Equal Protection And The African American Constitutional Experience:

Equal Protection and the African American Constitutional Experience Robert P. Green, 2000-05-30 Trace the roots of the concept of equal protection from the American Revolution and the formation of the Constitution through its application today using this collection of 177 primary documents from a variety of sources Students can use this unique reference resource to examine the tension between the concept of equal protection and recognition of slavery in the constitutional order to explore the devitalization and revitalization of the 14th and 15th Constitutional amendments from the era of Jim Crow through the Civil Rights movement and to study current court rulings on equal protection of the law Petitions laws court decisions personal accounts and a variety of other documents bring to life the experiences of African Americans in the American constitutional order Five historical periods are explored with particular emphasis on the concept of equal protection of the law and its particular embodiment in the 14th Amendment These include the roots of the concept of equal protection in the Anglo American experience the lives of African Americans under a Constitution that incorporated equal protection yet recognized slavery the 14th and 15th Amendments and the development of Jim Crow 20th century developments in the application of equal protection to race and the accomplishments of the Civil Rights movement and developments since that time The introductory and explanatory text helps readers understand the nature of the conflicts the issues being litigated and the social and cultural pressures that shaped each debate This welcome resource will provide students with the opportunity to understand the various arguments put forth in different debates encouraging readers to consider all sides when drawing their own conclusions

Encyclopedia of African American History, 1619-1895 Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the Encyclopedia of African American History 1619 1895 documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and

technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness

The Motif of Hope in African American Preaching during Slavery and the Post-Civil War Era Wayne E. Croft Sr.,2017-10-16 The Motif of Hope in African American Preaching during Slavery and the Post Civil War Era There s a Bright Side Somewhere explores the use of the motif of hope within African American preaching during slavery 1803 1865 and the post Civil War era 1865 1896 It discusses the presentation of the motif of hope in African American preaching from an historical perspective and how this motif changed while in some instances remained the same with the changing of its historical context Furthermore this discussion illuminates a reality that hope has been a theme of importance throughout the history of African American preaching

Board of Education at Fifty** Clarke Rountree,2004-01-01 The story of Brown v Board of Education is a half century old now and has been retold many times by historians legal scholars sociologists and others This collection of persuasive scholarly essays examines for the first time the role rhetorical theory played in the development of educational segregation Contributors consider the NAACP s development of a series of graduate school cases to challenge Plessy analyze the Brown decision itself assess the state response to Brown and critique the two Supreme Court decisions implementing the Brown decision By illustrating how rhetorical strategies created sustained challenged and ultimately reversed educational segregation in the United States this work demonstrates the real value of the rhetorical perspective and provides encouragement to those who wish to help further develop this emerging field of judicial rhetoric **Controversies in Equal Protection Cases in America** Anne Richardson Oakes,2016-03-03 This collection engages with current issues on equal protection in the USA as seen from the perspectives of leading academics in this area Contributors with a range of perspectives interrogate the legal theoretical and factual assumptions which shape case law and consider the extent to which they satisfactorily address contemporary concerns with social hierarchies and norms Divided into five parts the study focusses on the connections between equal protection jurisprudence discrimination in its contemporary manifestations the implications of identity politics and the moral and political conceptualizations of equality that represent the parameters of debate Drawing on historical analysis and disciplinary insights of the social sciences the book bridges the gap between theory and practice The themes presented and analyses developed are among some of the most contentious currently in America and will be of interest not just to lawyers and legal academics but also to inter disciplinary social science researchers including sociologists economists and political scientists *Encyclopedia of the Reconstruction Era* Richard Zuczek,2006-08-30 Reconstruction sought to bring order from the tremendous social political economic physical and constitutional changes wrought by secession and the Civil War changes that included the abolition of slavery the expansion of governmental power and constitutional jurisdiction the rise of the Republican Party the explosion of northern industry and the national market and the appearance of a social dynamism that supported struggles by new social groups for political and civil equality In American history Reconstruction is the term applied to the period 1862 1877 when the United States sought to bring order from the tremendous social political economic physical and constitutional changes wrought by secession and the Civil War The decision by eleven southern states to attempt secession and reject the national government and the decision by the federal government under President Abraham Lincoln to deny that attempt and enforce federal law unleashed forces that forever changed the American Republic These changes included the abolition of slavery the expansion of governmental power and constitutional jurisdiction the rise of the Republican Party the explosion of northern industry and

the national market and the appearance of a social dynamism that supported struggles by new social groups for political and civil equality No one anticipated the totality the viciousness and the intensity of the civil war and as a result no one was prepared to deal with its consequences Topics covered include who should direct Reconstruction how the federal government treated conquered states their governments and their soldiers the role of the freed people in the new republic and how the war altered the Constitution the party system and the American economy among many others Many entries describe and analyze the lives careers and impacts of the individuals North and South black and white who shaped the course of Reconstruction including the following Ames Adelbert Bruce Blanche K Douglass Frederick Gordon John B Hancock Winfield S Howard Oliver O Pinchback Pinckney B S Revels Hiram R Sheridan Philip H Wade Benjamin F Other entries deal with broad topics and themes related to Reconstruction and its consequences including the following Abolition of Slavery Black Politicians Black Suffrage Bloody Shirt Economic Policies Race Riots Reconstruction Theories of Scandals During Reconstruction State Constitutional Conventions Violence During Reconstruction Still other entries cover a wide variety of events groups acts agencies and amendments that were part of the story of Reconstruction including the following American Indians Bureau of Refugees Freedmen and Abandoned Lands Compromise of 1877 Democratic Party Fourteenth Amendment Joint Committee on Reconstruction Loyalty Oaths Military Reconstruction Acts Stalwarts Tenure of Office Act Among the more than 270 entries are 11 that discuss the course and consequences of Reconstruction in each of the former Confederate states and 6 that discuss the outcome and significance of the presidential and key congressional elections held between 1864 and 1876 The encyclopedia also offers a timeline of Reconstruction a bibliography of print and electronic information resources a selection of primary documents a table of important dates numerous illustrations and a detailed subject index

Constitutional Engagement in a Transnational Era Vicki Jackson, 2013-05-30 Constitutional Engagement in a Transnational Era explores how transnational phenomena affect our understanding of the role of constitutions and of courts in deciding constitutional cases In it Vicki Jackson looks at constitutional court decisions from around the world and identifying postures of resistance convergence or engagement with international and foreign law Fair Trial Rights of the Accused Ronald Banaszak, 2001-10-30 Use this collection of over 60 primary documents to trace the evolution of trial rights from English and colonial beginnings to our contemporary understanding of their meaning Court cases and other documents bring to life the controversies that have historically surrounded the rights of those who have been accused in the American legal system Explanatory introductions to documents aid users in understanding the various arguments put forth and the context in which the document was written while illuminating the significance of each document Students will be able to trace how the expansion of trial rights is directly correlated to historical events and social concerns Documents are arranged chronologically to provide readers with a clear view of the long convoluted history of these rights in our country and to clearly illustrate how trial rights have grown over time to provide more protection for a growing number of individuals A

general introduction to the volume further explores the history of the concept of trial rights to provide a complete reference resource to complicated issues *Reconstruction* Richard Zuczek,2015-11-10 Composed by the leading historians in the field this single volume encyclopedia on Reconstruction delivers the most concise focused and readable reference work available to educators and students In many ways the Civil War destroyed the American South the Democratic Party and slavery with much of the nation left in ruins What was to become of former slaves and of former confederates Yet the unprecedented turmoil that followed the war presented the United States with great opportunities How America tried to solve the problems and take advantage of opportunities after the Civil War is the focus of this encyclopedia which provides the core elements necessary for researching and understanding the complex period in U S history known as Reconstruction The volume offers a concise introduction to and chronology of the Reconstruction period scores of entries composed by subject experts and an appendix that features key primary documents The entries have been carefully chosen for their importance and relevance are written in language accessible to high school students and supply useful references for further investigation This volume will be indispensable for research into Reconstruction and affords anyone studying the United States during this period insight and perspective whether the topic be African American history the Civil War Abraham Lincoln or the coming of sharecropping *Battleground: Criminal Justice* Gregg Barak,2007-10-30 There are many controversial aspects of our criminal justice system and this encyclopedia examines the most significant controversies throughout American history with emphasis on current debates trends and issues Arranged alphabetically approximately 100 entries cover background explanations notable cases and events various sides of an issue and what to expect in the future Entries are objective and factual allowing readers to formulate their own conclusions Sidebars and case examples help to illustrate each entry and sources for further reading point readers to other important materials Given the prevalence of controversial criminal justice topics in the news this timely reference is an important resource for anyone interested in crime and justice Entries include Boot Camps Corporal Punishment DNA Evidence Domestic Violence Expert Testimony Eye Witness Identifications Gun Control Homeland Security International Criminal Court Legalization of Marijuana Mental Health and Insanity Police Brutality Prison Violence Racial Profiling School Violence Sex Offender Laws Stalking Laws Supermax Prisons Three Strikes Treating Juveniles as Adults War on Drugs and more *The Lost President* Ruth Dunley,2019-03 Though few people have heard of A D Smith 1811 65 this nineteenth century knight errant left his mark on some of the key events of his times in several states personifying the nineteenth century impulse to move across the American landscape Smith s Quixotic trail began in upstate New York wound westward to the Ohio and Wisconsin frontier southward to the federally occupied Sea Islands of South Carolina and finally ended aboard a northbound steamer In Ohio Smith became involved with a paramilitary group the Hunters Lodge which elected him the President of the Republic of Canada In Wisconsin he achieved notoriety as the judge who dared to declare the Fugitive Slave Act of 1850 unconstitutional lighting

one of many fuses that sparked the Civil War In South Carolina he fought passionately for the property rights of freedmen Smith believed in civic movements based on Jeffersonian democracy and republican ideals Civic participation he believed was a fundamental part of being a good American This civic impulse resulted in his enthusiastic embrace of the reform movements of the day and his absolute dedication to radicalism A detective story set against the backdrop of the volatile antebellum era this gripping biography lays bare in funny accessible prose just what it is that historians really do all day and how obsessive they can be assembling a jigsaw puzzle of secret documents probate records court testimony speeches correspondence newspaper coverage and genealogical research to tell the story of a man like Smith of his vision for the United States and more generally of the value of remembering secondary historical characters **Neighborhood Watch**

Shawn E. Fields,2022-06-09 Although racism has plagued the American justice system since the nation s colonial beginnings private White Americans are taking matters into their own hands From racist 911 calls and hoaxes to grassroots voter suppression and vigilante self defense concerted efforts are made every day by private citizens to exclude Black Americans from schools neighborhoods and positions of power Neighborhood Watch examines the specific ways people police America s color line to protect White spaces The book charts how these actions too often result in harassment arrest injury or death yet typically go unchecked Instead these actions are promoted and encouraged by legislatures looking to expand racially discriminatory laws a police system designed to respond with force to any frivolous report of Black mischief and a Supreme Court that has abdicated its role in rejecting police abuse To combat these realities Neighborhood Watch offers preliminary recommendations for reform including changes to the maximum policing state increased accountability for civilians who abuse emergency response systems and proposals to demilitarize the color line **Psychology and the Church** Mark R.

McMinn,Amy W. Dominguez,2005 Today s psychology with increasing openness to spirituality multiple ways of knowing cultural diversity and community emphases and provides a promising context for studying Christian communities And today s church with increasing reliance on technology and science growing engagement with contemporary culture and a willingness to elevate various Christian psychologists to a near prophetic role may be more open to the influence of psychology than ever before This book highlights exemplars who are blending the strengths of the church with the skills of psychology in applied settings to promote psychology and spiritual health The volume is divided into five sections The first section includes three survey and interview studies assessing psychologists and clergy perspectives on collaboration Each of remaining sections is comprised of three to six vignettes demonstrating how psychologists are working with the church organised by congregation based collaboration clinically focused collaboration research focused collaboration and community focused collaboration

Getting Away with Murder Vanessa A. Holloway,2014-12-15 Throughout the late nineteenth and early twentieth century the U S Congress engaged in bitter debates on whether to enact a federal law that would prosecute private citizens who lynched black Americans In *Getting Away with Murder* the fundamental question under scrutiny is whether Southern

Democrats racist attitudes toward black Americans pardoned the atrocities of lynching The book investigates underlying motives of opposition to Senate filibustering and invites an intellectual discussion on why Southern Democrats thought states rights were the remedy to lynching when in fact the phenomenon was a baffling national crisis A rebuttal to this query may include notions that congressional investigations into state protected rights were deemed unconstitutional In a unifying theme the appeal ties into questions of the federalism civil rights debate by noting intervals that warrant research and advancing new perspectives intended to accentuate the matrices of race based politics To examine the federalism civil rights debate this book asks three practical questions 1 Would Southern Democrats suspend their friendships with private citizens and enact a federal law that would prosecute them for lynching 2 Was the national government limited in its constitutional power to protect black Americans from private citizens who organized themselves as lynch mobs 3 Were concerns for states rights the core reasons for Senate filibustering or did Southern Democrats argument for states rights support the lie of racism

100 Americans Making Constitutional History Melvin I. Urofsky, 2004-04-28 100 Americans Making Constitutional History A Biographical History presents 100 profiles of the key people behind some of the most important U S Supreme Court cases Edited by Melvin I Urofsky a respected constitutional historian each 2 000 word profile delves into the social and political context behind landmark Court decisions For example while a case like Brown v Board of Education is about an important idea the equal protection of the law at its heart it is the story of a little girl Linda Brown who wanted to go to a decent school near her home The outcome is accessible and objective stories about the individuals heroes and scoundrels who fought their way to constitutional history 100 Americans Making Constitutional History helps students understand the human side of the Supreme Court s decisions from the early republic to the present Each biographical profile written by a constitutional scholar or legal analyst includes a discussion about the Court decision and how the specific legal issues evolved into great constitutional questions and drama It puts a face and history to major cases by reminding the reader that there are people behind them seeking vindication of their individual liberties and civil rights Each profile includes a brief bibliography for further research Excellent for undergraduate students studying American government American history Constitutional Law and journalism Sample List of Litigants Larry Flynt Hustler Magazine Inc v Falwell 1988 Elmer Gertz Gertz v Robert Welch Inc 1974 Demetrio Rodriguez Rodriguez v San Antonio Independent School District 1973 Curt Flood Flood v Kuhn 1972 Estelle Griswold Griswold v Connecticut 1965 Linda Brown Brown v Board of Education 1954 Gordon Hirabayashi Hirabayashi v United states 1943 Eugene Debs Debs v United states 1919 William Marbury Marbury v Madison 1803

[The Dark Past](#) William M. Wiecek, 2024 The Dark Past offers a historical overview and interpretive guide to all the major cases decided by US Supreme Court that have affected the freedom and rights of Black Americans since 1800 It lends coherence to what could otherwise be a disjointed chronicle of cases and connects the events of the past to the current era of racial inequality

Resisting Injustice and the Feminist Ethics of Care in the Age of Obama David A.J.

Richards,2014-02-05 David A J Richards s *Resisting Injustice and The Feminist Ethics of Care in The Age of Obama Suddenly All The Truth Was Coming Out* builds on his and Carol Gilligan s *The Deepening Darkness* to examine the roots of the resistance movements of the 1960s the political psychology behind contemporary conservatism and President Obama s present day appeal as well as the reasons for the reactionary politics against him Richards begins by laying out the basics of the ethics of care and proposing an alternative basis for ethics relationality which is based in convergent findings in infant research neuroscience and evolutionary psychology He critically analyzes patriarchal politics and states that they are rooted in a reactionary psychology that attacks human relationality and ethics From there the book examines the 1960s resistance movements and argues that they were fundamentally oriented around challenging patriarchy Richards asserts that the reactionary politics in America from the 1960s to the present are in service of an American patriarchy threatened by the resistance movements ranging from the 1960s civil rights movements to the present gay rights movement Reactionary politics intend to marginalize and even reverse the ethical achievements accomplished by resistance movements creating in effect a system of patriarchy hiding in democracy Richards consequently argues that Obama s appeal is connected to his challenge to this system of patriarchy and will examine both Obama s appeal and the reactions against him in light of the 2012 presidential election This book positions recent American political development in a broad analysis of the role of patriarchy in human oppression throughout history and argues that a feminist based ethics of care is necessary to form a more humane and inclusive democratic politics
