Uncovering Paris Lela F. Kerley,2017-06-07 From 1889 to 1914 nude spectacles increased at an astonishing rate as a result of burgeoning artistic experimentation the commercialization of the female body and the rise of urban nightlife In particular artists balls and music halls provided creative spaces in which women artists impresarios and the illustrated press could cast the natural body as a source of sexual pleasure identity and reform Emphasizing the role of erotic entertainment as an outlet and agent of modern sensibilities Uncovering Paris Scandals and Nude Spectacles in the Belle poque offers a fresh approach to important topics of the period Bohemian artists the New Woman and press censorship and reinterprets

them through the lens of la femme nue Having inherited her name from the pictorial female Nude and the Nude's real life counterpart the artist s model la femme nue operated as a screen onto which various groups projected their artistic drives sexual desires monetary interests and cultural anxieties A struggle to define pornography and art freedom and censorship and public and private spheres ensued among artists theater directors and moral leagues as a century long tradition of equating civilization with clothing broke down in the face of performative challenges In posing singing acting and dancing in naturalist presentations the artist's model turned erotic entertainer engendered crises in ways of seeing the female body that contributed to and was indicative of a changing moral climate within which women were accorded more freedom to corporeally express themselves Once denigrated and denounced as a sign of vulgar working class sexuality the revelation of female flesh became an integral aspect of twentieth century French body culture Drawing upon a range of colorful commentaries dramatic debates and evocative photos Lela F Kerley highlights the importance of nudity in the redrawing of moral boundaries as she uncovers key moments that amounted to a culture war in the years leading up to World War I Through an investigation of street riots court cases and anti pornography campaigns Uncovering Paris offers an interdisciplinary approach to the scholarship on Belle poque sexual politics and a rich glimpse into the social construction of morality in Belle poque France AB Bookman's Weekly ,1999 Crime, Madness and Politics in Modern France Robert A. tuberculous meningitis Becoming Modigliani sheds light on the young man's chronic illnesses addictions and relationships with friends and lovers as he navigated the vibrant yet challenging world of early twentieth century Bohemian Paris Beginning with Modi's birth in 1884 the narrative is divided into five parts seamlessly blending biographical elements with medical insights and a critical analysis of Modigliani's work among some of the greatest artists of the time It also provides thoughtful descriptions of a changing society governed by the impact of infectious diseases war and a flourishing of other creative geniuses such as Picasso Jean Cocteau and Guillaume Apollinaire With thirty seven virtually standalone chapters a preface and epiloque three appendices and a rich array of illustrations and references this biography promises a profound and compassionate exploration of Modigliani's embattled world In Becoming Modigliani Dr Colt's aim is to foster empathy and greater understanding by unraveling the intricate layers of Modigliani's existence The result is a captivating and deeply researched tale that will resonate with a diverse audience of serious readers art and medical history enthusiasts sociologists and anyone interested in the human spirit Food and Language Richard Hosking, 2010 Essays on food and language from the Proceedings of the Oxford Symposium on Food and Cooking 2009 Aimer et mourir Eilene Hoft-March, Judith Holland Sarnecki, 2009-01-23 Aimer et Mourir offers a wide ranging selection of essays that collectively address how from the Middle Ages to the present the notions of love and death get inextricably associated with the narratives that are women s lives Some of the essays tackle male writers representations that link women and in particular women's sexuality with death resulting in the figures of the femme fatale the woman in parturition and the desiring vampire A number of essays reiterate that women s hyper sexualized bodies have been used as a social construct and a psychological screen upon which to project a fear of death The challenges to this pat reduction of woman's domain come from the mostly women writers represented here and they span from Marguerite de Navarre to Am lie Nothomb These women writers rework the old formulae giving us instead death defying memories of love love regenerative of language as of bodies love forcing the frontiers of death or love creatively redefined within the parameters of death Nor are these new narratives imagined as belonging to women alone but rather as attesting to a richer more varied and greatly sensitized human experience
