Ephesus The New Guide:

Ephesus Peter Scherrer,2000 Encyclopedia of the Ancient Greek World David Sacks,Oswyn Murray,Lisa R. Brody,2014-05-14 Discusses the people places and events found in over 2 000 years of Greek civilization **Keys to First Corinthians** Jerome Murphy-O'Connor,2009-02-12 Jerome Murphy O Connor s reputation as a recognized expert on the Corinthian correspondence has been built on the original solutions he has offered to perennial problems Brought together for the first time in one volume each of the sixteen articles anthologised here deals with one or more verses in 1 Corinthians that have baffled scholars for generations Throughout the collection the author dialogues with the opinions of colleagues responding to and building on their accurate observations and explaining in detail why certain solutions are viable whilst others are implausible A newly written reception history has been appended to each article to bring the collection completely up to date Although not a commentary on 1 Corinthians this volume deals thoroughly with all the major problems of the most interesting of the Pauline letters Women in the Church (Third Edition) Andreas J. Köstenberger,Thomas R. Schreiner,2016-02-12 The role of women in the church is more hotly debated today than ever Christians on all sides of the issue often turn to the apostle Paul s words in 1 Timothy to justify their position arguing over the meaning and application of this challenging passage Now in its third edition this classic exposition of 1 Timothy 2 9 15 includes contributions by Thomas Schreiner Andreas K stenberger Robert Yarbrough Rosaria Butterfield and others walking readers through the biblical text with careful exegesis sound reasoning and a keen awareness of the implications for men and women in the church Academically rigorous yet pastorally sensitive this book offers Christians a helpful overview of Paul s teaching related to how men and women are to relate to one another when it comes to authoritative teaching in the local church Includes a new preface a new conclusion four updated chapters and two all new chapters The Mysteries of Artemis of Ephesos Guy MacLean Rogers,2012-11-27 Artemis of Ephesos was one of the most widely worshiped deities of the Graeco Roman World Her temple the Artemision was one of the seven wonders of the ancient world and for more than half a millennium people flocked to Ephesos to learn the great secret of the mysteries and sacrifices that were celebrated every year on her birthday In this work Guy MacLean Rogers sets out the evidence for the celebration of Artemis s mysteries against the background of the remarkable urban development of the city during the Roman Empire and then proposes an entirely new theory about the great secret that was revealed to initiates into Artemis s mysteries The revelation of that secret helps to explain not only the success of Artemis s cult and polytheism itself but more surprisingly the demise of both and the success of Christianity Contrary to many anthropological and scientific theories the history of polytheism including the celebration of Artemis s mysteries is best understood as a Darwinian tale of adaptation competition and change The Eerdmans Encyclopedia of Early Christian Art and Archaeology Finney,2017 One of the most widely respected theological dictionaries put into one volume abridged form Focusing on the theological meaning of each word the abridgment contains English keywords for each

entry tables of English and Greek keywords and a listing of the relevant volume and page numbers from the unabridged work at the end of each article or section *The Architecture of the Ancient Greek Theatre* Rune Frederiksen, Elizabeth R. Gebhard, Alexander Sokolicek, 2015-12-01 In this volume the leading experts on ancient Greek theatre architecture present new excavation results and new analyses of individual monuments Many well known theatres such as the one of Dionysos in Athens and others at for instance Messene Sikyon Chaironeia in Greece and Aphrodisias in Turkey have been re examined since their original publication with stunning results New research also includes less well known or newly discovered ancient Greek theatres in Albania Turkey Cyprus and Sicily Further studies on the history of research regional theatrical developments terminology and function as well as a perspective on Roman theatres built in Greek traditions make this volume a comprehensive book of new research for specialist scholars as well as for students and the interested public Fundamental publications on the topic have not been presented for many years and this book aims to form a new foundation for the study of theatre architecture *Early Christian Encounters with Town and Countryside* Markus Tiwald, Jürgen Zangenberg, 2021-04-12 Ever since Jesus walked the hills of Galilee and Paul travelled the roads of Asia Minor and Greece Christianity has shown a remarkable ability to adapt itself to various social and cultural environments Recent research has demonstrated that these environments can only be very insufficiently termed as rural or urban Neither was Jesus Galilee only rural nor Paul s Asia only urban On the background of ongoing research on the diversity of social environments in the Early Empire this volume will focus on various early Christian worlds as witnessed in canonical and non canonical texts How did Early Christians experience and react to rural and urban life What were the mechanisms behind this adaptability Papers will analyze the relation between urban Christian beginnings and the role of the rural Jesus tradition In what sense did the image of Jesus the Galilean village Jew change when his message was carried into the cities of the Mediterranean world from Jerusalem to Athens or Rome Papers will not only deal with various personalities or literary works whose various attitudes towards urban life became formative for future Christianity They will also explore the different local milieus that demonstrate the wide range of Christian cultural perspectives *Paul and the Imperial Authorities at Thessalonica and Rome* James R. Harrison, 2011 James R Harrison investigates the collision between Paul s eschatological gospel and the Julio Claudian conception of rule The ruler s propaganda with its claim about the eternal rule of the imperial house over its subjects embodied in idolatry of power that conflicted with Paul s proclamation of the reign of the risen Son of God over his world This ideological conflict is examined in 1 and 2 Thessalonians and in Romans exploring how Paul s eschatology intersected with the imperial cult in the Greek East and in the Latin West A wide selection of evidence literary documentary numismatic iconographic archeological unveils the symbolic universe of the Julio Claudian rulers This construction of social and cosmic reality stood at odds with the eschatological denouement of world history which in Paul s view culminated in the arrival of God s new creation upon Christ s return as Lord of all Paul exalted the Body of Christ over Nero s body of state transferring

to the risen and ascended Jesus many of the ruler s titles and to the Body of Christ many of the ruler s functions Thus for Paul Christ s reign challenged the values of Roman society and transformed its hierarchical social relations through the Spirit

The Oxford Handbook of Pauline Studies Matthew V. Novenson,R. Barry Matlock,2022 Covers the historical Paul the letters authentic and pseudonymous and the acts canonical and noncanonical Considers traditional approaches alongside more recent approaches including gender race and ethnicity and material culture Written by a diverse international group of experts Assesses the field as it stands and pushes forward into new possibilities for Pauline Studies Book jacket
