Scribners Charles Scribner III, 2023-11-07 Scribners tells the inside story of five generations over 150 years at the legendary publishing house of Charles Scribner's Sons beginning with its founding in an unused chapel in downtown New York continuing through its golden era on Fifth Avenue above the famous landmark bookstore and down to the present day The author the fifth of the Charleses to work at that house of celebrated authors provides here an inside view between the covers of illustrious and notorious books of the family members editors and authors of this colorful literary history Among the writers who illuminate this story we find in the early years Robert Louis Stevenson Rudyard Kipling Henry James Edith Wharton Teddy Roosevelt Winston Churchill John Galsworthy and the artists Charles Dana Gibson N C Wyeth and Maxfield Parrish who illustrated Scribner's Magazine as well as Scribner books Then with the arrival of editor of genius Max Perkins the story takes off into the heights of twentieth century fiction with Scott Fitzgerald Thomas Wolfe Marjorie Kinnan Rawlings Marcia Davenport Alan Paton James Jones and above all Ernest Hemingway that most loyal and enduring author whose works were published by four generations of Scribners Famous children's classics *The Wind in the Willows* *Peter Pan* and *The Yearling* also take their place of honor in the firm's contribution to new generations of readers This engaging personal account of family history both in and out of the office includes the most colorful controversies from Mussolini and Trotsky to Lindbergh and C P Snow as well as behind the scenes adventures of the author's father as he navigated the seas with industry storms and publishing corsairs before finding a safe harbor at Macmillan and finally after the demise of tycoon Robert Maxwell Simon Schuster The author an art historian found himself for thirty years in the company of writers by an accident of birth But it proved an adventure beyond his reckoning here told with the candor and informality of a family gathering as well as with humor and affection for his father P D James Louis Auchincloss Andrew Greeley and other authors with whom he worked personally As Scott Fitzgerald wrote If it wasn't life it was magnificent [The Publishers' Trade List Annual](#) ,1992 **The New Book of Knowledge** Donna M. Katz,Linda Sternberg Katz,1985 *Orphanage Tourism in Nepal* Dr. Esther Bott,2025-02-11 This book tackles for the first time the complex issues surrounding the phenomenon of orphanage tourism which is a growing and highly lucrative tourism niche in Nepal and several other economically developing countries The book explores the occurrence of orphanage tourism in Nepal how it is experienced understood sustained opposed and crucially how it shapes the lives of the children involved Rather than exploring the motives of tourists who engage in volunteering in orphanages while on holiday as so much extant literature does the book examines the factors that contribute to the emergence of commercial orphanages and the experiences of the children involved A central concern is to illustrate the inadequate ways in which orphanage tourism is understood framed and politicised especially in terms of who is blamed for its prevalence and how various Western entities position themselves as agents of rescue By examining Nepal s socioeconomic and geopolitical landscape as well as the role of Western international development and structural adjustment and the impacts of tourism the book presents a deeper and more complete picture of the emergence of orphanage tourism and other forms of child labour Furthermore by examining the everyday realities of life in Nepal especially for children and young adults who grew up in contact with Western volunteers in commercial orphanages the simplistic depiction of orphans as victims who need saving from villains by heroes is dismantled The book is especially focused on showing how the historical and everyday realities of life for children compelled to work are all too often ignored obscured and distorted in the interventionist discourse that is beginning to surround orphanage tourism I will argue that common orphan tropes imbued with desperation and vulnerability are circulated in no small way towards predominantly fulfilling the agendas of various Western parties *Nantucket Impressions* Robert Gambee,2001-10-02 Gambee s photographs speak magic New York Times *Art Books* ,1950 Including an international directory of museum
