The Making of Paul Klee's Career, 1914-1920 Otto Karl Werckmeister, 1989-07-10 Paul Klee one of the preeminent artists of the twentieth century was associated with all of the major movements of the first half of the century expressionism cubism surrealism and abstraction In this economic and political history O K Werckmeister traces Klee's career as a professional artist concentrating on the years 1914-20 in which Klee rose from obscurity to recognition in the visual culture of the incipient Weimar Republic Werckmeister reveals the degree to which Klee who has been traditionally portrayed as aloof from politics and the vicissitudes of the art market was subject to and interacted with material conditions Drawing on rich documentary evidence records of Klee's sales reviews of his exhibitions the artist's published writings about his art unpublished correspondence as well as contemporary criticism Werckmeister follows Klee's transformation from an idiosyncratic abstract individualist to a metaphysical storyteller to mystical sage Werckmeister argues that this latter image was promoted by a number of influential art critics and dealers acting in cooperation with the artist himself This posture prompted Klee's success first in the war weary modernist art world of 1916-18 and then in the pseudo revolutionary art world of 1919-20 This work is a critical challenge to the myth of Klee's art and to the hagiography of his artistic personality Werckmeister's historical account is sure to be a controversial yet significant contribution to Klee studies one that will change the nature of Klee scholarship for some time to come

 Some authors strongly criticized attempts to rebuild a German literary culture in the aftermath of World War II while others
 actively committed themselves to dealing with the German past There are writers in Austria and Switzerland that find other
 contradictions of contemporary life troubling while some find them funny or even worth celebrating German postwar
 literature has in the minds of some observers developed a kind of split personality In view of the traumatic monstrosities of
 the previous century that development may seem logical to some The Historical Dictionary of Postwar German Literature is
 devoted to modern literature produced in the German language whether from Germany Austria Switzerland or writers using
 German in other countries This volume covers an extensive period of time beginning in 1945 at what was called zero hour for
 German literature and proceeds into the 21st century concluding in 2008 This is done through a list of acronyms and
 abbreviations a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on
 writers such as Nobel Prize winners Heinrich B ll G nter Grass Elias Canetti Elfriede Jelinek and W G Sebald There are also
 entries on individual works genres movements literary styles and forms , Volume 19, Tome VII: Kierkegaard
Bibliography Peter Šajda, Jon Stewart, 2017-03-16 The long tradition of Kierkegaard studies has made it impossible for
 individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing
 number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced
 scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the
 seemingly endless mass of publications The volume is divided into two large sections Part I which covers Tomes I V is
 dedicated to individual bibliographies organized according to specific language This includes extensive bibliographies of
 works on Kierkegaard in some 41 different languages Part II which covers Tomes VI VII is dedicated to shorter individual
 bibliographies organized according to specific figures who are in some way relevant for Kierkegaard The goal has been to

create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies Frederick the Great Frederick John Partington Veale,1927 **Die verborgene Schrift** Anselma Heine,2014-07-07 Die verborgene Schrift ist ein historischer Roman der sich im Elsa vor w hrend und nach dem deutsch franz sischen Krieg 1870 abspielt **Internationalism in the Labour Movement 1830-1940** Holthoon,Marcel van der Linden,2025-02-10 Archiv Für Eisenbahnwesen ,1907
