Equal At The Creation Sexism Society And Christian Thought:

Equal at the Creation Joseph Martos, Pierre Hégy, 1998-01-01 As an unabashedly sexist institution that has long been rooted in patriarchal ideals the Christian church has few Written by recognized experts in church history the articles in this book take a close look at women s status in key periods

A History of Women and Ordination: The ordination of women in medieval context John Hilary Martin, 2002 For non specialist readers the series offers scholarly research on the role of women in Christian ministry and the changing shape of ministry in Christian history In the first volume Gary Macy theology and religious studies U of San Diego discusses the ordination of women in the early middle ages and John Hilary Martin Dominican School of Philosophy and Theology Berkeley California looks at the ordination of women and the theologians in the Middle Ages Annotation copyrighted by Book News Inc Portland OR

Women in Pastoral Office Mary M. Schaefer, 2013-11 Mary M Schaefer examines the ninth century church Santa Prassede and its foundation myth as well as an ideal of balanced male female relationships and women holding pastoral office in the church of Rome

Because of Eve Joseph E. Early, Jr., 2022-10-15 Because of Eve is a thorough examination of how the Church and Christian men sought to define women and the roles women must play within the church home and society for more than two thousand years The book examines the works of theologians decrees of councils canon law statements of faith and a myriad of other pronouncements that affected their generation and the following generation s beliefs concerning women Each chapter considers the era in which these beliefs were voiced as much of what was accepted as orthodoxy was reflected in or based on cultural beliefs

WORDS OF PRAISE This important study surveys the roles of women roles often assigned to them by men through both biblical testaments and across Christian history to the contemporary church It is a significant research resource for understanding historical theological spiritual and cultural interactions between males and females and the religious dogmas that influenced and divided them Bill J Leonard Emeritus Professor of Divinity Wake Forest University Joseph Early has meticulously researched the primary sources throughout the history of the Church to show definitively how men for their own purposes have used the Bible to categorize and define women Early then goes further to show how these erroneous and unbiblical beliefs are reflected and amplified in some modern day theologies and practices As an observer of this six year long research project I can attest to the author s innate dedication and fidelity to the task of showing how God s word is not detrimental to women but instead uplifts them as co heirs with Christ and indeed on equal ground with their brothers in Christ Twyla K Hernandez Professor of Missions Campbellsville University Joseph Early s Because of Eve Historical and Theological Survey of the Subjugation of Women in the Christian Tradition is an incredibly useful compendium of Christian men s beliefs about women across church history With careful detail and ample primary source evidence Early demonstrates how for most of church history men have offered biblical interpretations and constructed misogynistic theologies that maintain and reproduce the subordination of women This volume will be helpful for academics and general readers alike for

its comprehensive documentation of the treatment of women in men's thinking and writing from biblical times until the present Susan M Shaw Professor of Women Gender and Sexuality Studies Oregon State University [The Contemporary Church and the Early Church](#) Paul A. Hartog, 2010-02-01 As evangelicals face future challenges many are turning back to the ancient church for inspiration But these ancient future approaches remain diverse and sometimes even at odds with one another This volume demonstrates and analyzes the complexity of such contemporary church early church engagements Six scholars share diverse insights from the Patristic period including lessons on evangelism and discipleship community formation and maintenance use of the rule of faith the preaching of social ethics responses to cultural opposition and Christological development The volume closes with two critical responses from confessional Lutheran and Baptist perspectives These collected essays will remind contemporary readers of the importance of a reflective and responsible ressourcement of Patristic wisdom

A Marginal Majority Elizabeth Flowers, Karen K. Seat, 2023-08-18 In step with the MeToo movement and third wave feminism women's roles provoke lively debate in today's evangelical sphere The Southern Baptist Convention SBC has a complicated past regarding this issue and determining what exactly women's roles in home church and society should be or even what these roles should be called has been a contentious subject In *A Marginal Majority* Women Gender and a Reimagining of Southern Baptists editors Elizabeth H Flowers and Karen K Seat and eight other contributors examine the SBC's complex history regarding women and how that history reshapes our understanding of the denomination and its contemporary debates This comprehensive volume starts with women as SBC fundraisers moves to the ways they served Southern Baptist missions and considers their struggles to find a place at Southern Baptist seminaries as well as their launching of teaching or women's ministries Along the way it introduces new personalities offers fresh considerations of familiar figures and examines the power dynamics of race and class in a denomination that dominated the South and grew into a national behemoth Additionally the essay collection provides insights into why the SBC has often politically aligned with the right Not only did the denomination become increasingly oriented toward authoritarianism as it clamped down on evangelical feminism but as several contributors reveal even as Southern Baptist women sought agency they often took it from others Read together the chapters strike a somber tone challenging any triumphal historiography of the past By providing a history of contentious issues from the nineteenth century to the present day *A Marginal Majority* provides invaluable context for the recurrent struggles women have faced within the United States largest Protestant denomination Moreover it points to new directions in the study of American denominational life and culture

[The Architecture of Blame](#) Mary Marcel, 2024-05-29 The structure of society whether political social economic religious or familial can be described as built upon structures of acceptable blame But what happens when we can no longer persuade each other about where blame for particular actions should land What happens when the expected scapegoats refuse that role and bystanders question their support of sacrificing the usual suspects Ren Girard master theorist of scapegoating and victimage

would characterize this era as one of sacrificial crisis The Architecture of Blame The End of Victimage and the Beginning of Justice explores these current critical areas of failed persuasion as symptoms of a deeper and much more profound crisis in our religious social and political order This book offers six precepts addressing the un or under theorized aspects of Girard s theory of scapegoating and sacrificial violence These precepts supported with examples from religion psychology literature and history illuminate the root causes of the current sacrificial crisis in the world They open a way forward to a future without scapegoats

Just Love Margaret Farley,2008-02-15 Winner of the 2008 Grawemeyer Award in Religion This long awaited book by one of American Christianity s foremost ethicists proposes a framework for sexual ethics whereby justice is the criterion for all loving including love that is related to sexual activity and relationships It begins with historical and cross cultural explorations then addresses the large questions of embodiment gender and sexuality and finally delineates the justice framework for sexual ethics Though Just Love s particular focus is Christian sexual ethics Farley s framework is broad enough to have relevance for multiple traditions Also covered are specific issues in sexual ethics including same sex relationships marriage and family divorce and second marriage

Routledge Revivals: Women and Gender in Medieval Europe (2006) Margaret Schaus,2017-07-12 First published in 2006 Women and Gender in Medieval Europe examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE This reference work provides a comprehensive understanding of many aspects of medieval women and gender such as art economics law literature sexuality politics philosophy and religion as well as the daily lives of ordinary women Masculinity in the middle ages is also addressed to provide important context for understanding women s roles Additional up to date bibliographies have been included for the 2016 reprint Written by renowned international scholars and easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be a valuable resource on women in Medieval Europe

The Hidden History of Women's Ordination Gary Macy,2012-11-29 The Roman Catholic leadership still refuses to ordain women officially or even to recognize that women are capable of ordination But is the widely held assumption that women have always been excluded from such roles historically accurate How might the current debate change if our view of the history of women s ordination were to change In The Hidden History of Women s Ordination Gary Macy argues that for the first twelve hundred years of Christianity women were in fact ordained into various roles in the church He uncovers references to the ordination of women in papal episcopal and theological documents of the time and the rites for these ordinations have survived The insistence among scholars that women were not ordained Macy shows is based on a later definition of ordination one that would have been unknown in the early Middle Ages

Women and the Great War A. Belzer,2010-10-11 Drawing on both wartime discourse about women and the voices of individual women living at the Italian Front Allison Belzer analyzes how women participated in the Great War and how it affected them The Great War transformed women into purveyors and recipients of a new feminine ideal that emphasized their status as national citizens Although Italian women did not gain the vote they did encounter a less empowering form of female citizenship just after the war ended with Mussolini s Fascism Because of the Great War many women seized the opportunity to participate in a society that continued to recognize them as guardians of the nation Education, Leadership and Islam Saeeda Shah,2015-07-03 Educational institutions are undergoing complex and sensitive changes in the context of immigration international mobility globalisation and shifting economic scenarios making highly challenging demands on educational leaders Leadership is increasingly being perceived and theorised as pivotal to students achievement and institutional performance In this book Saeeda Shah considers educational leadership from an Islamic perspective to debate theoretical positions underpinned by Islamic texts and teachings and the resulting conceptualisations and interpretations While educational leadership literature and research have flourished in recent years this is predominantly informed by Western ideologies concepts theories and practices Education Leadership and Islam focuses on contemporary educational settings and practices drawing on research and empirical evidence from multicultural contexts in order to enrich theory and inform policy and practice in relevant frameworks particularly in relation to the growing Muslim population in the West Chapters also discuss gender in Islam educational expectations and Islamic faith schools to comprehensively explore education in relation to Islamism Situating Muslims within contemporary societies this book extends debates regarding educational philosophy and leadership endorsing diversity and plurality through an appreciation of difference Education Leadership and Islam will appeal to education researchers as well as social and political scientists attempting to understand Muslim educational issues in contemporary life both in the east and in the west This book offers critical insight into educational theory and practice and as such will be key reading for policy makers and educational leaders **Women Leading Education Across the Continents** Rachel McNae,Elizabeth C. Reilly,2018-09-12 Women Leading Education Across the Continents Harnessing the Joy in Leadership is the fifth collection of research from scholars around the globe who

seek to understand the successes challenges and progress of girls and women leading in education Using a variety of approaches to their inquiries the scholars and practitioners in this book discover and document the work of women leaders throughout the world seeking to understand in more nuanced ways how to chart a path for a more just society for all This volume explores the status of women in educational leadership internationally the factors that affect their leadership their personal experiences and stories and their work within the broader context of human rights The journey of discovery in these pages invites titiro whakamua looking toward a world for the good of all people

Coequal aand Counterbalanced John D. Garr, 2013-01-16 God created woman and man so that they would be consubstantial and coequal and that they would manifest perfectly counterbalanced complementarity The relationship of the two halves of humanity was to be one of love mutuality and fulfillment By recovering the Hebraic understanding of God s blueprint for them both women and men can finally experience the relationship that God designed to be heaven on earth The God Designed Two in One Coequal Counterbalanced Partnership Designer Fashioned Woman Gender Self Identity and Self Fulfillment Spare Ribs and Afterthoughts Marriage as Heaven on Earth Whatever your race ethnicity gender faith or social status this book and the other volumes in this series will literally set you free from misconceptions that have long perverted relationships between women and men As you reconnect with the Hebraic foundations of your faith you will rediscover God s original design for humanity and you will come to understand respect and honor the different God designed distinctives preferences and roles for women and men that counterbalance and complement each other in mutuality and love

Sex and Gender Heidi R. Riggio, 2020-09-02 Using both scientific and feminist approaches in its analysis Sex and Gender A Biopsychological Approach provides a current and comprehensive understanding of its titular topics making it an invaluable textbook for instructors and students Sex and gender can only be properly understood when examined in the contexts of biological psychological and social processes and the interactions between those processes The structure of this book facilitates this necessary exhaustive discussion First section a biological analysis that discusses evolutionary cellular and genetic processes and their effects on physical and behavioral development Second section a psychological and sociological analysis that discusses stereotypes sexism and theories of gender Final section a discussion of the current global challenges surrounding sex and gender such as discrimination and religious and social oppression of various groups Across chapters bonus features that can be used as discussion topics student essay topics or special topics for instructors to expand the text s discussion into the classroom The text s unique focus on biological psychological and social processes as separate entities and interacting processes make Sex and Gender crucial for a comprehensive and advanced understanding of the subject This is an essential resource for instructors who want to bring a thorough and complex analysis of sex and gender studies to their classrooms

The First Gentleman Jacqueline Tuggle Taylor, 2012-05 Female leadership has been a topic of debate for centuries between theologians and laity Christians and non Christians as well as men and women This study will present a theological analysis of the debate

concerning male and female roles in leadership positions and ministry An analysis of the role of the female pastor's spouse the effects of sexism in religion and how it has influenced the ecclesiology of the church will be examined as well Reflections of case studies employing biblical narratives of couples in the Bible will be used to substantiate the roles of women leaders and their spouses Each scenario identifies the particular role of the husband and the wife specifically when the wife is the spiritual leader Read with anticipation the outcome of biblical interpretation of the roles of the female leader and their spouses

Wake Up, Lazarus! Pierre Hegy, 2012-01-17 Today's Catholic Church faces a major decline and a dramatic renewal is needed to facilitate positive change In *Wake Up Lazarus* author Pierre Hegy documents the most important issues facing modern Catholicism and presents a convincing argument for renewal in the Catholic Church *Wake Up Lazarus* examines three general factors that contribute to the spiritual decline of all mainline churches and three factors that are special to the Catholic Church Hegy describes the inner workings of two successful parishes one evangelical and the other Catholic to illustrate the strategies used that contribute to vibrant and growing church communities He also reviews various renewal plans and then presents his personal long term plan for renewal in the Catholic Church with practical implementation suggestions included in each step Hegy communicates that the strategy and principles of Catholic renewal must lead passive Sunday churchgoers to become active participants it must help active participants to become involved in parish life and it must inspire all involved to become committed disciples

God and Women JKohn D. Garr, 2011-02-16 Since time immemorial women have been the most consistently and universally abused people group on Planet Earth as men in virtually every human culture have systematically unrelentingly and often violently dominated women Unfortunately women of faith have also been virtually bound in chains of submission and gagged by demands for silence since the end of the apostolic era *God and Women* brings serious biblical and historical scholarship to bear on the role of women in family society and church in an analysis of God's original intentions for women and for men at the moment when he created humanity Whether you are a woman or a man this book and the other volumes in this series will literally set you free challenging you to think and to act on divine truths from the Hebraic foundations of your faith You will clearly see God's original design and intent for women and you will start tearing down prison walls that have deprived half of God's children of

the freedom to pursue his gifts and calling in the family in the society and especially in the community of faith
