

Witness

**I saw that a star had broken its rope
in the stables of heaven--**

**This homeless one will find her home
in the foothills of a green century.**

**Who sleeps beside still waters, wakes.
The terrestrial hands of the heaven clock**

**comb out the comet's tangled mane
and twelve strands float free.**

**In the absence of light and gravity,
slowly as dust, or the continents' drift,**

**sinuous, they twine a text,
one letter to an eon:**

**I am the dawn horse.
Ride me.**

Eroding Witness Poems National Poetry Series:

Eroding Witness Nathaniel Mackey, 1985 Book title glows with the elemental light of secret things from African ceremonial rituals and wisdom A book of initiation and ancient prophecy it reverberates with mythic and ancestral names Osiris Isis Anubis Ghede the Andoumboulou the Nommo Ogotemm li spirits author invokes in meditations on his own life and on the lives and work of John Coltrane Jimi Hendrix Don Cherry and others Back cover **Poetry from Sojourner** Ruth Lepson, 2004 Collection of poems from 25 years of Sojourner For much of its history Sojourner was the most widely circulated feminist literary journal in America and more than 1 200 poems have appeared in its pages since it began publication in 1975 Nearly 150 of those poems are collected in this volume where together they form a powerful testament to the vibrancy wit and diversity of feminist poetry In addition to works by such well known poets as Molly Peacock Nikki Giovanni Betsy Sholl and Adrienne Rich this collection includes poems by women from a host of different backgrounds including many whose work appeared in print for the first time in Sojourner Some of these poems explode with energy others speak with a haiku like softness some discuss love lust and sexuality while others deal with loss divorce and revenge The voices collected here are old and young rural and urban straight and gay from mothers and daughters to wives lovers and countless others all contributing to this anthology's wide ranging conversation about feminism and feminist poetics

Walking the Blind Dog G. E. Murray, 1992 **The Sawdust War** Jim Barnes, 1992 Few poets in America today can write as solemnly and truthfully as Jim Barnes about the heritage of America a heritage as wide as the continent itself Jim Barnes's aesthetic is vivid throughout these poems A high sense of loss pervades the book but Barnes's strong willed persona never regrets what has passed Instead the persona gains strength from it What has come to be his signature in four earlier books of poetry and remains his mark in **The Sawdust War** is essentially where his art lies a strong sense of loss of redemption coming out of loss of place both geographical and spiritual **The Cambridge Companion to American Poetry Since 1945**

Jennifer Ashton, 2013-02-08 Explores the ways in which American poetry has documented and sometimes helped propel the literary and cultural revolutions of the past sixty five years **Poems** William Carlos Williams, 2002 Before William Carlos Williams was recognized as one of the most important innovators in American poetry he commissioned a printer to publish 100 copies of **Poems** 1909 a small collection largely imitating the styles of the Romantics and the Victorians This volume collects the self published edition of **Poems** Williams's foray into the world of letters with previously unpublished notes he made after spending nearly a year in Europe rethinking poetry and how to write it As **Poems** shows his first tentative steps into poetry the notes show him as he prepares to make a giant transformation in his art Shortly after **Poems** appeared Williams went through a series of experiences that changed his life a trip to Europe a marriage to the sister of the woman he genuinely loved and the establishment of his medical practice In Europe he was introduced to a consideration of an unlikely trio Heinrich Heine Martin Luther and Richard Wagner resulting in an exposure that subsequently influenced his developing

style Williams looked back on Poems as apprentice work calling them bad Keats nothing else oh well bad Whitman too But I sure loved them There is not one thing of the slightest value in the whole thin booklet except the intent and never republished the collection Now that Williams s work is widely read and appreciated his reputation secure his development as a poet is a matter worth serious study Poems can be seen as a point of departure a clear record of where Williams began before his life and ideas about poetry made seismic shifts Virginia M Wright Peterson s succinct introduction puts Poems in the context of his life and times discusses the reception of the volume his reconsideration of the poems and what they reveal about his poetic ambitions *The Other-Conscious Ethics of Innovative Black Poetry* Grant Matthew Jenkins,2024-11-04

This monograph identifies and investigates the other conscious ethics in black avant garde poetry since the 1980s Drawing on a long tradition in the African Diaspora of ethical writings that put the Other first this work shows how black poets writing in an avant garde or experimental vein in the United States push language to its limits to reveal how poetry can address and exemplify ethical postures towards other people This other centered vantage allows the poets to incisively comment on some of this period s most pressing ethical issues including postcolonial and racialized violence the history of slavery and segregation in America and the expansion of human consciousness The writers involved in this study include Nathaniel Mackey Erica Hunt Will Alexander Harryette Mullen and Mark McMorris *Furnace Harbor* Philip D.
