introduction of laws policies and practices providing for rudimentary education for 69 years under the dual school separate but equal policies established by Plessy v Ferguson 1896 These policies did not end until the Brown v Board of Education decisions of 1954 and 1955 were reinforced by the passage of civil rights and equal opportunity legislation in the mid 1960s The education of African Americans has been a continuing moral political legal economic and psychological issue throughout this country s history It continues to consume time and attention and it remains an unresolved dilemma for the nation
