Jet ,1993-01-25 The weekly source of African American political and entertainment news New York Magazine ,1993-01-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea ,1993-01-25 The weekly source of African American political and entertainment news <u>Iet</u> ,1993-01-25 The weekly source of African American political and entertainment news Hollywood or History? Sarah J. Kaka, 2022-01-01 The rationale for the present text Hollywood or History An Inquiry Based Strategy for Using Film to Teach About Inequality and Inequity Throughout History stems from two main things First and foremost is the fact that the reviews of the first two volumes in the Hollywood or History series have been overwhelmingly positive especially as it pertains to the application of the strategy for practitioners Classroom utility and teacher practice have continued to be the primary objectives in developing the Hollywood or History strategy The second thing is that this most recent volume in the series takes it in a new direction rather than focusing on eras in history it focuses on the themes of inequity and inequality throughout history and how teachers can utilize the Hollywood or History strategy to tackle some of the more complicated content throughout history that many teachers tend to shy away from There is a firm belief that students connection to film along with teachers ability to use film in an effective manner will help alleviate some of the challenges of teaching challenging topics such as inequity and inequality in terms of gender race socioeconomic status and so much more The book provides 30 secondary lesson plans grades 6 12 that address nine different topics centered around inequality throughout history many of which connect students to the world we are living in today The intended audience for the book are teachers who teach social studies at the 6th 12th grade level both in the United States and other countries An additional audience will be college and university social studies history methods professors in the United States and worldwide **Breaking the Silence** Sara Murphy, 1997-07-01 Forty years later Sara Murphy a key member of the WEC recounts the rarely told story of these courageous women who formed a resistance movement With passion and sensitivity she reconstructs the challenges and triumphs of that battle which issued from the mutual link Southern white women shared with disfranchised African Americans in their common goal for full citizenship Disney A to Z: The Official Encyclopedia, Sixth Edition Steven Vagnini, Dave Smith, 2023-09-26 If you re curious about The Walt Disney Company this comprehensive newly revised and updated encyclopedia is your one stop guide Filled with significant achievements short biographies historic dates and tons of trivia worthy tidbits and anecdotes this newly updated collection covers all things Disney from A to Z through more than nine thousand entries and two hundred images across more than a thousand pages The sixth edition includes all the major Disney
