Equinox And Other Poems:

Equinox, and Other Poems Trevor Kneale, 1972-01-01 **Equinox and Other Poems** David R. Slavitt, 1989 Equinox is a collection of twenty five poems on various subjects They are occasional in that most of them are the result of specific moments of experience *The Song of the Equinox, and Other Poems* Elizabeth Cameron, 192? **Spring Equinox and Other Poems** Ken McKeon, 1996 **Eight Longer Poems** David R. Slavitt, 1990 David R Slavitt brings together eight poems that deal largely with the mind's relation to history personal history and the history of myth and of empires In addressing these two seemingly independent modes of thinking and remembering Slavitt reveals that they are in fact closely related and that they are both part of our poetic consciousness *Thanatopsis and Other Poems* William Cullen Bryant, 1881

The Idyllia and Other Poems that are Extant of Bion and Moschus Bion (of Phlossa near Smyrna.), 1825

Paradise Lost and Other Poems John Milton, 2011-05-03 With the three works included in this volume *Paradise Lost* *Samson Agonistes* and *Lycidas* Milton placed himself next to Shakespeare Dante and Homer as one of the greatest literary genius in history **Vienna Blood & Other Poems** Jerome Rothenberg, 1980 *Vienna Blood Other Poems* is in some ways the most synthesizing of Jerome Rothenberg's recent collections pulling together work from the 1970s that stands apart from *Poland* 1931 1974 and *A Seneca Journal* 1978 yet at the same time continuing the enactment of past and present begun in those books But where before he chose to restrict his exploration to ancestral Jewish and Amerindian poetries Rothenberg now takes us on a series of broader journeys through the collapsed landscape of what he calls the new wilderness evoked as place as structure as mind Written both to be read quietly on the printed page and aloud in performance the poems in *Vienna Blood* though experimental and language centered are nevertheless the work of a poet who by his own admission is crazy for content make no mistake about it As if to underscore this point he has appended brief comments to most of the major sections of the book in order as he says to give it some context in the way of oral tradition usually reserved for poetry readings etc a little of which I now commit to writing Er of Pamphylia, and Other Poems Edward Henry Pember, 1908

The Creative Crone Sylvia Henneberg, 2010 Henneberg shows how these writers offer radically different but richly complementary strategies for breaking the silence surrounding age Rich provides an approach to aging so strongly intertwined with other political issues that its complexity may keep us from immediately identifying age as one of her chief concerns On the other hand Sartre's direct treatment of aging sensitizes us to its importance and helps us see its significance in such writings as Rich's *Meanwhile* Rich's efforts to politicize age create stimulating contexts for Sartre's work Henneberg explores elements of these writers' individual poems that develop themes of aging including imagery and symbol the construction of a persona and the uses of rhythms to reinforce the themes She also includes analyses of their fiction and nonfiction works and draws ideas from age studies by scholars such as Margaret Morganroth Gullette Kathleen Woodward and Thomas Cole From publisher description Figures of Resistance Richard H. Okada, 1991-10-18 In this revisionist study

of texts from the mid Heian period in Japan H Richard Okada offers new readings of three well known tales The Tale of the Bamboo cutter The Tale of Ise and The Tale of Genji Okada contends that the cultural and gendered significance of these works has been distorted by previous commentaries and translations belonging to the larger patriarchal and colonialist discourse of Western civilization He goes on to suggest that this universalist discourse which silences the feminine aspects of these texts and subsumes their writing in misapplied Western canonical literary terms is sanctioned and maintained by the discipline of Japanese literature Okada develops a highly original and sophisticated reading strategy that demonstrates how readers might understand texts belonging to a different time and place without being complicit in their assimilation to categories derived from Western literary traditions The author s reading strategy is based on the texts own resistance to modes of analysis that employ such Western canonical terms as novel lyric and third person narrative Emphasis is also given to the distinctive cultural circles as well as socio political and genealogical circumstances that surrounded the emergence of the texts Indispensable readings for specialists in literature cultural studies and Japanese literature and history Figures of Resistance will also appeal to general readers interested in the problems and complexities of studying another culture

Yellow Shoe Poets George Garrett, 1999-10-01 Since 1964 when Louisiana State University Press published its inaugural book of verse Miller Williams s A Circle of Stone its poetry list has grown exponentially 191 books by 93 poets into a program that inspires understandable pride in those associated with it Two collections have won the Pulitzer Prize The Flying Change 1986 by Henry Taylor and Alive Together 1996 by Lisel Mueller Another book by Mueller The Need to Hold Still 1980 won the National Book Award while several other LSU titles have been finalists for that distinction most recently The Fields of Praise 1997 by Marilyn Nelson and The Vigil 1993 by Margaret Gibson Dozens more have been recognized for their excellence through a host of various honors The Press publishes the winner of the annual Walt Whitman Award given by The Academy of American Poets for a first collection and in 1996 it launched the Southern Messenger series in collaboration with Dave Smith bringing two shining works into the fold each year The appearance of The Collected Poems of Robert Penn Warren in 1998 meant for the Press the realization of a long dearly held dream To mark this thirty five year old tradition as the century and millennium turn and to offer a sampling of its richness The Yellow Shoe Poets a retrospective anthology was compiled under the editorship of George Garrett a longtime colleague of the Press and the author of eight poetry volumes Say the LSU poets real fast with a southern drawl and you get the ridiculously wonderful moniker that poet Elizabeth Seydel Morgan s young friend innocently mistook for this noble band It s an image Brendan Galvin has appropriated to a perfect fit in his poem Yellow Shoe Poet written on behalf of his fellow yellow shoes across the years All 173 poems are taken from LSU Press books and were selected by the poets themselves if living Arranged alphabetically by author they consist of at least one poem from every poet published by the Press Goethe s admonition that one ought every day at least to read a good poem can find no better starting point than in The Yellow Shoe Poets *Vital Signs* Ronald Wallace, 1989 This anthology includes 179

poets published by university presses in recent years It seeks to provide a rich overview of the best contemporary American poetry irrespective of publisher age of poet aesthetic program or current status in the literary canon to celebrate the work of university presses in discovering and supporting that poetry and to suggest some questions about American poetry its democratization canonization aesthetics politics and sociology The volume includes brief histories of poetry publishing at each press their poetry lists and an essay on the American poetry scene of the last 20 years It features poems by such established poets as John Ashbery Marge Piercy Adrienne Rich and James Wright ISBN 0 299 12160 7 29 95 The Aleister Crowley Encyclopedia Harold Everett,2022-03-22 Aleister Crowley was an iconoclast and fascinating figure who shocked society with his debauched and occult behaviour Crowley is famous for his spiritual magic and occult studies He was called a dangerous Satanist but there are many layers and nuances to his mystical beliefs and his religious system called Thelema Crowley was a writer poet chess master painter spy journalist world traveller and mountain climber He was a big recreational drug user and experimenter and had a rather liberal attitude to sexual matters His ideas and personality have inspired many artists people and movements in modern times such as the New Age movement rock musicians and Wicca Find out more about Aleister Crowley his colourful life and ideas with this book The Aleister Crowley Encyclopedia

Understanding Adrienne Rich Jeannette E. Riley,2016-08-31 The journey of an important feminist writer through poetry prose and politics Among the most celebrated American poets of the past half century Adrienne Rich was the recipient of numerous awards including the Bollingen Prize the National Book Award and the Lannan Lifetime Achievement Award In Understanding Adrienne Rich Jeannette E Riley assesses the full scope of Rich s career from 1957 to her death in 2012 through a chronological exploration of her poetry and prose Riley details the evolution of Rich s feminist poetics as she investigated issues of identity sexuality gender the desire to reclaim women s history and what she terms the dream of a common language Throughout the book she documents Rich s gradually developing assertion that poetry can create social change and engage people in the democratic process Interweaving explications of Rich s poetry with analysis of her prose Riley offers a close look at the development of the author s voice from formalist poet to feminist visionary to citizen poet

Equinox And Other Poems Introduction

In the digital age, access to information has become easier than ever before. The ability to download Equinox And Other Poems has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Equinox And Other Poems has opened up a world of possibilities. Downloading Equinox And Other Poems provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Equinox And Other Poems has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Equinox And Other Poems. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Equinox And Other Poems. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Equinox And Other Poems, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Equinox And Other Poems has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
