Equality And Liberty A Defense Of Radical Egalitarianism:

Equality and Liberty Kai Nielsen, 1985 Probably no issue is more confounding in the social policy arena or more closely argued among political philosophers than the question of the relationship between equality and liberty are they compatible in a just society In a systematic discussion that expands our understanding of what constitutes liberty equality and especially justice Professor Nielsen puts forth a vigorous defense of an uncompromising egalitarianism based on a commitment to the belief that the interests of everyone matter and matter equally Marshalling the most persistent arguments against egalitarianism the author presents accounts of Nietzschean elitism meritocracy and conservative libertarianism as well as various shades of egalitarianism and systematically responds to each opposing view Followers of contemporary debates will especially welcome Nielsen s searching critiques of the liberal egalitarianism of John Rawls and Ronald Dworkin and of the conservative libertarianism of Milton Friedman Frederich Hayek and particularly Robert Nozick *Justice of Marxism*

Zhang Xiaomeng, 2023-10-11 This book analyzes Marxian theories of justice within the context of contemporary political philosophy and intellectual history Transcending perspectives from classical Marxism the author analyzes how Western Marxism has engaged with critically and responded to the theories of justice especially since the 1970s The nine chapters cover major intellectual movements and multi dimensional frameworks of thought that critique and understand anew the idea of justice including anglophone debates on Marxism and justice global distributive justice and viewpoints from analytical Marxism radical egalitarianism the Frankfurt School Marxian feminism and ecological Marxism The second part of the book returns to the classical texts of Marxism with a focus on historical materialism and a critique of capitalism to reinterpret basic tenets of justice in Marxism and to reconstruct Marxian theory of justice This title will be of value to scholars and students interested in theories of justice Marxian philosophy and political philosophy **The Dual Challenge of Tolerable**

Economic Inequality Maurizio Bovi, 2025-09-02 This book tackles two central challenges in the discourse on economic inequality First there is no consensus on what constitutes a morally acceptable inequality as even philosophers struggle to conceptualize benchmarks for distinguishing between acceptable and unacceptable disparities Second while tolerable inequality has the potential to evolve into systemic patterns of polarization segregation and discrimination it can ultimately escalate into unjustifiable inequality This self reinforcing cycle complicates efforts to achieve equitable distributions The book explores these challenges in two sections through a multidisciplinary lens Part one discusses distributive justice and philosophical debates surrounding inequality s acceptable boundaries Part two employs the concept of social aggregations such as families cities firms and nations to examine how even initially tolerable inequality can spread and intensify through interconnected social systems By emphasizing the relational nature of inequality the book underscores its systemic complexity and the need for holistic understanding **A Coherence Theory in Ethics** Joseph P. Demarco, 2022-06-08 This book offers a comprehensive approach to moral experience It respects the many dimensions of our moral life which elude the

traditional philosophical theories that deal exclusively with principles consequences virtues or some other single dimension Working from a critique of such traditions the book shows how to integrate their values in a dynamic coherence Thus it is not just another ethical theory but a new level of philosophizing in ethics which rewards the reader with an enlarged and enriched vision of our complexity as moral beings

Marxism And The Moral Point Of View Kai Nielsen, 2021-11-28

Marxism and the Moral Point of View attempts to say what consistent Marxists working within the parameters of the canonical conceptions of Marxism should say about morality This includes what they should say about the function of morality in society about the extent of moral comment they can justifiably make and about freedom equality and justice including the justice of whole social formations Karl Marx and most Marxists follow him was opposed

Justice and Equality Peter Vallentyne, 2002-12 This collection of facsimile articles reprints the most influential essays on the subject of justice and equality published in the last hundred years They represent the theoretical debates and practical aspirations of democratic societies and the institutions that govern them Areas of coverage include the meaning scope and practical parameters defining contemporary notions of justice and social equality the conceptual foundation for requiring minimum justice and equality and who is entitled to justice and equality and who is obliged to provide these conditions and the legitimacy and limitations of universal procedural legal concepts of justice and equality

Social and Political Philosophy

John Christman, 2017-10-02 This accessible book is invaluable to anyone coming to social and political philosophy for the first time It provides a broad survey of key social and political questions in modern society as well as clear discussions of the philosophical issues central to those questions and to political thought more generally Unique among books of this kind is a sustained treatment of specifically social philosophy including topics such as epistemic injustice pornography marriage sexuality and the family The relation between such social questions and specifically political topics is discussed These topics include political authority economic justice the limits of tolerance considerations of community race gender and culture in questions of justice and radical critiques of current political theories Updates to the Second Edition emphasize the non statist areas of the subject and include two brand new chapters on social philosophy and transnational justice This Second Edition also includes revisions throughout and coverage of recent theoretical discussions and world events

In the Shadow of Justice Katrina Forrester, 2021-03-09 In the Shadow of Justice tells the story of how liberal political philosophy was transformed in the second half of the twentieth century under the influence of John Rawls In this first ever history of contemporary liberal theory Katrina Forrester shows how liberal egalitarianism a set of ideas about justice equality obligation and the state became dominant and traces its emergence from the political and ideological context of the postwar United States and Britain In the aftermath of the civil rights movement and the Vietnam War Rawls's A Theory of Justice made a particular kind of liberalism essential to political philosophy Using archival sources Forrester explores the ascent and legacy of this form of liberalism by examining its origins in midcentury debates among American antistatists and British

egalitarians She traces the roots of contemporary theories of justice and inequality civil disobedience just war global and intergenerational justice and population ethics in the 1960s and 70s and beyond In these years political philosophers extended developed and reshaped this liberalism as they responded to challenges and alternatives on the left and right from the New International Economic Order to the rise of the New Right These thinkers remade political philosophy in ways that influenced not only their own trajectory but also that of their critics Recasting the history of late twentieth century political thought and providing novel interpretations and fresh perspectives on major political philosophers In the Shadow of Justice offers a rigorous look at liberalism s ambitions and limits *Ethics* James P. Sterba, 2009-02-24 As with the first edition Utilitarian Kantian and Aristotelian viewpoints are all well represented here and this second edition features updated sections throughout including eighteen new readings and an entirely new section on multiculturalism Presents students with a unique focus on three main challenges to ethics feminism environmentalism and multiculturalism Pedagogical focus on the big questions motivates student interest Collects readings on all key traditional theoretical and practical questions in ethics

Libertarianism Craig Duncan, Tibor R. Machan, 2005-06-30 *Libertarianism For and Against* offers dueling perspectives on the scope of legitimate government Tibor R Machan a well known libertarian philosopher argues for a minimal government devoted solely to protecting individual rights to life liberty and property Against this view philosopher Craig Duncan defends democratic liberalism which aims to ensure that all citizens have fair access to a life of dignity In a dynamic exchange of arguments the two philosophers cut to the heart of this important debate *The American and British Debate Over Equality, 1776-1920* James L. Huston, 2017-10-16 *The American and British Debate Over Equality 1776 1920* examines comparisons between American ideals of a classless society and the contrasting British class system which accepted the existence of inequalities When the United States declared political independence in 1776 they also announced repudiation of social institutions based on inequality opting instead for an ill defined equality British travelers to the United States after 1776 and up to 1920 continuously wrote about how equality was faring in the United States and compared it to the operation of inequality in England Scotland and Ireland They laid bare the actual outcomes of a system of equality versus one of inequality this was no theoretical intellectual exercise but instead constituted a recording of actual human practices By the end of the nineteenth century the defects of a system of inequality became clear in manners social interchanges between income classes general education levels religious convictions and the general energy of a people The exploration of these nineteenth century comparisons has great relevance for today s persistent debates about social inequities and their solutions

The Spirit of Revolt Richard K. Fenn, 1986 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com *Inclusive Ethics* Ingmar Persson, 2017-01-26 *Inclusive Ethics* begins from two ideas which are part of our everyday morality namely that we have a moral reason to benefit or do good to other beings and that justice requires these benefits to be distributed equally A morality comprising these two general principles will be exceedingly hard

to apply as these principles will have to be balanced against each in an intuitive fashion but also because the notion of what benefits beings is quite complex comprising both experiential components of pleasure and successful exercises of autonomy Ingmar Persson argues that on philosophical reflection these ideas turn out to be more far reaching than we imagine In particular the reason to benefit commits us to benefit beings by bringing them into existence Further since grounds that are commonly used to justify that some are better off than others such as their being more deserving or having rights to more are untenable justice requires a more extensive equality The book concludes by reflecting on the problems of getting people to accept a morality which differs markedly from the morality with which they have grown up

The End of Politics Chris Dillow, 2007 New Labour's distinctive idea is that equality and efficiency are partners not enemies This the book argues is an example of managerialist ideology the belief that trade offs between conflicting values can be managed away by clever policies that management can replace politics This is not true The book is a plea to remove

Encyclopedia of Government and Politics M. E. Hawkesworth, Maurice Kogan, 2004 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers

Encyclopedia of Government and Politics Mary Hawkesworth, Maurice Kogan, 2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers

Socialism as the Development of Liberalism Satoshi Matsui, 2022-01-15 This book addresses the question of what socialism is according to fundamental values rather than institutions Arguing that Marxist socialism is not only more gradual but also more radical than how it is usually understood this book shows that

socialism extends liberalism by inheriting and furthering liberal justice including fundamental human rights Simultaneously socialism ultimately rejects liberalism because it does not consider liberal values such as liberty and equality society's primary principles Satoshi Matsui offers a new theory alienation has two dimensions Marxists seek to rectify policies that violate justice in a capitalist society and injustice in capitalism is alienation's first dimension From a communist society's perspective however justice itself is an alienated idea and the second dimension of alienation Marx's theory of alienation does not deny the liberal theory of justice but is rather a universal system that encompasses it By fundamentally reexamining Marxism this volume provides a basic guideline for overcoming capitalist society and constructing a communist society

Suffering and Bioethics Ronald Michael Green, Nathan J. Palant, 2014 Before curing was a possibility medicine was devoted to the relief of suffering Attention to the relief of suffering often takes a back seat in modern biomedicine This book seeks to place suffering at the center of biomedical attention examining suffering in its biological psychological clinical religious and ethical dimensions **The SAGE Encyclopedia of Business Ethics and Society** Robert W. Kolb, 2018-03-27 Thoroughly revised updated and expanded The SAGE Encyclopedia of Business Ethics and Society Second Edition explores current topics such as mass social media cookies and cyber attacks as well as traditional issues including accounting discrimination environmental concerns and management The new edition also includes an in depth examination of current and recent ethical affairs such as the dangerous work environments of off shore factories for Western retailers the negligence resulting in the 2010 BP oil spill the gender wage gap the minimum wage debate and increasing income disparity and the unparalleled level of debt in the U S and other countries with the challenges it presents to many societies and the considerable impact on the ethics of intergenerational wealth transfers Key Features Include Seven volumes available in both electronic and print formats contain more than 1 200 signed entries by significant figures in the field Cross references and suggestions for further readings to guide students to in depth resources Thematic Reader's Guide groups related entries by general topics Index allows for thorough browse and search capabilities in the electronic edition *God and the Grounding of Morality* Kai Nielsen, 1991-10-17 These essays make a single central claim that human beings can still make sense of their lives and still have a humane morality even if their worldview is utterly secular and even if they have lost the last vestige of belief in God Even in a self consciously Godless world life can be fully meaningful Nielsen contends Published in English

Equality And Liberty A Defense Of Radical Egalitarianism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Equality And Liberty A Defense Of Radical Egalitarianism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Equality And Liberty A Defense Of Radical Egalitarianism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Equality And Liberty A Defense Of Radical Egalitarianism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Equality And Liberty A Defense Of Radical Egalitarianism Books

1. Where can I buy Equality And Liberty A Defense Of Radical Egalitarianism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
