

THE  
**Equality**  
OF THE  
**HUMAN  
RACES**

**Anténor Firmin**

Translated by Asselin Charles

Introduction by Carolyn Fluehr-Lobban

# Equality Of The Human Races

**Margaret S Collins, Irving W  
Wainer, Theodore A. Bremner**

## **Equality Of The Human Races:**

**The Equality of the Human Races** Joseph-Anténor Firmin, 2002 Rediscovering an early scientific challenge to racism This is the first paperback edition of the only English language translation of the Haitian scholar Ant nor Firmin s The Equality of the Human Races a foundational text in critical anthropology first published in 1885 when anthropology was just emerging as a specialized field of study Marginalized for its radical position that the human races were equal Firmin s lucid and persuasive treatise was decades ahead of its time Arguing that the equality of the races could be demonstrated through a positivist scientific approach Firmin challenged racist writings and the dominant views of the day Translated by Asselin Charles and framed by Carolyn Fluehr Lobban s substantial introduction this rediscovered text is an important contribution to contemporary scholarship in anthropology pan African studies and colonial and postcolonial studies **Revolutionary Change and Democratic Religion** Celucien L. Joseph, 2020-04-15 In Revolutionary Change and Democratic Religion Celucien Joseph provides a fresh and careful reexamination of Haiti s intellectual history by focusing on the ideas and writings of five prominent thinkers and public intellectuals Toussaint Louverture Joseph Antenor Firmin Jacques Roumain Dantes Bellegarde and Jean Price Mars The book articulates a twofold argument First of all Haiti has produced a strong intellectual tradition from the revolutionary era to the postcolonial present and that Haitian thought is not homogeneous and monolithic Joseph puts forth the idea that the general interweaving themes of rhetoric the race concept race vindication universal emancipation religious pluralism secular humanism the particular and the universal and cosmopolitanism are representative of Haiti s intellectual tradition Secondly the book also contends that Haitian intellectuals have produced a religious discourse in the twentieth century that could be phrased religious metissage The religious ideas of these thinkers have been shaped by various forces ideologies religious traditions and philosophical schools In the same way the religious experience of the Haitian people should be understood in terms of conflicting heterodox and pluralistic manifestations of religious piety as the people in Haiti reacted to the crisis of slavery Western colonialism and imperialism and the arrogance of race in modernity in their striving to reposition themselves within the framework of universal and human metanarratives The book departs from the dominant contemporary Vodou scholarship that is often characteristic of North American and Western studies on the religious life of the Haitian people and Haitian thinkers Critical Philosophy of Race Robert Bernasconi, 2023 The fifteen essays by distinguished philosopher of race Robert Bernasconi that are collected here demonstrate why the critical philosophy of race needs to take a historical turn Genealogies of the concepts of both race and racism clarify why some of the dominant strategies for combatting racism tend to be ineffective For example the Boasian UNESCO strategy that highlights biology s rejection of race neglects cultural racism Drawing on the work of Frantz Fanon the late Sartre and Michel Foucault Robert Bernasconi argues for a holistic approach that integrates the concrete experience of racism faced by individuals into the study of institutional structural and systemic racism His philosophical studies of such

Black philosophers as Ottobah Cugoana Antenor Firmin and W E B Du Bois contribute to challenging the dominant philosophical canon This volume will be an essential resource for scholars and students interested in this resurgent topic

*The Inequality of Human Races* Arthur comte de Gobineau,1915      **Haiti in the British Imagination** Jack Daniel Webb,2020 Haiti in the British Imagination is the first book to focus on the diplomatic relations and cultural interactions between Haiti and Britain in the second half of the nineteenth century Through acts of dialogue Britons and Haitians impacted on the worldviews of one another and with that changed the political and cultural landscapes of the Atlantic World

Creolizing Rousseau Jane Anna Gordon,Neil Roberts,2014-12-17 In 1967 C L R James the much celebrated Afro Trinidadian Marxist stated that he knew of no figure in history who had such tremendous influence on such widely separated spheres of humanity within a few years of his death as the eighteenth century philosopher Jean Jacques Rousseau While this impact was most pronounced in revolutionary politics inspired by political theories that rejected basing political authority in monarchy aristocracy and the Church it extended to European literature to philosophies of education and the articulation of the social sciences But what particularly struck James about Rousseau was the strong resonance of his work in Caribbean thought and politics This volume illuminates these resonances by advancing a creolizing method of reading Rousseau that couples figures not typically engaged together to create conversations among people of seemingly divided worlds in fact entangled by colonizing projects and histories Doing this enables us to grapple with the meaning of creolization and the full range of Rousseau s legacies not only in contemporary Western Europe and the United States but in the Francophone colonies territories and larger Global South      Myth of Universal Human Rights David N. Stamos,2015-11-17 In this groundbreaking and provocative new book philosopher of science David N Stamos challenges the current conceptions of human rights and argues that the existence of universal human rights is a modern myth Using an evolutionary analysis to support his claims Stamos traces the origin of the myth from the English Levellers of 1640s London to our modern day Theoretical defenses of the belief in human rights are critically examined including defenses of nonconsensus concepts In the final chapter Stamos develops a method of naturalized normative ethics which he then applies to topics routinely dealt with in terms of human rights In all of this Stamos hopes to show that there is a better way of dealing with matters of ethics and justice a way that involves applying the whole of our evolved moral being rather than only parts of it and that is fiction free

Another white Man's Burden Tommy J. Curry,2018-11-27 Winner of the 2020 Josiah Royce Prize in American Idealist Thought presented by the Josiah Royce Society Another white Man s Burden performs a case study of Josiah Royce s philosophy of racial difference In an effort to lay bare the ethnological racial heritage of American philosophy Tommy J Curry challenges the common notion that the cultural racism of the twentieth century was more progressive and less racist than the biological determinism of the 1800s Like many white thinkers of his time Royce believed in the superiority of the white races Unlike today however whiteness did not represent only one racial designation but many Contrary to the view of the British

born Germanophile philosopher Houston S Chamberlain for example who insisted upon the superiority of the Teutonic races Royce believed it was the Anglo Saxon lineage that possessed the key to Western civilization It was the birthright of white America he believed to join the imperial ventures of Britain to take up the white man s burden To this end he advocated the domestic colonization of Blacks in the American South suggested that America s xenophobia was natural and necessary to protecting the culture of white America and demanded the assimilation and elimination of cultural difference for the stability of America s communities Another white Man s Burden reminds philosophers that racism has been part of the building blocks of American thought for centuries and that this must be recognized and addressed in order for its proclamations of democracy community and social problems to have real meaning

*The Routledge Companion to Music and Human Rights* Julian Fifer, Angela Impey, Peter G. Kirchsclaeger, Manfred Nowak, George Ulrich, 2022-05-30 The Routledge Companion to Music and Human Rights is a collection of case studies spanning a wide range of concerns about music and human rights in response to intensifying challenges to the well being of individuals peoples and the planet It brings forward the expertise of academic researchers lawyers human rights practitioners and performing musicians who offer critical reflection on how their work might identify inform or advance mutual interests in their respective fields The book is comprised of 28 chapters interspersed with 23 voices portraits that focus on individuals intimate experiences with music in the defence or advancement of human rights and explores the following four themes 1 Fundamentals on music and human rights 2 Music in pursuit of human rights 3 Music as a means of violating human rights 4 Human rights and music intrinsic resonances

Science And The Question Of Human Equality Margaret S Collins, Irving W Wainer, Theodore A. Bremner, 2019-06-21 This book provides an interdisciplinary look at racism and science investigating the biological and social realities of individual and group differences The contributors examine race and racial distinctions environmental versus genetic contributions to IQ and to cognitive skill level the impact of biocultural interactions on behavior and the problems of achieving an objective appraisal of inter and intragroup differences in humans They also consider a possible model for cultural and biological evolution recommending a careful selection of models and methods of approach for sciences concerned with the study of man The book includes recent findings in the area of race and IQ documents instances of racism and classism and analyzes factors underlying these phenomena

**Reimagining the Caribbean** Valérie K. Orlando, Sandra Cypess, 2014-07-01 This volume brings together scholars working in different languages Creole French English Spanish and modes of cultural production literature art film music to suggest how best to model courses that impart the rich vibrant and multivalent aspects of the Caribbean in the classroom Essays focus on discussing how best to cross languages histories and modes of discourse Instead of relying on available paradigms that depend on Western ways of thinking the essays recommend methods to develop a pan Caribbean perspective in relation to notions of the self uses of language gender hierarchies and ideas of nationhood Contributors represent various disciplines work in one of the several languages of the Caribbean and offer essays that reflect

different cadres of expertise      Just Dreaming Joe Amico,2013-01-02 Is the American Dream real Do we have a right to it or is it just suggestion Where did it come from Joseph Amico the son of Sicilian immigrants provides the answers to these key questions in this essay on American history and politics More importantly he explains why the dream is in jeopardy and how it can be saved Raised a Catholic Amico became a skeptic of politics and government after the assassination of President John F Kennedy Later when Martin Luther King Jr and Robert Kennedy were killed he knew something was seriously wrong With the war in Vietnam raging he joined the antiwar and civil rights movements Immersed in the politics of the day he saw only one answer to the nations problems social revolution Now looking both at the history and present state of the US Amico explores what is needed to for the nation to move forward to find a better way of doing things Our political forefathers promoted radical principles that helped the United States and its people prosper While we can still move in that direction it wont happen by listening to radio and television pundits who distort the views of our forefathers We must revisit the principles that our country was founded on and let what we know to be the truth become reality Amico an ordinary citizen seeks to shed some light on this complex subject so that we the people can claim whats rightfully ours instead of just dreaming

**Social Equality or Economic Equality. Should We be Equal?** Caroline Mutuku,2018-07-19 Essay from the year 2018 in the subject Business economics Economic and Social History grade 14 language English abstract Whenever we come across critical questions such as Are We All Equal or Should We be Equal One ambiguous term emerge from the conscious element of our human minds equality Consequently such a contentious topic of equality in turn awakens our curiosity which gradually develops into a craving desire to search for fundamental facts that can define equality comprehensively Indeed we do not have a clear or distinct definition of equality We are in abject need of a universal understanding on the basic principles of equality Equality which simply means the state of being equal in ordinary definition encompasses great ambiguity and social controversy in a human social nature Based on a popular debate on equality issue it can be argued that we have never been equal since exist of mankind However since the emergence of divergent views from different perspectives based on clearly understood aspects of human nature equality can now be defined appropriately only with respect to the preferred perspective in sense of basic principles of humanity      **The Japan Magazine** ,1924      Japan Magazine ,1924

**Between Two Worlds** Celucien L. Joseph,Jean Eddy Saint Paul,Glodel Mezilas,2018-02-07 Between Two Worlds Jean Price Mars Haiti and Africa is a special volume on Jean Price Mars that reassesses the importance of his thought and legacy and the implications of his ideas in the twenty first century s culture of political correctness the continuing challenge of race and racism and imperial hegemony in the modern world Price Mars s thought is also significant for the renewed scholarly interests in Haiti and Haitian Studies in North America and the meaning of contemporary Africa in the world today This volume explores various dimensions in Price Mars thought and his role as historian anthropologist cultural critic public intellectual religious scholar pan Africanist and humanist The goal of this book is fourfold it explores the

contributions of Jean Price Mars to Haitian history and culture it studies Price Mars engagement with Western history and the problem of the racist narrative it interprets Price Mars connections with Black Internationalism Harlem Renaissance and the Negritude Movement and finally the book underscores Price Mars contributions to post colonialism religious studies Africana Studies and Pan Africanism      **Race Matters** Anne-Marie Mooney Cotter,2016-05-23 Exploring the key legal issues in combating race discrimination Race Matters provides readers with a detailed understanding of the issue of inequality At its heart is an aim to increase the likelihood of achieving racial equality at both the national and international levels in so doing it examines the primary role of legislation and its impact on the court process It also discusses the two most important trade agreements of our day the North American Free Trade Agreement and the European Union Treaty in a historical and compelling analysis of racial discrimination By providing a detailed examination of the relationship between race and the law the book will be an important resource for those concerned with equality      Color at Home and Abroad George Mallison,1929      **Comparative Equality and Anti-Discrimination Law, Third Edition** David B. Oppenheimer,Sheila R. Foster,Sora Y. Han,Richard T. Ford,2020-02-28 This revised and updated casebook comprehensively compares the U S legal approach to problems of inequality and discrimination with the approaches of a variety of other legal systems around the world      Human Rights in Islam [Mawdudi] Abul A'ls Mawdudi,
