The Epistles of Paul to the Colossians and Philemon

**AN INTRODUCTION AND
COMMENTARY BY
HERBERT M. CARSON**

Epistles To Colossians And Philemon

Handley Carr Glyn Moule

Epistles To Colossians And Philemon:

The Epistles to the Colossians, to Philemon, and to the Ephesians F. F. Bruce, Frederick Fyvie Bruce, 1984-10-23 F F Bruce's study of the Epistles to the Colossians to Philemon and to the Ephesians constitute a single volume in The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and scholarly while faithful to the infallible Word of God **The Epistles to the Colossians and to Philemon** James D. G. Dunn, 2014-10-16 Paul's Epistle to the Colossians merits detailed study for at least two reasons First it provides an unexpectedly interesting window into the character of Christianity in Asia Minor in the second half of the first century With the information it gives about the religious tensions within which emergent Christianity was caught up not least those between Christianity and diaspora Judaism we begin to gain more insight into the influences and factors that shaped the transition from apostolic to subapostolic Christianity in the region Second Colossians represents a crucial stage in the development of Pauline theology itself Whether it was written at the end of Paul's life or soon after his death it indicates how Pauline theology retained its own vital character and did not die with Paul In this volume in the celebrated New International Greek Testament Commentary James D G Dunn author of numerous well received works on the historical origin and theological interpretation of the New Testament provides detailed expositions of the text of Paul's letters to the Colossians and to Philemon Dunn examines each of these letters within the context of the Jewish and Hellenistic cultures in the first century and discusses the place of Colossians and Philemon in the relationship between the Pauline mission and the early churches that received these letters Particular stress is also placed on the role of faith in Jesus Christ within and over against Judaism and on the counsel of these two important letters with regard to the shaping of human relationships in the community of faith **The Epistles to the Colossians and to Philemon** C. F. D. Moule, H. C. G. Moule, 1898 **St. Paul's Epistles to the Colossians & to Philemon** Paulus (Apostel, Heiliger), 1875 **The Epistles of Paul to the Colossians and Philemon** Herbert M. Carson, 1960 The Epistles to the Colossians and Philemon Handley C.G. Moule, 2015-01-07 H C G Moule 1841 1920 evangelical Anglican bishop and academic was one of the foremost New Testament scholars in the Church of England in the late nineteenth and early twentieth centuries The author of more than sixty books and pamphlets Moule followed in the English scholar bishop tradition of Lightfoot and Westcott *The Epistles to the Colossians and to Philemon* Handley Carr Glyn Moule, 1893 *St. Paul's Epistles to the Colossians and Philemon* J. B. Lightfoot, 2020-08-04 Reproduction of the original St Paul's Epistles to the Colossians and Philemon by J B Lightfoot The Epistles to the Colossians and to Philemon Handley Carr Glyn Moule, 1893 *Colossians, Philemon* Jonathan Watt, 2024-05-21 This exegetical linguistic commentary on the New Testament epistles of Colossians and Philemon brings discourse analysis into connection with exegesis of the Greek text It aims to connect theoretical approaches to the ancient Greek with current interests such as biblical interpretation appreciation of the original circumstances behind its composition

and relevance of these early epistles to modern readers *St. Paul's Epistles to the Colossians and Philemon* J. B. Lightfoot, 2016-09-01 On the completion of another volume of my commentary I wish again to renew my thanks for the assistance received from previous labourers in the same field Such obligations must always be great but it is not easy in a few words to apportion them fairly and I shall not make the attempt I have not consciously neglected any aid which might render this volume more complete but at the same time I venture to hope that my previous commentaries have established my claim to be regarded as an independent worker and in the present instance more especially I have found myself obliged to diverge widely from the treatment of my predecessors and to draw largely from other materials than those which they have collected In the preface to a previous volume I expressed an intention of appending to my commentary on the Colossian Epistle an essay on Christianity and Gnosis This intention has not been fulfilled in the letter but the subject enters largely into the investigation of the Colossian heresy where it receives as much attention as at all events for the present it seems to require It will necessarily come under discussion again when the Pastoral Epistles are taken in hand The question of the genuineness of the two epistles contained in this volume has been deliberately deferred It could not be discussed with any advantage apart from the Epistle to the Ephesians for the three letters are inseparably bound together Meanwhile however the doctrinal and historical discussions will if I mistake not have furnished answers to the main objections which have been urged while the commentary will have shown how thoroughly natural the language and thoughts are if conceived as arising out of an immediate emergency More especially it will have been made apparent that the Epistle to the Colossians hangs together as a whole and that the phenomena are altogether adverse to any theory of interpolation such as that recently put forward by Professor Holtzmann **Paul's Letters from Prison** James Leslie Houlden, 1977 Modern translations have made it clearer than ever that many of Paul's assumptions and ideas are utterly foreign to us This commentary guides the reader into a new understanding of Paul's letters and a new appreciation of his theology and ethics as having meaning for us in today's world Paul is important at two levels At the level of events it was he who brought the Church out of its Jewish cocoon At the level of doctrine it was Paul who first provided a way of formulating the significance of Jesus which made it possible to universalize his mission Paul also brought simplicity and directness into the relationship of the individual with God Finally Paul the Hellenistic Jew was able to go far in expressing the Christian gospel in terms congenial to Greeks to launch the Church's teaching safely on non-semitic waters Jacket flap **The Epistles of Paul the Apostle to the Colossians and the Philemon** Arthur Lukyn Williams, 1928 *The Epistles of St. Paul to the Ephesians, the Colossians, and Philemon* John Llewelyn Davies, 1866 **Saint Paul's Epistles to the Colossians and to Philemon** Joseph Barber Lightfoot, 1900 **The Epistles of Paul to the Colossians and to Philemon** Charles Rosenbury Erdman, 1933 Two brief letters which have come to us across the distant centuries are strikingly contrasted by inseparably united One sets for the most profound of religious truths the other relates merely to the welfare of a fugitive slave Yet both come from the same

author and both have definite messages for the present age One embodies the very essence of the Christian faith the other shows how belief transforms and transfigures human life Upon all the chief problems in the spheres of morality and religion these epistles shed their penetrating light Foreword *Colossians and Philemon* Marianne Meye Thompson, 2005-11-02 Colossians and Philemon have traditionally been overshadowed by other New Testament texts thought to express Pauline theology more clearly In this notable commentary however Marianne Meye Thompson shows how these two epistles provide a unique formulation of the gospel in terms of creation and reconciliation rather than justification by faith In Colossians she finds an overarching narrative of the Bible's grand creation redemption story and an important emphasis on the relationship between creation and Christology while her exploration of Philemon casts brighter light on the significance of Paul's familial metaphors for the church and the meaning of new humanity in Christ Throughout her work on these two epistles Thompson continually connects her insights to theological concerns making this volume an excellent addition to the Two Horizons series

The Epistles to the Colossians, to Philemon, and to the Ephesians Frederick Fyvie Bruce, 1984 Paul's Letters from Prison, 1976 The letters Paul wrote to the Ephesians Philippians Colossians and Philemon have one feature in common that distinguishes them from the other letters he wrote in them Paul calls himself a prisoner This thought provoking study examines closely the metaphorical and literal meaning of Paul's bonds and chains Through analysis of the letters themselves Caird considers whether Paul was actually behind bars when he wrote them and if so in which prison or prisons whether he may have been referring to himself figuratively as a prisoner of Jesus Christ and whether he was the actual author of all four letters In assessing these issues Caird outlines each letter's intended audience vocabulary style historical setting literary references and theology *Saint Paul's Epistles to the Colossians and to Philemon* Joseph Barber Lightfoot, 1875

Thank you very much for reading **Epistles To Colossians And Philemon**.
