

Ernst Junger

Thomas R. Nevin

Ernst Junger:

Storm of Steel Ernst Junger, 2016-05-31 One of the great war memoirs now featuring a foreword by the New York Times bestselling author of *Matterhorn* in time for the centenary of World War I and the Battle of the Somme A worldwide bestseller published shortly after the end of World War I *Storm of Steel* is a memoir of astonishing power savagery and ashen lyricism It illuminates not only the horrors but also the fascination of total war as seen through the eyes of an ordinary German soldier Young tough patriotic but also disturbingly self aware Ernst Junger exulted in the Great War which he saw not just as a great national conflict but also more importantly as a unique personal struggle Leading raiding parties defending trenches against murderous British incursions simply enduring as shells tore his comrades apart Junger keeps testing himself braced for the death that will mark his failure His account is ripe for rediscovery upon the centennial of the Battle of the Somme a major set piece in *Storm of Steel* and a bracing read for fans of *Redeployment* and *American Sniper* For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Details of Time Julien Hervier, 1995 From a series of informal interviews at the time of the author's ninetieth birthday *The Details of Time* Conversations with Ernst Junger is the intense account of a life spanning the whole of the twentieth century Both witness and active player in some of our century's most dramatic and often tragic moments Junger talks here with remarkable candor of the events and ideas that shaped him as a writer Scarred by terrible ironies and contradictions Junger's extraordinary career holds as much fascination as his writing escape to Africa as a teenager to join the French foreign legion wounded fourteen times in the trenches and awarded Germany's highest distinction during World War I service as an officer in Occupied France during World War II while writing *On the Marble Cliffs* a thinly veiled attack on the Nazi regime that slipped past the censors to gain notoriety as an international best seller his association with the July 20 assassination attempt against Hitler and finally the difficult years of a notorious man of letters who would also become a noted entomologist and a onetime dabbler in hallucinogenics These conversations are an intense reflection on the major events of the author's life from a childhood marked by the Dreyfuss Affair and the sinking of the Titanic to his meetings with such major figures as Heidegger Borges Picasso and Braque Junger treats ambiguous sometimes alarming beliefs with rare honesty affording an absorbing often haunting look into the mind of one of Europe's most renowned writers Full of wit and wisdom *The Details of Time* is a perfect introduction to Junger's work as well as a personal testament to a life in which *joie de vivre* and intellect are inevitably intertwined

Ernst Jünger and Germany Thomas R. Nevin, 1996 For most of his life Ernst Junger one of Europe's leading twentieth century writers has been controversial Renowned as a soldier who wrote of his experience in the First World War

he has maintained a remarkable writing career that has spanned five periods of modern German history In this first comprehensive study of J nger in English Thomas R Nevin focuses on the writer s first fifty years from the late Wilhelmine era of the Kaiser to the end of Hitler s Third Reich By addressing the controversies and contradictions of J nger a man who has been extolled despised denounced and admired throughout his lifetime Ernst J nger and Germany also opens an uncommon view on the nation that is if uncomfortably represented by him Ernst J nger is in many ways Germany s conscience and much of the controversy surrounding him is at its source measured by his relation to the Nazis and Nazi culture But as Nevin suggests J nger can more specifically and properly be regarded as the still living conscience of a Germany that existed before Hitler Although his memoir of service as a highly decorated lieutenant in World War I made him a hero to the Nazis he refused to join the party A severe critic of the Weimar Republic he has often been denounced as a fascist who prepared the way for the Reich but in 1939 he published a parable attacking despotism Close to the men who plotted Hitler s assassination in 1944 he narrowly escaped prosecution and death Drawing largely on J nger s untranslated work much of which has never been reprinted in Germany Nevin reveals J nger s profound ambiguities and examines both his participation in and resistance to authoritarianism and the cult of technology in the contexts of his Wilhelmine upbringing the chaos of Weimar and the sinister culture of Nazism Winner of Germany s highest literary awards Ernst J nger is regularly disparaged in the German press His writings as this book indicates put him at an unimpeachable remove from the Nazis but neo Nazi rightists in Germany have rushed to embrace him Neither apology whitewash nor vilification Ernst J nger and Germany is an assessment of the complex evolution of a man whose work and nature has been viewed as both inspiration and threat **Ernst Jünger. [With a List of His Works.].** Ernst Jünger,1962 **The Devil's Captain** Allan

Mitchell,2011-05-01 Author of Nazi Paris a Choice Academic Book of the Year Allan Mitchell has researched a companion volume concerning the acclaimed and controversial German author Ernst J nger who if not the greatest German writer of the twentieth century certainly was the most controversial His service as a military officer during the occupation of Paris where his principal duty was to mingle with French intellectuals such as Jean Cocteau and with visiting German celebrities like Martin Heidegger was at the center of disputes concerning his career Spending more than three years in the French capital he regularly recorded in a journal revealing impressions of Parisian life and also managed to establish various meaningful social contacts with the intriguing Sophie Ravoux for one By focusing on this episode the most important of J nger s adult life the author brings to bear a wide reading of journals and correspondence to reveal J nger s professional and personal experience in wartime and thereafter This new perspective on the war years adds significantly to our understanding of France s darkest hour *Ernst Jünger* Alain De Benoist,2022-09 Ernst J nger 1895 1998 was a soldier an adventurer and one of the most prolific and celebrated European writers of the twentieth century J nger s most famous works are his First World War memoir Storm of Steel 1920 his treatise on technology and modernity The Worker 1932 and his dystopian novel

On the Marble Cliffs 1939 Alain de Benoist has written an ideal introduction to Jünger's long life and vast body of work. Benoist illuminates the central figures in Jünger's works: the Soldier, the Worker, the Rebel, and the Anarch. Benoist devotes special attention to The Worker as well as Jünger's debts to Nietzsche and Spengler, his relationship to the German Conservative Revolutionary movement, and his dialogues with Heidegger, Drieu la Rochelle, and his brother Friedrich Georg Jünger. Benoist's volume is not just a scholarly survey of the history of ideas; for he also draws upon his friendship and correspondence with Jünger. This volume invites you to join their conversation. *Ernst Jünger Werke* Ernst Jünger, 1922

Ortner's story, by Ernst Jünger, 1958 *German Writings Before and After 1945: E. Junger, W. Koeppen, I. Keun, A. Lernet-Holenia, G. Von Rez* Ernst Jünger, Jürgen Peters, 2002-08-15 This unique collection concentrating on the years 1938-48 includes the following authors and works: Ernst Jünger: From The First Paris Diary and The Second Paris Diary; Irmgard Keun: From After Midnight; Wolfgang Koeppen: From Death in Rome; Alexander Lernet-Holenia: From Mars in Aries; Gregor von Rezzori: L. Winger's Room; Ernst von Salomon: From The Questionnaire; Arno Schmidt: Scenes from the Life of a Faun. **Ernst Jünger** Justin Clemens, Nicolas Hausdorf, Birgit Lang, Marilyn Stendera, Giles Fielke, 2021-12-01 More than twenty years after Ernst Jünger's death in 1998, the controversial German writer's work continues to compel the attention of readers, critics, and scholars. In early 2019 Jünger's diaries, the *Strahlungen*, written while he was an officer in occupied Paris during World War II, were published in English to wide acclaim. These intimate accounts of high literary and philosophical quality reveal Jünger negotiating compliance with acts of subversion and resistance against the Nazi regime. His life is evidence that history can be both real and unrealistic at once, crystallising something essential about a twentieth century that witnessed the rise of total mobilisation, global war, and unprecedented technologies of mass extermination. This volume presents four new essays by established and emerging scholars on Jünger's work and legacy. Together they provide biographical, philosophical, psychological, and aesthetic access points to a major twentieth-century German intellectual who, like few others, invites us to investigate the ambiguities, constraints, and imperatives of our own times. Reactionary Modernism Jeffrey Herf, 1986-05-31 In a unique application of critical theory to the study of the role of ideology in politics, Jeffrey Herf explores the paradox inherent in the German fascists' rejection of the rationalism of the Enlightenment while fully embracing modern technology. He documents evidence of a cultural tradition he calls reactionary modernism, found in the writings of German engineers and of the major intellectuals of the Weimar right: Ernst Jünger, Oswald Spengler, Werner Sombart, Hans Freyer, Carl Schmitt, and Martin Heidegger. The book shows how German nationalism and later National Socialism created what Joseph Goebbels, Hitler's propaganda minister, called the steel-like romanticism of the twentieth century. By associating technology with the Germans rather than the Jews, with beautiful form rather than the formlessness of the market, and with a strong state rather than a predominance of economic values and institutions, these right-wing intellectuals reconciled Germany's strength with its romantic soul and national identity. **Ernst Junger - a Portrait** Lennart Svensson, 2014-09-24 This is a popular Jünger

biography for the English speaking world a personal portrait painted by an avid Jungel reader The book starts out with a thorough biography of Jungel's life

The Conservative Revolution in the Weimar Republic Roger Woods, 1996-03-25 Embracing some of Germany's best known writers academics journalists and philosophers the Conservative Revolution in the Weimar Republic was the intellectual vanguard of the Right By approaching the Conservative Revolution as an intellectual movement this study sheds new light on the evolution of its ideas on the meaning of the First World War its appropriation of the work of Friedrich Nietzsche its enthusiasm for political activism and a strong leader and its ambiguous relationship with National Socialism

Storm of Steel Ernst Junger, 2018-06-14 the most powerful memoir of any war DAILY TELEGRAPH NEWSPAPER Britain critical success revels in the glory of combat NEW YORK TIMES one of the greatest works about the First World War THE INDEPENDENT NEWSPAPER Britain NUMBER ONE NEW RELEASE for Kindle in Biography Memoirs World War I for August September 2017 STORM OF STEEL is possibly the greatest combat memoir of the modern era It is a universal first hand account of the terrifying calamity that was the First World War of 1914-18 It is told through German eyes but appeals to all humanity regardless of nation This new edition is a first translation in American English not British English and is designed especially for American readers This is a breathtaking never to be forgotten account of war Combat sequences are riveting detailed and precise The book appeals to both students of military history and to general readers of quality literature about the human condition This war memoir focuses on daily life in the combat trenches and its haunting pathos Although narrated through German eyes it could be the story of any army of any nation Grisly death and woundings are commonplace However there are also noble deeds of heroism and self sacrifice of average men willing to fight and die for each other It is a universal tale of humanity both evil and good sin and redemption This new translation is completely in American English not British English It is the only translation of the early edition of 1921-22 when the author was still in the German Army It is the closest English edition yet to the original combat Previous translations were by British educated writers and based on editions revised long after the war American audiences will appreciate this new translation in American English rather than British English It uses modern military terminology and provides fuller descriptions of European history and geography It especially brings to life the German author's unusual fascination with the American West Indeed the author Jungel stands as a symbol of repentance and forgiveness He was one of the most decorated German soldiers ever but later used his prominence to movingly advocate the reconciliation of former enemies His narrative contains poignant passages about lost souls upon the battlefield that know no national boundaries New scholarship reveals that author Ernst Jungel became a daring anti-Nazi during the Second World War In 1944 he supported the German officers who sought to assassinate Adolf Hitler and only escaped arrest and execution through a stunning twist of fate Instead Ernst Jungel survived to be one of the greatest German novelists of all time not passing until the grand age of 102 in 1998 BH Masterworks is an imprint of Boston Hill Press a premier publisher of quality books in history What people have said about STORM OF STEEL

The greatest war memoir I have ever read undoubtedly the most powerful memoir of any war combines the most astonishing literary gifts with absorption with war in every detail THE DAILY TELEGRAPH NEWSPAPER Britain critical success a memorial to fallen comrades and an attempt to make sense of his war experiences revels in the glory of combat NEW YORK TIMES USA one of the greatest works about the First World War along with those by Erich Maria Remarque Henri Barbusse e e cummings David Jones and Lucien Descaves THE INDEPENDENT NEWSPAPER Britain a surgically precise view of battle ECONOMIST MAGAZINE Britain Reviews may refer to different editions of STORM OF STEEL which was published 6 times in German 3 times in English Ernst Jünger: a Writer of Our Time ,1953 **Ernst Jünger Werke** Ernst Jünger,1930

The storm of steel, by ernst junger Ernst Junger,1929 *Weimar Modernism* David C. Durst,2004-01-01 In this work David C Durst explores the development of modernism in the philosophy politics and culture of the first German Republic between 1918 and 1933 Through a reasoned critique of various Weimar intellectual figures such as Ernst Bloch Martin Heidegger and Theodor Adorno Durst offers clarity and insight into the various aesthetic postures of the interwar period From the cultural vibrancy of the early Weimar period to the eventual decay towards fascism and Nazi rule Weimar Modernism provides a new and coherent way to examine this important era which has often been presented in a fragmented manner **The Dawn of Political Nihilism** Professor David Ohana,2008-12-04 In the turbulent period between 1870 and 1930 the contours on modernity were taking shape especially the connections between technology politics and aesthetics The trilogy The Nihilist Order traces the genealogy of the nihilist totalitarian syndrome Until now nihilism and totalitarianism were considered opposites one an orderless state of affairs the other a strict regimented order On closer scrutiny however a surprising affinity can be found between these two concepts that dominated the history of the first half of the twentieth century Starting with Nietzsche s philosophy this book traces the development of an intellectual school characterised by the paradoxical dual purpose of a wish to destroy coupled with a strong desire to create imposing structures This explosive combination of nihilist leanings together with a craving for totalitarianism was an ideal of philosophers cultural critics political theorists engineers architects and aesthetes long before it materialised in flesh and blood not only in technology but also in fascism Nazism bolshevism and radical European political movements Friedrich Nietzsche Georges Sorel the Italian Futurists led by Filippo Tommaso Marinetti and Ernst J nger were all well known intellectual and cultural figures Here they are seen and understood in a different light as creators of a modern political mythology that became a source of inspiration for belligerent ideological camps Among the ideas propagated by this school and later adopted by totalitarian regimes were historical nihilism a revolt against the rationalistic and universalistic pretensions of the Enlightenment an affirmation of the dynamism of modern life and the replacement of the traditional Judeo Christian values of good and evil by other dualities such as authenticity and decadence Concurrently there took place affirmation of the technological era the creation of a new man and a violent order and the birth of a new political style in place of traditional world views When channelled into the

political sphere these aesthetic nihilist ideas paved the way for the rise of totalitarianism **Unworldliness in Twentieth Century German Thought** Stéphane Symons, 2024-12-12 What happens when the world around us feels fragmented How can a person continue to respond positively to their environment when it seems to have lost its internal coherence These questions lie at the heart of this innovative interpretation of some of the most influential German philosophers of the twentieth century The key figures in this study are the young Georg Lukács 1885 1971 Ernst Jünger 1895 1998 Ernst Bloch 1885 1977 Theodor Adorno 1903 1969 Max Kommerell 1902 1944 and Siegfried Kracauer 1889 1966 By establishing an intellectual dialogue among these otherwise diverse thinkers this study identifies a common interest the question whether an unworldly fragmented universe can nonetheless elicit a creative response from individuals Together these authors offer an alternative to what is considered the dominant trend in twentieth century German philosophy the phenomenological emphasis on humans lived interactions with a shared and unified lifeworld Special attention is given to six distinct interpretations of Miguel de Cervantes's novel Don Quixote and the unworldly actions of its main character Unworldliness in Twentieth Century German Thought will appeal to researchers and advanced students interested in twentieth century continental philosophy German intellectual history critical theory and literature and philosophy

Ernst Junger Introduction

In today's digital age, the availability of Ernst Junger books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ernst Junger books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ernst Junger books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ernst Junger versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ernst Junger books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ernst Junger books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ernst Junger books and manuals is Open Library. Open Library is an initiative of

the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ernst Junger books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ernst Junger books and manuals for download and embark on your journey of knowledge?

FAQs About Ernst Junger Books

1. Where can I buy Ernst Junger books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Ernst Junger book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Ernst Junger books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Ernst Junger audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Ernst Junger books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
