

A close-up photograph of two hands, likely belonging to a couple, holding each other. The hands are positioned with the fingers interlaced. On the ring finger of each hand, there is a small, black ink tattoo of an anchor. The person on the right is wearing a black wristwatch. The background is a soft, out-of-focus landscape with green and yellow tones, suggesting an outdoor setting. The overall mood is romantic and intimate.

Equal Partners Successful Women In Marriage:

Equal Partners Dana Vannoy-Hiller, William W. Philliber, 1989 This innovative study focuses on high achieving women and their families Both partners were interviewed in an attempt to define the challenges these families face and the secrets of their successes The authors analysis of the successes and failures of these relationships is extended into a general examination of the disjuncture between social change and changes in individuals attitudes and behaviour The result is an important contribution to the understanding of the effects of shifting gender roles on the modern marriage on contemporary families and on society as a whole

Public Practice, Private Law Gary Chartier, 2016-04-07 Marriage is ordinarily a public practice supported by as well as supportive of society But it need not fall within the purview of the state Public Practice Private Law articulates a conception of marriage as a morally rich and important institution that ought to be subject to private rather than legislative or judicial ordering It elaborates a robust understanding of marriage that captures what both different sex and same sex couples might see as valuable about their relationships It explains why sexual ethics won't yield a normative model of marriage and why the kind of marital love worth wanting can It goes on to show how an understanding of marriage as rooted in demanding commitments can allow for divorce before arguing that the state should cease to sponsor marriages It concludes by suggesting that both state and non state institutions should acknowledge the marriages of same sex couples

What Women Want--what Men Want John Marshall Townsend, 1998 Drawing upon 2 000 questionnaires and 200 intimate

interviews with men and women this lucid and accessible new study reveals why the sexual psychologies of men and women are so different and so resistant to change *Married and Making a Living* Barbara Kranendonk, 1997 Our economy is characterized by a changing labor market in which large companies are forced by competition to downsize by laying off employees whose skills are specialized and where alternatives are either less attractive or nonexistent Small family businesses which have increased in numbers during the last decade are one means to address such an employment problem Changing careers as a result of corporate downsizing is a traumatic experience but sharing time and responsibilities with a spouse in a family owned business without preparation multiplies that stress This book describes the organization of roles and work tasks typical in a group of married couples who own and manage small franchise businesses These work relationships demonstrate high levels of togetherness and adaptability but family research has shown that these characteristics are often problematic in marital relationships Notable problems for these couples include covert and overt conflict as well as a fusion of work roles Too much flexibility leads to unclear and inconsistent work assignments and impulsive decision making The book outlines several techniques for educating and coaching business spouses **The Therapist's Notebook** Lorna L. Hecker, Sharon A. Deacon, 2013-02-01 When did you last have enough free time to carefully create develop and test a therapeutic concept or teaching method to improve the help you provide to your patients With *The Therapist's Notebook* a compilation of original ideas by practicing clinicians you can tap into the knowledge and experience of seasoned professionals to give your clients tangible field tested assignments that will represent their work and progress in therapy Appropriate for practicing marriage and family therapists psychologists social workers and other therapists of any professional affiliation who deal with children adolescents adults couples or families this dynamic handbook provides you with handouts and homework activities that are quick and easy and require little effort or experience to use *The Therapist's Notebook* is a valuable resource for both experienced and novice clinicians Established clinicians will know how to fit each chapter to a particular clientele while uninitiated clinicians or trainees will appreciate how the ready made materials help their clients and spur their own creativity in intervening You'll find therapeutic work becomes less stressful and more enjoyable as you learn about helping these populations deal with important issues Adults goal setting boundary issues life transitions communication problemsolving compulsivity feelings Couples trust infidelity leisure time communication conflict resolution sexuality enrichment Families rules punishment decisionmaking gender roles chores and responsibilities communication Children self esteem school problems social skills abuse discipline problems Adolescents peer pressure school issues communication involvement in therapy behavior Other resistant clients crisis counseling linking clients with social resources *The Therapist's Notebook* gives you a tangible useful product you can utilize with clients The book's compilation of homework handouts and activities that have been successfully applied to client populations is valuable not only for therapists daily use but also to illustrate creative clinically tested interventions to future counselors therapists social

workers teachers school psychologists and special educators Particularly useful as an ancillary text in university courses in psychotherapy related fields the book s user friendly format will enliven practicum courses and ensure heightened student participation Women and Environments ,1987 *Marriages in Russia* Lisa Cubbins,Marina Malysheva,Elena Meshterina,Marina Pisklakova,Natalja Rimashevskaja,Dana Vannoy,1999-04-30 Researched and written by a collaborative team of Americans and Russians *Marriages in Russia* explores the myths and realities of how the first years of market transformation have affected Russian family life The research project in which 2418 individual interviews of randomly sampled heterosexual couples are used was initiated to determine if the relationships between gender attitudes and the relative social statuses of spouses based on such factors as education occupational prestige and income influence the marital quality spouses experience Whether these variables are linked to domestic violence as data show they are in the United States is also examined The results are surprising in that they often contradict general beliefs about Russian gender attitudes and gender attributes and the analysis of these findings is ultimately a fascinating look at the post Cold War realities of family life in Russia Readings in Family Theory Thomas R. Chibucos,Randall W. Leite,David L. Weis,2005 *Readings in Family Theory* is an anthology of classic and contemporary articles that provides a context for student learning by demonstrating how theory fits into the overall process of scientific research on families The book provokes student interest in theory by providing examples of the scholarly application of family theory to compare how people use similar processes in everyday life Using this contextual orientation the selected readings examine nine prevalent theoretical perspectives from both family and human development sciences More Perfect Unions Rebecca L. Davis,2010-03-31 The American fixation with marriage so prevalent in today s debates over marriage for same sex couples owes much of its intensity to a small group of reformers who introduced Americans to marriage counseling in the 1930s Today millions of couples seek help to save their marriages each year Over the intervening decades marriage counseling has powerfully promoted the idea that successful marriages are essential to both individuals and the nation s well being Rebecca Davis reveals how couples and counselors transformed the ideal of the perfect marriage as they debated sexuality childcare mobility wage earning and autonomy exposing both the fissures and aspirations of American society From the economic dislocations of the Great Depression to more recent debates over government funded Healthy Marriage programs counselors have responded to the shifting needs and goals of American couples Tensions among personal fulfillment career aims religious identity and socioeconomic status have coursed through the history of marriage and explain why the stakes in the institution are so fraught for the couples involved and for the communities to which they belong Americans care deeply about marriages their own and other people s because they have made enormous investments of time money and emotion to improve their own relationships and because they believe that their personal decisions about whom to marry or whether to divorce extend far beyond themselves This intriguing book tells the uniquely American story of a culture gripped with the hope that with enough effort and the right

guidance more perfect marital unions are within our reach Essays in the History of Canadian Law, Volume XII Lori Chambers, Joan Sangster, 2023-10-02 Drawing on engaging case studies *Essays in the History of Canadian Law* brings the law to life The contributors to this collection provide rich historical and social context for each case unravelling the process of legal decision making and explaining the impact of the law on the people involved in legal disputes Examining the law not simply as legislation and institutions but as discourse practice symbols rhetoric and language the book's chapters show the law as both oppressive and constraining and as a point of contention and means of resistance This collection presents new approaches and concerns as well as re-examinations of existing themes with new evidence and modes of storytelling Contributors cover many legal thematic areas from criminal to labour civil administrative and human rights law spanning English and French Canada and ranging from the mid-eighteenth century to the late twentieth century The legal cases vary from precedent setting cases to lesser known ones from those driven by one woman's quest for personal justice to others in which state actors dominate Bringing to light how the people embroiled in these cases interacted with the legal system the book reveals the ramifications of a legal system characterized by multiple layers of inequality When the World Broke in Two Erica J. Ryan, 2018-09-14 This comprehensive history of America in the 1920s presents the decade's most compelling controversies as precursors to today's culture wars Americans have been embroiled in debate over culturally significant issues including race and immigration gender and sexuality and morality and religion for decades American culture as we know it is an amalgamation of generations of Americans voices in these national debates many of which began in the 1920s This book provides a detailed account of 1920s America within the context of these issues The first on its subject written by a historian in almost 20 years it offers a fresh perspective of America during the Roaring Twenties and on the history of the very same social and political battles we struggle with today Useful for students and history enthusiasts alike this work gives readers a holistic view of a popular decade and encourages discussion about its continued relevance to modern society Other important topics covered include city values versus rural values creationism versus evolutionism the modern woman and Prohibition **The Kaleidoscope of Gender** Joan Z. Spade, Catherine G. Valentine, 2008 This integrated comprehensive text provides an introduction to the sociology of gender It creatively and clearly explains what gender is and is not and what it means to say that gender is socially constructed *Women of the Suffrage Movement: Memoirs & Biographies of the Most Influential Suffragettes* Elizabeth Cady Stanton, Jane Addams, Ida Husted Harper, Emmeline Pankhurst, Anna Howard Shaw, Millicent Garrett Fawcett, Alice Stone Blackwell, 2023-11-16 *Women of the Suffrage Movement Memoirs* it is a catalyst for ongoing dialogue and reflection on the pursuit of equality and justice *Restructuring the Welfare State* Peter Koslowski, Andreas Follesdal, 2012-12-06 The welfare state has been developed first and in its largest extent in North Western Europe in Germany Great Britain the Netherlands and Sweden It is also in these countries where the crisis and financial problems of the welfare state are felt first The need for restructuring the welfare state is a challenge of a supra-national

European and international scale The book analyses the different welfare states in Germany Great Britain the Netherlands and Sweden with outlooks to Eastern Europe and Japan and examines the proposals for reforming and restructuring the welfare state in Europe The book offers a unique combination of empirical and philosophical ethical analysis of the welfare state

Women's Work: Questioning Gender Roles in Separate Spheres Elisabeth O'Donnell, 2019-04-03 FULL COLOR GRAPHS AND PHOTO ALBUM Why is the balance between work and family primarily posed as a women's issue This snapshot of middle class parenthood including personal stories from dozens of mothers highlights the connection between modern struggles and remaining historical expectations Despite massive opportunity growth middle class women are trapped in an unsupportive system wondering Will the story change

Understanding Inequality Barbara A. Arrighi, 2007-04-19 As the age of globalization and New Media unite disparate groups of people in new ways the continual transformation and interconnections between ethnicity class and gender become increasingly complex This reader comprised of a diverse array of sources ranging from the New York Times to the journals of leading research universities explores these issues as systems of stratification that work to reinforce one another Understanding Inequality provides students and academics with the basic hermeneutics for considering new thought on ethnicity class and gender in the 21st century

A Generation at Risk Paul R. Amato, Alan Booth, 2009-07-01 Just what do we know about the current generation of young Americans So little it seems that we have dubbed them Generation X Coming of age in the 1980s and 90s they hail from families in flux from an intimate landscape changing faster and more profoundly than ever before This book is the first to give us a clear close up picture of these young Americans and to show how they have been affected and formed by the tremendous domestic changes of the last three decades How have members of this generation fared at school and at work as they have moved into the world and formed families of their own Do their struggles or successes reflect the turbulence of their time These are the questions *A Generation at Risk* answers in comprehensive detail Based on a unique fifteen year study begun in 1980 the book considers parents socioeconomic resources their gender roles and relations and the quality and stability of their marriages It then examines children's relations with their parents their intimate and broader social affiliations and their psychological well being The authors provide rare insight into how both familial and historical contexts affect young people as they make the transition to adulthood Perhaps surprising is the authors finding that in this era of shifting gender roles children who grow up in traditional father breadwinner mother homemaker families and those in more egalitarian role sharing families apparently turn out the same Also striking are the beneficial influence of parental education on children and the troubling long term impact of marital conflict and divorce an outcome that prompts the authors to suggest policy measures that encourage marital quality and stability
