*The Letter of Paul to the Ephesians* Francis Foulkes,1989 Provides a section by section commentary on the New Testament book of Ephesians featuring discussion of primary themes individual verses and problems of interpretation and including information on authorship date and historical background      *Faith in Jesus and Paul* Maureen W. Yeung,2002 For the hundred years since W Wrede Paulus 1904 made the provocative claim that Paul should rightly be regarded as the second founder of Christianity scholars have debated vigorously on the relationship between Jesus and Paul Past studies on the Jesus Paul debate have largely been confined to either the literary or the theological level This study looks at the issue afresh by combining the historical and the theological approaches The discussion focuses on the issue of faith paying special attention to two groups of Jesus sayings Faith that can remove mountains and Your Faith has healed saved you and Paul s use of Gen 15 6 and Hab 2 4 The distinctive methodology of this study is to compare Jesus and Paul against the backdrops of the Jewish biblical tradition and Hellenistic parallels The picture of the Jesus Paul relationship that emerges is a most complex one To a great extent the similarity between Jesus and Paul is due to their common Jewish heritage The early Church plays a part in influencing Paul s concept of faith and Paul himself reinterprets the Jewish Scriptures in an innovative manner At the same time Paul is found to be greatly indebted to Jesus for his concept of faith The method of placing Jesus and Paul against the Jewish and Hellenistic backgrounds permits a fuller appreciation of the historical and theological continuities between Jesus and Paul than has hitherto been possible      *The Epistle to the Romans* Douglas J. Moo,1996-09-30 Paul s letter to the Romans has been called the quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar Douglas Moo provides a superb study of Paul s letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been substantially expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul s teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts with the new perspective on Paul highlights Romans s emphasis on practical divinity and traces the theme of gospel throughout the epistle
