## **Eric Gill The Sculpture:**

Eric Gill, the Sculpture Judith Collins, Eric Gill, 1998-01-01 A prolific engraver sculptor letter cutter and typographer and a prominent figure in the development of British art Eric Gill 1882 1940 chose to be remembered on his grave simply as a stone carver He carved his first figural sculpture in 1909 and his distinctive serene figures have since become familiar landmarks appearing in numerous churches and on village war memorials on buildings such as the BBC s Broadcasting House in London and in public and private collections throughout the world The expressive simplicity of Eric Gill s sculpture derives in part from his practice of carving directly from the block reviving a tradition largely neglected since the Middle Ages From slender crucifixes and tender Madonnas to lithe animals and voluptuous lovers his figures overflow with what the critic Roger Fry identified as an unquenchable will to live a will which sprang from a deep conviction of the interdependence of the spiritual and the sensual sides of life
