Classic Rhyme and Verse Eric Kincaid,2001-03-31 This gift book of poetry ranges from favourite nonsense rhymes to classic poems and the fantasy world of fairies

Postcolonial Borderlands Christine Walsh,2009-03-26 A traditionally nomadic people the Irish Travellers have experienced a long history of marginalization and discrimination in modern Ireland This volume explores colonisation as an unresolved trauma which has contributed to this marginalisation of Travellers both within Ireland and abroad Travellers traditionally oral culture has meant that they have until recently been excluded from many educational institutions and frameworks Focusing on two autobiographical works by Traveller writers Nan Joyce s *My Life on the Road* 2000 formerly Traveller 1985 and Se n Maher s *The Road to God Knows Where* 1972 1998 the prominence given to oral expression and narration suggests that memory is a collective process one whereby an individual s cultural identity develops on a communal level a level that is intimately connected to the natural world By re engaging with the official versions of Irish history as encompassed in narratives where Travellers are active participants Joyce and Maher reveal the seminal role of storytelling in the creation of a sense of nationhood for a people hitherto excluded to society s margins The writings of these Traveller authors also serve to construct a legitimate sense of belonging for Travellers within the modern Irish nation state By re engaging with such individual narrative voices it is possible to illuminate what is lost but also what is worth safeguarding for the future

underpinnings of children's stories From Beatrix Potter to Harry Potter Heneghan unearths the universal insights into our inextricable relationship with nature that underlie so many classic children's stories Some of the largest environmental challenges in coming years from climate instability the extinction crisis freshwater depletion and deforestation are likely to become even more severe as this generation of children grows up Though today's young readers will bear the brunt of these environmental calamities they will also be able to contribute to environmental solutions if prepared properly And all it takes is an attentive eye Heneghan shows how the nature curriculum is already embedded in bedtime stories from the earliest board books like *The Rainbow Fish* to contemporary young adult classics like *The Hunger Games* This book entralls as it engages *Beasts at Bedtime* will help parents teachers and guardians extend those cozy times curled up together with a good book into a lifetime of caring for our planet *Beasts at Bedtime* is proof that most kidlit has teachable moments embedded in it
