Equality Of Opportunity Within And Among Nations:

Equality of Opportunity Within and Among Nations Khadija Haq,1977 **Do African Children Have an Equal Chance?** Andrew Dabalen,Ambar Narayan,Jaime Saavedra-Chanduvi,Alejandro Hoyos Suarez,2014-10-20 Early access to education health services safe water and nutritious food improve the chances of a fruitful life This book highlights the significant progress Sub Saharan African countries have made in the past decades and the challenges that remain in ending extreme poverty and laying the foundations for shared prosperity **The Gap Between Rich and Poor Nations** G. Ranis,1972-01-01 *Schutzian Social Science* Lester E. Embree,Lester Embree,1999-10-31 Timed for the centennial of Alfred Schutz 1899 1999 this set of original essays documents the continuing relevance of his thought in economics geography sociology philosophy and political science and indicates the continuing interest in his thought in East Asia Western Europe and North America The authors of these essays are leading authorities in their countries and disciplines Schutz is the pre eminent phenomenological philosopher of the social sciences New materials from his Nachla concerning barriers to equality of opportunity including a report co authored with the political scientist Harold Lasswell are also included **A Nation Among Nations** Thomas Bender,2006-12-12 An original ambitious and consistently provocative book that should change the way we study and teach American history Eric Foner Columbia University In this major book Thomas Bender recasts the developments central to American history by setting them in a global context and showing both the importance and ordinariness of America s international entanglements over five centuries Bender focuses on five major themes beginning with 1492 and the age of discovery when people everywhere first felt the transforming effects of oceanic trade He asks us to see our Revolution as one of several similar rebellions around the globe and the Civil War as part of a larger history associating the new meaning of nationhood with freedom He also examines the American commitment to empire from Jefferson s presidency to our own time and makes it clear that America s responses to capitalist industrialization and urbanization were part of a worldwide conversation *Awakening the Spirit of America* Paul M. Sparrow,2024-06-04 A powerful new work of history that brings President Roosevelt his allies and his adversaries to life as he fought to transform America from an isolationist bystander into the world s first superpower In today s troubled times with authoritarianism escalating at home and abroad Sparrow s book reads like an all hands on deck wakeup call Highly recommended Douglas Brinkley Franklin Roosevelt awoke at 2 50 a m on September 1 1939 to the news that Germany had invaded Poland signaling the start of World War II The president had warned for years that Hitler s fascist regime posed an existential threat to democracy but the American public remained stubbornly isolationist as fascist sympathizing groups egged on by right wing media stars promoting anti Semitic conspiracy theories plotted to overthrow the president The situation was dire and Roosevelt quickly found himself facing an unexpected adversary Charles Lindbergh Wildly popular the famed aviator s youthful charm plainspoken rhetoric and media magnetism earned him a massive following as he led an aggressive attack on

FDR's policies Millions listened to Linberg's radio broadcasts and attended his rallies Powerful individuals including William Randolph Hearst Henry Ford and members of Congress supported him The German government provided secret funds to Lindbergh's Nazi followers as he led the radical America First Committee in an effort to prevent Roosevelt from aiding England's survival and the world's Awakening the Spirit of America brilliantly shows how Roosevelt overcame the forces aligned against him in a war against fascism Paul Sparrow former director of the FDR Presidential Library reveals how FDR's triumph of leadership was by no means a foregone conclusion Roosevelt's astute political maneuvers and persuasive use of language to preserve what he termed the spirit of America changed history and can still inspire today Sparrow brings readers into the rooms where key decisions were made focusing on the crucial role words media and propaganda played in the transformation of America into the protector of the free world Awakening the Spirit of America provides a riveting inside account of FDR's ultimate victory over pro Nazi isolationists and provides vital insight into American history and an iconic president

Passage to a Just Society Reza Rezazadeh,2003 For more information about the author and his publications visit www.democracywhere.com This study demonstrates that because their opposing nature democracy and capitalism or socialism cannot coexist To have a democratic society we have to replace capitalism or socialism with a democratic free market economy and take government out of regulating people's business and daily life The author attempts to present such a democratic concept its societal structure and function and how under such a system people understand the purpose of life work less hours yet have a prosperous leisurely and satisfying life The book is actually the story of some parts from the author's life written in an autobiographical form showing hardships sufferings failures incredible adventures romance and love he encountered in developing his theory and how persistence and determination despite repeated failures helped him to succeed in developing his theory and at the same time transformed him to a better human being

Officers' Reports to the ... Convention of the International Ladies' Garment Workers' Union International Ladies' Garment Workers' Union. General Executive Board,1918 Manufacturers' Association Bulletin ,1915 The Weekly Review ,1923 **Press Releases** United States. Department of State,1938 **Making Globalization Good** John H. Dunning,2004-09-16 Table of contents Law Books Published ,1978 Reproductive Freedom Maja Kirilova Eriksson,2021-09-27 This is the first book to provide a comprehensive investigation of reproductive freedom in the light of contemporary international law The author discusses reproductive freedom in the context of feminist legal theory international human rights and humanitarian law This holistic approach makes the book unique and enhances its value as a comprehensive resource on the most challenging and contentious issues of our time i.e legal abortion medically assisted reproduction surrogate motherhood forced pregnancy during armed conflicts and many others The author's aim is to advance current debates about gender equality and reproductive rights and to deepen the analysis of the legal concepts involved In surveying the international commitment to women's rights and examining critically the way in which international global and regional human rights bodies and ad hoc

international tribunals deal with issues pertaining to reproductive freedom and sexual violence this volume makes clear to what extent contemporary international law norms may be used as a tool for change and how they need to be adapted to meet the special needs of girls and women worldwide Finally the book explores what improvements are necessary to prevent and protect adolescents women and men against violation of their reproductive freedom **The Principle of Equal**

Economic Opportunity Before and Since the Establishment of the Mandates System Benjamin Gerig,1929

Justice Without Borders Kok-Chor Tan,2004-10-28 The cosmopolitan idea of justice is commonly accused of not taking seriously the special ties and commitments of nationality and patriotism This is because the ideal of impartial egalitarianism which is central to the cosmopolitan view seems to be directly opposed to the moral partiality inherent to nationalism and patriotism In this book Kok Chor Tan argues that cosmopolitan justice properly understood can accommodate and appreciate nationalist and patriotic commitments setting limits for these commitments without denying their moral significance This book offers a defense of cosmopolitan justice against the charge that it denies the values that ordinarily matter to people and a defence of nationalism and patriotism against the charge that these morally partial ideals are fundamentally inconsistent with the obligations of global justice Accessible and persuasive this book will have broad appeal to political theorists and moral philosophers
