Ernest Shand 23 Guitar Solos From Victorian England

Vincenzo Pucci

Ernest Shand 23 Guitar Solos From Victorian England:

Recording the Classical Guitar Mark Marrington, 2021-03-30 Recording the Classical Guitar charts the evolution of classical guitar recording practice from the early twentieth century to the present day encompassing the careers of many of the instrument's most influential practitioners from acoustic era to the advent of the CD. A key focus is on the ways in which guitarists recorded repertoire programmes have shaped the identity of the instrument particularly where national allegiances and musical aesthetics are concerned. The book also considers the ways in which changing approaches to recording practice have conditioned guitarists' conceptions of the instrument's ideal representation in recorded form and situates these in relation to the development of classical music recording aesthetics more generally. An important addition to the growing body of literature in the field of phonomusicology, the book will be of interest to guitarists and producers as well as students of record production and historians of classical music recording.

Mel Bay presents The complete works Agustín Barrios Mangoré, 2003 Contains 110 musical arrangements of the great classical guitarist from Paraguay

Il Fronimo, 2004

Guide to the guitarist's modern and contemporary repertoire Vincenzo Poggi, 2002 Radio Times, 1948 From the Romantic Era, 1960
