Erneuerte Gemeinden:

Der Brief an die Gemeinden in Galatien Peter von der Osten-Sacken, 2019-03-27 The Letter to the Galatians is intended to resolve a conflict New missionaries are spreading the view that one has to be circumcised in order to belong to God's people Against this Paul argues that through Jesus Christ the son of Abraham and the son of God and his sacrifice on the Cross those who belong to him are also children of Abraham and at the same time children of God and they are free from the Law This view of the Gospel as representing freedom from the Biblical and Jewish Law went on to make history often with anti Jewish undertones But in the Letter to the Galatians Paul again advocates a very much wider understanding of the Hebrew Bible On the basis of that understanding he presses the view that devotion to Jesus Christ means liberation into a new life In hermeneutic reflections and in a longer concluding section the commentary enters into an engaging and critical discussion with the Pauline Gospel Erneuerte Rechenschaft über das evangelische Gesangbuch Stier, 1852 **Erneuerte**

In der nachkonziliaren Zeit 1965-1978 wurde die Katholische Kirche in globalem Ausmaß durch extrinsische und intrinsische Stimuli bewegt und erschüttert. Umso bedeutsamer erscheint die Art und Weise, mit der sich KatholikInnen der Zeit die Impulse des II. Vaticanums zu Eigen machten und versuchten, in weltweit stattfindenden Diözesansynoden weiter zu entwickeln. Der ausgeprägte Gestaltungswille des Klerus und der Laien als bergreifendes Merkmal dieser Synoden prägte eine Dekade der Kirchengeschichte, die als Spannungsfeld protodemokratischer Mitbestimmung in der Kirche und der immer wieder durchschlagenden Jurisdiktionsvollmacht der Diözesanbischöfe beschreibbar scheint und war doch auch gekennzeichnet von einer Aufbruchsstimmung in den Diözesen, die in der Kirchengeschichte ihres Gleichen sucht. Die vorliegende Abhandlung widmet sich dieser dynamischen Entwicklung in der österreichischen Katholischen Kirche in der dieses Diözesan-Synodengeschehen fast flächendeckend stattfand. **Statistik des Kreises Schleusingen im Königl.
