

Ernst Krenek

**Anne Smith**

## **Ernst Krenek:**

*Ernst Krenek* Ernst Krenek, 1957      Ernst Krenek John L. Stewart, 2024-03-29 When Ernst Krenek's opera *Jonny spielt auf* *Jonny plays on* opened in Leipzig in 1927 it became an instant and spectacular success. Performed in over a hundred cities and translated into a dozen languages it became the most popular opera of this century. And Austrian born Krenek easily one of this century's most prolific major composers became a wealthy man. Ten years later however he found himself a destitute refugee fleeing to the United States as Hitler's troops invaded Austria. His work always avant garde had become increasingly political. Hitler banned it and labeled Krenek a cultural Bolshevik. The composer endured long periods of hardship and neglect before his music which was much admired by such colleagues as Stravinsky and Alban Berg but strange to American ears was rediscovered by Europeans after the war. Eventually it brought him financial security and many honors including the Gold Medal of Vienna and the Cross of Austria and it has been celebrated by festivals in Vienna Salzburg Berlin and other cities. Krenek who in 1945 became an American citizen has been as experimental and broad ranging in his compositions as he has been prolific. His 240 musical works illustrate brilliantly the principal musical trends of the century: Neoromantic tonality, Neoclassicism, free atonality, the twelve tone technique, integral serialism and electronic music. In addition Krenek has also been an accomplished teacher and writer. He has taught some of America's leading composers and has several collections of essays in both German and English to his credit. In this first major biography of Krenek Stewart chronicles both the personal and the professional events of this brilliant resilient composer's life. He not only explains Krenek's music in terms that enable us to comprehend and appreciate its character but vividly illustrates how Krenek's imagination has been affected by his experiences, his associates and the massive social and artistic changes of the twentieth century. Many of the most important music figures cross the landscape of this life: Franz Schreker, Artur Schnabel, T. W. Adorno, Alban Berg, Anton Webern, Igor Stravinsky, Arnold Schoenberg, Dimitri Mitropoulos and Dietrich Fischer Dieskau confirming Krenek's position as one of the world's foremost composers. When Ernst Krenek's opera *Jonny spielt auf* *Jonny plays on* opened in Leipzig in 1927 it became an instant and spectacular success. Performed in over a hundred cities and translated into a dozen languages it became the most popular opera of this century.      **The Influence of Ernst Krenek on the Musical Culture of the Twin Cities** Olive

Jean Bailey, 1980      *Ernst Krenek and the Politics of Musical Style* Peter Tregear, 2013-07-05 Ernst Krenek has been described as a one man history of twentieth century music. His vast compositional output encompasses many of its extremes and expresses many of its contradictions. Few have attempted however to contextualize Krenek's compositional output because our understanding of classical music in the first half of the twentieth century still largely remains focused on the music of a few canonical figures. Responding to renewed interest from performers in Krenek's work particularly his operas Peter Tregear's *Ernst Krenek and the Politics of Musical Style* addresses this gap in the scholarly literature and makes an important contribution to our comprehension of the ways in which his music reflected and informed broader social and

political debates in Austria and Germany at the time Focusing on Krenek's compositional path from the eclectic musical language of Jonny spielt auf to the austere twelve tone technique of Karl V Tregear provides an historical and critical context to this most historically significant period of Krenek's creative life His study also enriches our understanding of many of Krenek's contemporaries such as Alban Berg and Arnold Schoenberg This book should interest students scholars and practitioners with an interest in modern opera and contemporary classical music as well as early 20th century German history more generally *A Tribute to Ernst Krenek, May 11, 1980 - House Program* Guelph Spring Festival Archives, Ernst Krenek, Edward Johnson Music Foundation, 1980 **Exploring Music: Essays by Ernst Krenek**, 1966 Newsletter of the Ernst Krenek Archive, 1990 **Ernst Krenek Manuscript and Letters to Will Ogdon** Ernst Krenek, 1938 The collection consists of two photographs one typewritten manuscript of Krenek's book *Music Here and Now* and four folders of letters from Krenek to Will Ogdon written between 1943 and 1985 The letters include references to music composition occasional advice on career and personal matters and happenings within Krenek and Ogdon's musical circles *The Americanization/Westernization of Austria* Anton Pelinka, 2017-07-12 Political economic social and cultural modernization dramatically transformed twentieth century Austria Innovative new methods of production and management such as the assembly line changed Austrian business after World War I much as the Marshall Plan shaped the economy after World War II At the same time jazz Hollywood movies television programming and mass commodities were as popular in Austria as elsewhere in Western Europe Even political campaigns followed American trends All this occurred despite the fact that in West Germany American nostrums and models had been rejected modified or translated into milder versions Ultimately Austria was Western Europeanized when it joined the European Union in 1995 How Western are the Austrians This volume analyzes trends toward Americanization and Westernization in Austria throughout the twentieth century Reinhold Wagnleitner's lead essay studies the foreign politics of American pop culture Anna Schober and Monika Bernold analyze the influence of Hollywood movies and television on postwar Austrian society Reinhard Sieder follows changing discourses on family life while Ingrid Bauer looks at American influences on Austrian women Maria Regina Kecht Kurt Drexel and Christina Hainzl follow the American impact on Austrian literature opera and art Banker Anton Fink examines American banking and finance practices Andre Pfoertner and Matthias Fuchs study the Americanization of Austrian business and tourism Helmut Lackner describes how well heeled Austrian travelers to the United States brought back innovative American production methods and other ideas gleaned from world expositions before World War I American influences on Austrian politics and political science are dissected by Gunter Bischof Martin Kofler Fritz Plasser and Anton Pelinka The Americanization of Vienna is the subject of journalist Armin Thurnher's essay Comparisons with West Germany are presented by Michael Hochgesc *Correspondence from Ernst Krenek, Hawaii and California to Johannes Riedel, Saint Paul, Minn* Ernst Krenek, 1976 **Serial Music** Ann Phillips Basart, 2023-04-28 This title is part of UC Press's Voices Revived program which

commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1961     **Analyses of Nineteenth- and Twentieth-Century Music, 1940-2000** D. J. Hoek, 2007-02-15 The latest volume in the Music Library Association's Index and Bibliography series *Analyses of Nineteenth and Twentieth Century Music 1940-2000* features over 9 000 references to analyses of works by more than 1 000 composers of the nineteenth and twentieth centuries References that address form harmony melody rhythm and other structural elements of musical compositions have been compiled into this valuable resource This update of Arthur Wenk's well known bibliography last published in 1987 includes all the original entries from that work along with additional references to analyses through 2000 International in scope the bibliography covers writings in English French German Italian and other European languages and draws from 167 periodicals as well as important theses dissertations books and *Festschriften* References are arranged alphabetically by composer and include subheadings for specific works and genres This bibliography provides students scholars performers and librarians with broad coverage detailed indexing and ready access to a large and diverse body of analytical literature on nineteenth and twentieth century music     *Serial Composition and Atonality* George Perle, 1991-04-11 Widely recognized as the definitive work in its field ever since its original publication in 1962 *Serial Composition and Atonality* remains an unsurpassed introduction to the technical features of what is probably the most revolutionary body of work since the beginnings of polyphony In the analysis of specific compositions there is first and last of all a concern with the musical surface an attempt to trace connections and distinctions there before offering any deeper level constructions and to offer none where their effects are not obvious on more immediate levels of musical experience In this sixth edition of the book George Perle employs the new and more consistent terminology for the identification of transpositional levels of twelve tone sets that he first proposed in *Twelve Tone Tonality* 1977     **Alban Berg** Bryan R. Simms, 2018-02-01 *Alban Berg A Research and Information Guide Third Edition* is an annotated bibliography highlighting both the nature of primary sources related to the composer and the scope and significance of the secondary sources that deal with Berg his compositions and his influence as a composer It is a reliable complete and useful resource and a starting point for anyone performer teacher student or scholar wanting to learn about Berg's life works and cultural milieu The third edition has 162 additional citations since the publication of the second edition many arising after the expiration of copyright of Berg's musical and archival works 2005 Many important new primary sources of information have appeared most notably the letter exchanges with his wife recently published in a three volume critical edition in German as well as letter exchanges with Alma Mahler and Erich Kleiber and later correspondences with Anton Webern There has also been a notable increase in the availability of commercial video recordings of Berg's operas *Wozzeck* and *Lulu*     **Ina Lohr (1903-1983)** Anne Smith, 2020-06-10 Although almost forgotten today Ina Lohr played a

significant role in Basel's 20th century musical world. In 1930 she became Paul Sacher's musical assistant helping in the preparations for performances of the Basel Chamber Orchestra of which he was the director. Just three years later she was one of the courageous pioneers who under the direction of Paul Sacher founded the now internationally renowned Schola Cantorum Basiliensis. As Ina Lohr was instrumental in creating its program her work indirectly had an enormous impact on the Early Music Movement. Through her biography we learn to see Early Music within the complex cultural and religious matrix of her time forcing ourselves to transcend our own boundaries to understand her life. **A Windfall of Musicians**

Dorothy L. Crawford, 2009-06-23 This book is the first to examine the brilliant gathering of composers, conductors and other musicians who fled Nazi Germany and arrived in the Los Angeles area. Musicologist Dorothy Lamb Crawford looks closely at the lives, creative work and influence of sixteen performers, fourteen composers and one opera stage director who joined this immense migration beginning in the 1930s. Some in this group were famous when they fled Europe, others would gain recognition in the young musical culture of Los Angeles and still others struggled to establish themselves in an environment often resistant to musical innovation. Emphasizing individual voices, Crawford presents short portraits of Igor Stravinsky, Arnold Schoenberg and the other musicians while also considering their influence as a group in the film industry, in music institutions in and around Los Angeles and as teachers who trained the next generation. The book reveals a uniquely vibrant era when Southern California became a hub of unprecedented musical talent. The Rough Guide to Opera Matthew

Boyden, Nick Kimberley, 2002 Sketches of opera composers, opera synopses and CD reviews **Dictionary of American**

**Classical Composers** Neil Butterworth, 2013-10-02 The Dictionary of American Classical Composers covers over 650 composers active from the 18th century to today. Covering all classical styles it offers the most comprehensive overview of key composers in the United States available. Entries include basic biographical information and critical analysis of each composer's key works and ideas. Entries also include worklists and bibliographic information. Whenever possible the entries will have been checked by the composers themselves to assure greatest possible accuracy. This new edition completely updated and expanded from the 1984 edition also includes over 200 historic photographs. Blackness in Opera Naomi

Andre, Karen M. Bryan, Eric Saylor, 2012-03-01 Blackness in Opera critically examines the intersections of race and music in the multifaceted genre of opera. A diverse cross section of scholars places well known operas Porgy and Bess, Aida, Treemonisha alongside lesser known works such as Frederick Delius's Koanga, William Grant Still's Blue Steel and Clarence Cameron White's Ouanga to reveal a new historical context for re-imagining race and blackness in opera. The volume brings a wide ranging theoretically informed interdisciplinary approach to questions about how blackness has been represented in these operas, issues surrounding characterization of blacks, interpretation of racialized roles by blacks and whites, controversies over race in the theatre and the use of blackface and extensions of blackness along the spectrum from grand opera to musical theatre and film. In addition to essays by scholars the book also features reflections by renowned American

tenor George Shirley Contributors are Naomi Andr Melinda Boyd Gwynne Kuhner Brown Karen M Bryan Melissa J de Graaf Christopher R Gauthier Jennifer McFarlane Harris Gayle Murchison Guthrie P Ramsey Jr Eric Saylor Sarah Schmalenberger Ann Sears George Shirley and Jonathan O Wipplinger     *Schubert in the European Imagination* Scott Messing, 2006 The concept of Schubert as a feminine type began in 1838 This work examines the historical reception of Franz Schubert as conveyed through the gendered imagery and language of 19th and early 20th century European culture The figures discussed include Musset Sand Nerval Maupassant George Eliot and others

## Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **Ernst Krenek**

In a global inundated with screens and the cacophony of instant communication, the profound energy and psychological resonance of verbal beauty often diminish in to obscurity, eclipsed by the constant assault of noise and distractions. Yet, nestled within the lyrical pages of **Ernst Krenek**, a interesting function of literary splendor that impulses with raw thoughts, lies an wonderful journey waiting to be embarked upon. Written by way of a virtuoso wordsmith, this mesmerizing opus books readers on a psychological odyssey, lightly exposing the latent possible and profound impact stuck within the intricate web of language. Within the heart-wrenching expanse of the evocative examination, we will embark upon an introspective exploration of the book is main themes, dissect its interesting writing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
