Off-Season Ken McAlpine, 2010-07-07 No Longer the Forgotten Season. Just after Labor Day, Ken McAlpine said good-bye to his family and began a drive up the East Coast from Florida to Maine on a one-man quest to capture the elusive forgotten season of beach towns shuttered until the return of warm weather. Off-Season is a moving portrait that brings to life the magic of the sea and shore in winter, the charm of beach towns emptied of summer crowds, and the warmth and eccentricities of year-round coastal residents who revel in small town spirit. McAlpine skipped the more popular destinations like Nags Head, Virginia Beach, Cape May, and the Hamptons, opting to visit lesser-known locales like Sharpes, Florida, Tangier Island, Virginia, and Montauk, New York. There, he found people who celebrated the departure of the tourists with the cautious hope they'd return next summer. He encountered fishermen struggling to make a living, a former playboy lifeguard now ministering to the elderly and ill, a marine policeman both reviled and respected, a lone kayaker paddling away his grief, a couple fighting to save the world's coral reefs, divers searching for everything from false teeth to dead bodies in dark waters, and deserted snow-covered beaches more beautiful than anyone could describe. More than a travelogue and a whole new breed of beach read, Off-Season is a stroll off the beaten path and a look at the people and places in our country that keep the spirit of community alive.

Erik's Un Amor Cree Storm, Everyone is lying to Cory, and he is getting fed up. Someone was going to tell him the truth, or his Kitten was going to come out in full force. He may shift into a house cat, but it was a Main Coon cat, and that was not an animal to mess with. Jotham had problems within his coven, and as Rei, it was up to him to fix them. He didn't have time for his enforcer's new mate's best friend's questions and nosing around. Intent on getting Cory to leave, Jotham goes to speak with him and is in shock to find that Cory is not only his mate, but he is not all human. He must have him, but Cory doesn't seem to want anything to do with him or his coven. Cory needs time to think things through, so he does the one thing that always clears his mind: he shifts and goes for a stroll, only to come across men plotting the death of his mate, Jotham, and destruction of the coven. Can Cory put aside his anger, hurt, and distrust to help save his vampire mate Jotham? His only concern is for his mate. Because if he can't
