Ernie Pyles Southwest:

Ernie Pyle's Southwest Ernie Pyle, 1965 In 1935 and 1936 Ernie Pyle traveled the depression ridden Southwest United States The columns in this book derive from those travels **Ernie Pyle in the American Southwest** Richard Melzer, 2016 Ernie Pyle ranks with Richard Harding Davis John Reed and Edward R Murrow as one of the greatest war correspondents in American history But he was different from all the correspondents who went before him or followed him in the combat zones of the world While the others reported on the big picture of troop movements and massive battles Pyle wrote about the fighting soldier and his plight on the front lines It was said that Pyle's daily columns gave nothing more and nothing less than a worm's eye view of World War II Richard Melzer does for Ernie Pyle what Ernie Pyle did for thousands of average G I's overseas he describes Pyle's joys and struggles from Ernie's perspective in candid straightforward terms The result is a focused biography rich in detail and broad in appeal just as Ernie would have liked it Book News reported A well written and researched slice of the famous war correspondent's peripatetic life **Ernie Pyle's Southwest**, 2003-09 This book is a collection of famed journalist Ernie Pyle's writings about the South West The roads were bad and nonexistent in many parts of the SW when Ernie Pyle made his expeditions into the realm of solitude The depression was gripping the nation during 1935-39 the period covered by these columns He had been saddened by the sight of penniless America Selling Apples desperately seeking work drifting from one place to another blinded by the grip of the dust bowl beset by cold and hunger in the big city Ernie Pyle was seeking solace not alone for himself but for all Americans He was a vicarious emissary of the destitute dreaming of a Valhalla in the promised land He thought the promised land as a whole might be in the desert and that is where he searched for it *Legends of the American Desert* Alex Shoumatoff, 2013-07-17 For his brilliant reportage ranging from the forested recesses of the Amazon to the manicured lawns of Westchester County New York Alex Shoumatoff has won acclaim as one of our most perceptive guides to the oddest corners of the earth Now with this book he takes us on a kaleidoscopic journey into the most complex and myth laden region of the American landscape and imagination In this amazing narrative Shoumatoff records his quest to capture the vast multiplicity of the American Southwest Beginning with his first trip after college across the desert in a station wagon some twenty five years ago he surveys the boundless variety of people and experiences constituting the place the idea that has become America's symbol and last redoubt of the Other From the Biosphere to the Mormons from the deadly world of narcotraffickers to the secret lives of the covertly Jewish conversos Shoumatoff explores the many alternative states of being who have staked their claim in the Southwest making it a haven for every brand of refugee fugitive and utopian And as he ventures across time and space blending many genres history anthropology natural science to name only a few he brings us a wealth of information on chili addiction the diffusion of horses the formation of the deserts and mountain ranges the struggles of the Navajo to preserve their culture and countless other aspects of this place we think we know Full of profound sympathy and unique insights *Legends of the American Desert*

From that modest beginning Kayenta became the center of Navajo gatherings and exploring expeditions to Rainbow Bridge, Monument Valley, and the grand cliff dwellings in Tsegi Canyon. Soon came a parade of visitors including authors, painters, and archaeologists, as well as cowboys, miners, traders, and tourists. The Kayenta Township today is home to descendants of the early inhabitants and the hub for thousands of annual visitors from around the world who come to see the magnificent region known as Monument Valley. The 250th Field Artillery Men Remember World War I Ruby Gwin,2012 The war memories for each were not easy to tell or write for some had repressed them long ago We have been able to live the

American Dream through dedicated soldiers as the 250th Field Artillerymen They spent many nights together away from home with ties that would bind them together that has never loosened over the years Their stories are inspiring ones of faith courage patriotism and some told with humor which helped to put their experience into perspective somewhat During this time our people here at home were doing their part in every way they could Everyone listened to the radio for further news The good news finally came from Day of Infamy to VE VJ Day As a light weight 105mm howitzer battalion they would become known for their firing power They made history and are leaving a legacy to be most proud They proved they still can answer to the call of duty I am proud to say never once did I not enjoy my work with each of these men Let s just say we have a deeper friendship than when we began this project together I became their ears and wrote the word for many of them I scribbled making notes as they talked and then when hunched over my keyboard to translate from them working into the early morning hours I pray I conveyed each story as each of them would have As I wrote I got the sense what the American flag meant to each it symbolized a Tradition of Caring I wrote with a lump in my throat and a tear in my eyes and yes a little snicker *Exploring Indiana Highways* Michael Heim,2007 *Southwestern Historical Quarterly* ,1997 Soldiers ,1971
