner, 2002-12-01 Harold Hoehner has taught biblical exegesis to thousands of students over the years He now brings that experience to bear on this important work He begins with a helpful introduction to the letter of Ephesians in which he addresses issues of authorship structure and genre historical setting purpose and theology At the end of the introduction the author includes a detailed bibliography for further reading Hoehner then delves into the text of Ephesians verse by verse offering the Greek text English translation and detailed commentary He interacts extensively with the latest scholarship and provides a fair and thorough discussion of every disputed point in the book Pastors students and scholars looking for a comprehensive treatment on Ephesians will be interested in this commentary Hoehner's interaction with the latest scholarship combined with his detailed exegesis will make this new

commentary the only resource they will need to consult      **Helps to the study of the Bible [ed. by J. Ridgway]**. James Ridgway (B.D.), 1876      *Pentecostalism in Context* Wonsuk Ma, Robert P. Menzies, 2008-01-04 Pentecostalism in Context is a collection of essays produced by Pentecostal scholars from North America Europe and Asia The essays produced in their various geographical and cultural contexts reflect the rich diversity that characterizes the Pentecostal movement Biblical theological and missiological issues relevant to the Pentecostal movement are treated The book thus represents a valuable resource for those seeking to understand better the key intellectual currents within this dynamic and influential movement The essays are offered in honor of William Menzies a leading Pentecostal scholar and Chancellor of Asia Pacific Theological Seminary Baguio City Philippines      *The Colossian and Ephesian Haustafeln in Theological Context* James P. Hering, 2007 In

this groundbreaking study James P Hering investigates the theological and ethical motivation that informs the controversial New Testament household codes Haustafeln found in the epistles to the Colossians 3 18 4 1 and Ephesians 5 22 6 9 Within most New Testament scholarship the household code has been regarded as an imported element within its host letter reflecting either pagan or embarrassingly sub-Christian values Is the household code merely a nod to the pragmatic demands of culture or can it be understood as a reflection of the author's theological concerns What can it teach us today Hering provides a unique analysis of these passages revealing the Haustafeln in their historical context and examining their theological roots This book is of vital importance for courses on Christian ethics and New Testament backgrounds      *God's New Humanity* David E. Stevens, 2012-02-08 I pray that all of them may be one Father just as you are in me and I am in you May they be brought to complete unity to let the world know that you sent me Jesus Christ What if What if believers of

multiple ethnicities manifested the diversity in unity for which Jesus prayed. What if largely separate homogeneous congregations which account for nearly 92.5 percent of all churches in the United States increasingly became connected multiethnic congregations? What if at eleven o'clock on Sunday mornings or whenever believers gather to worship, local congregations were comprised of believing whites, African Americans, Koreans, Hispanics, Romanians, Native Americans, as well as the diverse mosaic of other ethnicities represented in our increasingly multicultural society? Would this not say something about the supernatural character of the gospel of reconciliation we proclaim? Jesus believed it would. That is why after praying for such diversity in unity among his followers, Jesus Christ, the Man for all nations, extended his arms and laid down his life to make it happen. This book, *God's New Humanity*, examines the biblical theological vision and motivation for living in response to Jesus' prayer.

*The Poetics of Grace: Christian Ethics as Theodicy* Jeph Holloway, 2013-04-09

What is God doing about a world marked by conflict and division? What about a world in which our technologies promise great good but also threaten our existence? What is God doing in a world where the demands for accumulation and acquisition create division and despair? Can Christians hope to be of positive influence in a world that does not always support, reflect, or even understand Christian commitments? Christian ethics often raises such questions as these, and the possible answers vary widely. Paul's Letter to the Ephesians is a tremendous resource for exploring a faithful response to perhaps the toughest question of all: what is God doing about evil? The role of Christian ethics is to take seriously the challenge that whatever God is doing, God calls us to participate in a distinctive task that embraces our own commitments and labors within the divine purpose. Ephesians says that God has taken the initiative to pursue that purpose and remarkably offers that we ourselves are part of the answer to the question: what is God doing about evil?
