**The Eros Of Parenthood** Noelle Oxenhandler, 2001-03-02 Leaning over a sleeping child or waiting for a small dripping body to emerge from the tub what parent hasn't felt the pull of contradictory emotions the rush of tenderness the pang of anxiety We know that the physical love between parent and child is both natural and necessary yet it's a subject we're afraid to approach indeed it's been called the last taboo In language both lyrical and provocative *The Eros of Parenthood* explores this highly charged and controversial territory Even to put the two words together eros and parenthood is to enter a forbidden realm Yet the two are inextricably linked For eros the energy of connection fuels the immense labor of parental care fosters the formation of the human self and lies at the foundation of all forms of human love In its intense physicality the love between parent and young child is similar to that between adult lovers but it is different in some absolutely crucial ways Healthy parental love is sheltering protective Putting the child's needs first this love respects the inequality in size power and maturity between parent and child Alas in our zeal to protect children from the trauma of sexual abuse we often resort to black and white thinking Because we are afraid to acknowledge the erotic component of parent child love the most innocent interactions become suspect The atmosphere becomes so saturated with anxiety that it intrudes on the most tender moments between parent and child Navigating between the extremes of injurious denial and hysterical fear *The Eros of Parenthood* finds a middle ground While celebrating the passion that naturally exists between parent and child it seeks the limits of this passion Inspired by the fairy tale figure of Goldilocks Noelle Oxenhandler takes as a central question Between the poles of too hot and too cold too much and too little how can I find the just right The answer to this question lies in the power of attunement A dynamic process of adjustment that balances between fusion and separateness attunement is the compass in Goldilocks's hand the key to the mystery of intimacy between parent and child To understand this is to discover a way through the eros of parenthood that while breaking the grip of fearful thinking leads to an authentic sense of boundary In poetic prose that encompasses topics as subtle as a pregnant mother's dream and as dramatic as the recovered memory of abuse *The Eros of Parenthood* breaks new ground Personal yet with profoundly social implications the book employs a highly readable format in which each chapter consists of a linked sequence of explorations that can be read in a single sitting in the brief interstices of a busy parent's life The hardest thing for us in the wake of what we have too often witnessed is while keeping our children safe from harm to experience the full measure of delight in them To gaze at them while they sleep on their backs with limbs flung like the petals of an open flower or curled on their sides like an inner ear Through responsibility and tender awareness parents and children can reclaim a form of love that is natural necessary and the ground of all human intimacy

**Erotic Attunement** Cristina L. H. Traina, 2011-06-15 Heightened awareness of the problem of sexual abuse has led to deep anxiety over adults touching children in nearly any context This book probes the disquieting issue of how we can draw a clear line between natural affection towards children and perverse exploitation of them Chaos, Wonder the

Spiritual Adventure of Parenting Sarah Conover, Tracy Springberry, 2011 Rev ed previously published under title *At work in life's garden*

**Oedipal Experiences in Same-Sex Families** Yifat Eitan-Persico, 2024-04-18 This book updates the Oedipus complex for a contemporary audience in the light of social and cultural changes and explores its implications for psychoanalytic treatment and our understanding of queer families Growing evidence during the past few decades indicates that children who grow up in same sex families adapt well These findings which do not conform to the predictions of Oedipal theory expose the theory's biases and call for reexamination of its premises This book based on ground breaking research and pursues a methodical investigation of the characteristics of the same sex families that defy the expectations of Oedipal theory Furnished with vivid illustrations it invites the reader to engage actively in the interpretive effort and presents a diverse and complex story about kinship opening a window onto a rich world of infantile phantasies and parents' psychological conflicts at the fascinating intersection of the personal and the social Oedipal Experiences in Same Sex Families will appeal to psychoanalysts psychotherapists educators and policymakers same sex parents and parents who were assisted by gamete donation

**Braving the Erotic Field in the Psychoanalytic Treatment of Children and Adolescents** Mary Brady, 2022-03-17 Braving the Erotic Field in the Psychoanalytic Treatment of Adolescents and Children is a groundbreaking collection of chapters by an international group of analytic authors The book addresses the general lack of psychoanalytic writing on working with erotic feelings in the consulting room when treating children and adolescents This lack is doubly odd given Freud's emphasis on childhood

sexuality as well as the intensities of the adolescent body mind This book takes the view that the subtle interchange of feelings dreams narratives and images that arise when erotic feelings are in the fore is better conceptualized as an erotic field than with the binary of transference countertransference In contemporary psychoanalysis the idea that transference love offers the possibility of knowing the other in the deepest possible way is supplanting an attitude of suspicion Clinical work with small children to late adolescents will be offered including gay and gender fluid adolescents This book makes a decisive contribution to assist clinicians to brave the erotic field with children and adolescents

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Volume I of this two part publication traces the history of sex from the Stone Age to the Enlightenment Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

**Birth of an Adoptive, Foster or Stepmother** Barbara Waterman, 2003-09-18 Adoptive foster and stepmothers like biological mothers find their lives completely changed by motherhood although they are not always granted the rights and privileges accorded to those who give birth Barbara Waterman explores the common experiences that are shared by all those who enter the motherhood portal

Boundaries of Touch Jean Halley, 2010-10-01 A history of the shifting and conflicting ideas about when where and how we should touch our children Discussing issues of parent child contact ranging from breastfeeding to sexual abuse Jean O Malley Halley traces the evolution of mainstream ideas about touching between adults and children over the course of the twentieth century in the United States Debates over when a child should be weaned and whether to allow a child to sleep in the parent s bed reveal deep differences in conceptions of appropriate adult child contact Boundaries of Touch shows how arguments about adult child touch have been politicized simplified and bifurcated into naturalist and behaviorist viewpoints thereby sharpening certain binary constructions such as mind body and

male female Halley discusses the gendering of ideas about touch that were advanced by influential social scientists and parenting experts including Benjamin Spock Alfred C Kinsey and Luther Emmett Holt She also explores how touch ideology fared within and against the post World War II feminist movements especially with respect to issues of breastfeeding and sleeping with a child versus using a crib In addition to contemporary periodicals and self help books on child rearing Halley uses information gathered from interviews she conducted with mothers ranging in age from twenty eight to seventy three Throughout she reveals how the parent child relationship far from being a private or benign subject continues as a highly contested politicized affair of keen public interest

**Somatic Experience in Psychoanalysis and Psychotherapy** William F Cornell, 2015-03-27 The body of both the patient and the analyst is increasingly a focus of attention in contemporary psychoanalytic theory and practice especially from a relational perspective There is a renewed regard for the understanding of embodied experience and sexuality as essential to human vitality However most of the existing literature has been written by analysts with no formal training in body centered work In this book William Cornell draws on his experience as a body centered psychotherapist to offer an informed blend of the two traditions to allow psychoanalysts a deep understanding in psychoanalytic language of how to work with the body as an ally The primary focus of Somatic Experience in Psychoanalysis and Psychotherapy situates systematic attention to somatic experience and direct body level intervention in the practice of psychoanalysis and psychotherapy It provides a close reading of the work of Wilhelm Reich repositioning his work within a contemporary psychoanalytic frame and re presents Winnicott s work with a particular emphasis on the somatic foundations of his theories William Cornell includes vivid and detailed case vignettes including accounts of his own bodily experience to fully illustrate a range of somatic attention and intervention that include verbal description of sensate experience exploratory movement and direct physical contact Drawing on relevant theory and significant clinical material Somatic Experience in Psychoanalysis and Psychotherapy will allow psychoanalysts an understanding of how to work with the body in their clinical practice It will bring a fresh perspective on psychoanalytic thinking to body centred psychotherapy where somatic experience is seen as an ally to psychic and interpersonal growth This book will be essential reading for psychoanalysts psychodynamically oriented psychotherapists transactional analysts body centred psychotherapists Gestalt therapists counsellors and students William Cornell maintains an independent private practice of psychotherapy and consultation in Pittsburgh PA He has devoted 40 years to the study and integration of psychoanalysis neo Reichian body therapy and transactional analysis He is a Training and Supervising Transactional Analyst and has established an international reputation for his teaching and consultation

**Life Like Dolls** A. F. Robertson, 2004-03-01 Since the 1980s there has been a growing billion dollar business producing porcelain collectible dolls Advertised in Sunday newspapers and mailbox fliers even Marie Osmond an avid collector herself is now promoting her own line of dolls on the Home Shopping Network and sales are soaring With average price tags of 100 and 500 or more for a handcrafted or limited edition doll these dolls strike a chord in

the hearts of middle aged and older women their core buyers some of whom create nurseries devoted to collections that number in the hundreds Each doll has its own name identity and adoption certificate like Shawna who has just learned to stack blocks all by herself and Bobby whose brown handset eyes shine with mischief and little boy plans Exploring the nexus of emotions consumption and commodification they represent A F Robertson tracks the rise of the porcelain collectible market interviews the women themselves and visits their clubs fairs and homes to understand what makes the dolls so irresistible Lifelike but freakish novelties that profess to be antiques pricey kitsch These dolls are the product of powerful emotions and big business Life Like Dolls pursues why middle class educated women obsessively collect these dolls and what this phenomenon says about our culture *Maternal Desire* Daphne de Marneffe,2009-06-27 Supermom is at the end of her rope Maternal Desire shows mothers who work a full time job and take care of their family that there is another way The author explores maternal enjoyment as she does maternal anxiety and offers not just understanding but the exhilaration of seeing a universal frustration discussed clearly for the first time *The Obligated Self* Mara H. Benjamin,2018-05-24 Mara H Benjamin contends that the physical and psychological work of caring for children presents theologically fruitful but largely unexplored terrain for feminists Attending to the constant concrete and urgent needs of children she argues necessitates engaging with profound questions concerning the responsible use of power in unequal relationships the transformative influence of love human fragility and vulnerability and the embeddedness of self in relationships and obligations Viewing child rearing as an embodied practice Benjamin s theological reflection invites a profound reengagement with Jewish sources from the Talmud to modern Jewish philosophy Her contemporary feminist stance forges a convergence between Jewish theological anthropology and the demands of parental caregiving Area Woman Blows Gasket Patricia Pearson,2010-04-30 From the author of *Playing House* comes a sharp and sophisticated collection of essays that takes us on a hilarious tour of our twenty first century obsessions and distractions Patricia Pearson is a working woman wife and mother on the verge Whether it s being humiliated by the Beauty Bullies at the Lanc me counter or failing to live up to the Serene Mother ideal Pearson is fed up with negotiating our present day myths and fads In *Area Woman Blows Gasket* Pearson plumbs every facet of modern life marriage and motherhood from choosing the right vegan bran hemp diet for your family to confronting your husband s irrational fear of mayonnaise Adult education classes psychotherapy 100 haircuts the latest news on what may or may not cause cancer Christmas shopping all come into sharp focus with the help of Pearson s comic eye Her wry brand of wisdom is a refreshing and long awaited release from the contradictions thrown at us by society We're Not Robots Enid Elliot,2012-02-01 This fascinating book presents the stories of infant toddler caregivers and their work to illustrate the complexity of balancing relationships with babies families coworkers and self yet remaining emotionally present and mindfully engaged Enid Elliot explores the inevitable tensions of working within these various relationships and demonstrates how proficient caregivers can develop strategies for achieving this delicate balance In the process she raises

provocative questions about how we care for babies and how to provide education and support for their caregivers

*Mourning the Unborn Dead* Jeff Wilson, 2009-01-21 Many Western visitors to Japan have been struck by the numerous cemeteries for aborted fetuses which are characterized by throngs of images of the Bodhisattva Jizo usually dressed in red baby aprons or other baby garments and each dedicated to an individual fetus Abortion is common in Japan and as a consequence one of the frequently performed rituals in Japanese Buddhism is mizuko kuyo a ceremony for aborted and miscarried fetuses Over the past forty years mizuko kuyo has gradually come to America where it has been appropriated by non Buddhists as well as Buddhist practitioners In this book Jeff Wilson examines how and why Americans of different backgrounds have brought knowledge and performance of this Japanese ceremony to the United States Drawing on his own extensive fieldwork in Japan and the U S as well as the literature in both Japanese and English Wilson shows that the meaning and purpose of the ritual have changed greatly in the American context In Japan mizuko kuyo is performed to placate the potentially dangerous spirit of the angry fetus In America however it has come to be seen as a way for the mother to mourn and receive solace for her loss Many American women who learn about mizuko kuyo are struck by the lack of such a ceremony and see it as filling a very important need Ceremonies are now performed even for losses that took place many years ago Wilson's well written study not only contributes to the growing literature on American Buddhism but sheds light on a range of significant issues in Buddhist studies interreligious contact women's studies and even bioethics
