Epilogue In Burma 1945-48 The Military Dimension Of British Withdrawal:

Epilogue in Burma, 1945-48 John Hartnett McEnery, 1990 **Historical Dictionary of Burma (Myanmar)** Donald M. Seekins, 2017-03-27 Burma Myanmar is a Southeast Asian country that is emerging from crisis after more than a half century of hard line military rule and cultural diplomatic and economic isolation With the dissolution of its military regime the State Peace and Development Council in 2011 a formally civilian but military dominated constitutional government was inaugurated By 2012 Burma's president retired General Thein Sein had established a working relationship with Daw Aung San Suu Kyi the leader of the country's pro democracy movement since 1988 and after a 2012 by election she and members of her opposition party the National League for Democracy NLD entered the new Union Parliament as legislators However even with the election victory of Daw Suu Kyi and the NLD in the General Election of November 2015 Burma faces daunting challenges it is still one of the poorest countries in Southeast fissured by longstanding ethnic conflicts that have made a nationwide peace agreement elusive and its people's security and the environment are threatened by foreign economic exploitation Religious discord is also widely evident as Buddhist militants instigate violence against the country's religious minorities especially Muslims Today Burma's prospects are the most hopeful they have been for over half a century as the country takes steps along the road to a more open society and economy This edition of the Historical Dictionary of Burma Myanmar encompasses not only current developments but also Burma's over 1 500 years old recorded history and the most important features of its cultures ethnicity religions society and economy This is done through a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture *Burma's Economy in the Twentieth Century* Ian Brown, 2013-11-07 An incomparable introduction to Burma's political and economic history written by one of the premier economic historians of Southeast Asia Burma Shelby Tucker, 2001-09-20 An up to date and detailed eyewitness account of Burma's Civil War It is indispensable for understanding the travails of modern Burma **The River of Lost Footsteps** Thant Myint-U, 2025-09-23 For nearly two decades Western governments and a growing activist community have been frustrated in their attempts to bring about a freer and more democratic Burma through sanctions and tourist boycotts only to see an apparent slide toward even harsher dictatorship But what do we really know about Burma and its history And what can Burma's past tell us about the present and even its future In *The River of Lost Footsteps* Thant Myint U tells the story of modern Burma in part through a telling of his own family's history in an interwoven narrative that is by turns lyrical dramatic and appalling His maternal grandfather U Thant rose from being the schoolmaster of a small town in the Irrawaddy Delta to become the UN secretary general in the 1960s And on his father's side the author is descended from a long line of courtiers who served at Burma's Court of Ava for nearly two centuries Through their stories and others he portrays Burma's rise and decline in the modern world from the time of Portuguese pirates and renegade Mughal princes through the decades of British colonialism the

devastation of World War II and a sixty year civil war that continues today and is the longest running war anywhere in the world *The River of Lost Footsteps* is a work both personal and global a distinctive contribution that makes Burma accessible and enthralling Forgotten Wars Christopher Alan Bayly,Timothy Norman Harper,2007 This is a panoramic account of the bitter wars of the end of empire seen not only through the eyes of the fighters but also through the personal stories of ordinary people **Myanmar's Nationalist Movement (1906-1948) and India** Rajshekhar,2006 **Burma's Military Secrets** Desmond Ball,1998 Burma Patricia M.
