Erewhon Erewhon Revisited:

EREWHON : EREWHON REVISITED Samuel Butler,1975 Erewhon and Erewhon Revisited Samuel Butler,1927 In Erewhon Higgs a young Englishman wanders into a long isolated utopia In Erewhon revisited Higgs s now grown son sets out to visit Erewhon himself EREWHON REVISITED SAMUEL BUTLER,1902 **Erewhon Revisited Twenty Years Later, Both by the Original Discoverer of the Country and by His Son** Samuel Butler,2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Erewhon Revisited Twenty Years Later** Samuel Butler,1916 *Erewhon Revisited* Samuel Butler,1929 **Erewhon Revisited** Samuel Butler,2004-06-01 It was Panky not Hanky who had given him the Musical Bank money Panky was the greater humbug of the two for he would humbug even himself a thing by the way not very hard to do and yet he was the less successful humbug for he could humbug no one who was worth humbugging not for long *Erewhon Revisited* Samuel Butler,2020-05-19 Samuel Butler s Erewhon Revisited is a satirical sequel to his highly successful Erewhon Mr Higgs meets many unpleasant accidents and surprises in Butler s utopian nation A new religion has come into existence as a result of distorted and misunderstood sayings and corruption has taken over society Butler s satire touches on subjects ranging from Darwin s theories of biological evolution to the intelligence of machines Before telling the story of my father s second visit to the remarkable country which he discovered now some thirty years since I should perhaps say a few words about his career between the publication of his book in 1872 and his death in the early summer of 1891 I shall thus touch briefly on the causes that occasioned his failure to maintain that hold on the public which he had apparently secured at first His book as the reader may perhaps know was published anonymously and my poor father used to ascribe the acclamation with which it was received to the fact that no one knew who it might not have been written by Omne ignotum pro magnifico and during its month of anonymity the book was a frequent topic of appreciative comment in good literary circles Almost coincidently with the discovery that he was a mere nobody people began to feel that their admiration had been too hastily bestowed and before long opinion turned all the more seriously against him for this very reason The subscription to which the Lord Mayor had at first given his cordial support was curtly announced as closed before it had been opened a week it had met with so little success that I will not specify the amount eventually handed over not without protest to my father small however as it was he narrowly escaped being prosecuted for trying to obtain money under false pretences The Geographical Society which had for a few days received him with open arms was among the first to turn upon him not so far as I can ascertain on account of the mystery in which he had enshrouded the exact whereabouts of Erewhon nor yet by reason of its being persistently alleged that he was subject to frequent attacks of alcoholic poisoning but through his own want of tact and a highly strung nervous state which led him to attach too much importance to his own discoveries and not enough to those of other people This at least was my father s

version of the matter as I heard it from his own lips in the later years of his life I was still very young he said to me and my mind was more or less unhinged by the strangeness and peril of my adventures Be this as it may I fear there is no doubt that he was injudicious and an ounce of judgement is worth a pound of discovery Erewhon ; And, Erewhon Revisited Samuel Butler,1942 Erewhon Revisited Twenty Years Later, Both by the Original Discoverer of the Country and by His Son Samuel Butler,2023-08-31 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision Erewhon Revisited Twenty Years Later Samuel Butler,2022-06-02 Erewhon Revisited the sequel to Erewhon Samuel Butler s acclaimed first novel finds adventurer Higgs returning to the mysterious distant land of Erewhon There he discovers its people ruled by a religious cult inspired by his hot air balloon escape thirty years earlier Devious professors Hanky and Panky have invented a new religion called Sunchildism and Higgs the unwitting Sun Child is not welcome The professors are determined to preserve their grip on Erewhonians leaving Higgs in mortal danger With the help of his newfound son Higgs must once again escape Erewhon if he is to survive Butler s humorous perceptive book is a penetrating satire of Christianity in Victorian England and is still as relevant and fresh today Erewhon Revisited is Samuel Butler s last novel Samuel Butler 1835 1902 was a revolutionary English novelist and critic He is best known for the utopian novel Erewhon 1872 and the posthumous semi autobiographical novel The Way of All Flesh 1903 Both of which have remained in print ever since Erewhon is renowned as one of the first books to explore the idea of machine evolution The English writer Aldous Huxley acknowledged the book s influence on his novel Brave New World while George Bernard Shaw deemed Butler the greatest English writer of the latter half of the nineteenth century Erewhon Revisited Samuel Butler,2020-11-03 Samuel Butler s Erewhon Revisited is a satirical sequel to his highly successful Erewhon Mr Higgs meets many unpleasant accidents and surprises in Butler s utopian nation A new religion has come into existence as a result of distorted and misunderstood sayings and corruption has taken over society Butler s satire touches on subjects ranging from Darwin s theories of biological evolution to the intelligence of machines

Butler,2018-12-11 Excerpt from Erewhon Revisited Twenty Years Later Both by the Original Discoverer of the Country and by His Son Analogy however between courses of events is one thing historic parallelisms abound analogy between the main actors in events is a very different one and one moreover of which few examples can be found The development of the new ideas in Erewhon is a familiar one but there is no more likeness between Higgs and the founder of any other religion than there is between Jesus Christ and Mahomet He is a typical middle class Englishman deeply tainted with priggishness in his earlier years but in great part freed from it by the sweet uses of adversity About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Erewhon** Samuel Butler,1932 Samuel Butler's "Erewhon" and "Erewhon Revisited" Horace James Bridges,1917 **Erewhon Revisited, Etc.
