Eros Under Glass Psychoanalysis And Mallarmes Herodiade:

Eros Under Glass Mary Ellen Wolf,1987

Eros Under Glass Mary E. Wolf,

Performance in the Texts of

Mallarmé Mary Lewis Shaw,1993-03-01 Performance in the Texts of Mallarm offers a new theory of performance in the poetic and critical texts of Stephane Mallarm a theory challenging the prevailing interpretation of his work as epitomizing literary purism and art for art s sake Following an analytical presentation of the concepts of ritual and performance generally applied Mary Shaw shows that Mallarm perceived music dance and theater as ideal languages of the body and therefore as ideal forms of ritual through which to supplement and celebrate poetic texts She focuses on previously unexplored references to supplementary extratextual performances in four of Mallarm s major poetic texts Herodiade L apr s midi d un faune Igitur and Un coup de des revealing the consistent formal expression of his original conception of literature s relationship to the performing arts Shaw then discusses Mallarm s monumental project Le Livre a metaphysical book designed to be performed in a series of ritual celebrations She analyzes and describes the intrinsic structure and contents of this unfinished work as the fullest realization of the text performance relationship elaborated throughout Mallarm s corpus Shaw offers Le Livre as a prototype of avant garde performance drawing important parallels between Mallarm s literary experimentation and crucial developments in twentieth century arts

Collected Poems Stéphane Mallarmé,2011-01-15 In this classic tale Richard Kim paints seven vivid scenes from a boyhood and early adolescence in Korea at the height of the Japanese occupation 1932 to 1945 Taking its title from the grim fact that the occupiers forced the Koreans to renounce their own names and adopt Japanese names instead the book follows one Korean family through the Japanese occupation to the surrender of the Japanese empire Lost Names is at once a loving memory of family and a vivid portrayal of life in a time of anguish

Chicano/Latino Homoerotic Identities David W. Foster,2014-07-16 This collection which grew out of a research conference held at Arizona State Universoty in November 1997 examines varieties of Chicano Latino homoerotic identities It includes essays by a group of scholars who are engaged in defining the parameters of these identities and who are concerned with how those identities interact with the dominate ones articulated by a hegemonic Anglo society in the United States

The Crisis of French Symbolism Laurence Porter,2019-05-15 Challenging traditional histories of the nineteenth century French lyric Laurence Porter maintains that from 1851 to 1875 Symbolism constituted neither a movement nor a system but rather represented a crisis of confidence in the powers of poetry as a communicative act The Crisis of French Symbolism offers a provocative reinterpretation of the four acknowledged masters of Symbolist poetry Baudelaire Verlaine Rimbaud and Mallarm

Mimesis in a Cognitive Perspective Nicolae Babuts,2017-07-05 Mimesis is a critical and philosophical term going back to Aristotle It carries a wide range of meanings including imitation representation mimicry the act of expression and the presentation of self In modern literary criticism mimesis has received renewed attention in the last two or three decades and been subject to wide ranging interpretations Nicolae Babuts looks at the concept of mimesis from a

cognitive perspective He identifies two main strands the mimetic relation of art and poetry to the world defined in terms of reference to an external reality and the importance of memory in the making of plots or storytelling Babuts suggests that there is a material identity we cannot know beyond the limits of our senses and intellect and a symbolic or coded identity that is processed by memory All writers including Mallarme in his esoteric poetry Flaubert in his realist narratives and Mihai Eminescu the Romanian poet in his romantic poems rely on mimetic strategies to link the two identities the images in memory to the outside reality All order their narratives in accordance with the dynamics of memory Babuts describes this phenomenon with great insight showing how new traditions are formed *Salome's Modernity* Petra

Dierkes-Thrun,2014-07-28 Oscar Wilde s 1891 symbolist tragedy Salome has had a rich afterlife in literature opera dance film and popular culture Salome s Modernity Oscar Wilde and the Aesthetics of Transgression is the first comprehensive scholarly exploration of that extraordinary resonance that persists to the present Petra Dierkes Thrun positions Wilde as a founding figure of modernism and Salome as a key text in modern culture s preoccupation with erotic and aesthetic transgression arguing that Wilde s Salome marks a major turning point from a dominant traditional cultural moral and religious outlook to a utopian aesthetic of erotic and artistic transgression Wilde and Salome are seen to represent a bridge linking the philosophical and artistic projects of writers such as Mallarmé Pater and Nietzsche to modernist and postmodernist literature and philosophy and our contemporary culture Dierkes Thrun addresses subsequent representations of Salome in a wide range of artistic productions of both high and popular culture through the works of Richard Strauss Maud Allan Alla Nazimova Ken Russell Suri Krishnamma Robert Altman Tom Robbins and Nick Cave among others **Journal, 1955-1962** Mouloud Feraoun,2000-01-01 This honest man this good man this man who never did wrong to anyone who devoted his life to the public good and who was one of the greatest writers in Algeria has been murdered Not by accident not by mistake but called by his name and killed with preference So wrote Germaine Tillon in Le Monde shortly after Mouloud Feraoun s assassination by a right wing French terrorist group the Organisation Armée Secrète just three days before the official cease fire ended Algeria s eight year battle for independence from France However not even the gunmen of the OAS could prevent Feraoun s journal from being published Journal 1955 1962 appeared posthumously in French in 1962 and remains the single most important account of everyday life in Algeria during decolonization Feraoun was one of Algeria s leading writers He was a friend of Albert Camus Emmanuel Roblès Pierre Bourdieu and other French and North African intellectuals A committed teacher he had dedicated his life to preparing Algeria s youth for a better future As a Muslim and Kabyle writer his reflections on the war in Algeria afford penetrating insights into the nuances of Algerian nationalism as well as into complex aspects of intellectual colonial and national identity Feraoun s Journal captures the heartbreak of a writer profoundly aware of the social and political turmoil of the time This classic account now available in English should be read by anyone interested in the history of European colonialism and the tragedies of contemporary Algeria **Francophone Women**

Cybelle McFadden Wilkens, Cybelle H. McFadden, Sandrine F. Teixidor, 2010 *Francophone Women Between Visibility and Invisibility* underscores the writing of authors who foreground the female body and who write across geographical borders as part of a global literary movement that has the French language as its common denominator This edited collection exposes how female authors portray the tensions that exist between visibility and invisibility public and private presence and absence and excess and restraint when it is linked to femininity and the female body Book Jacket *Symbolism, Its Origins and Its Consequences* Rosina Neginsky, 2010-08-11 The notion of the symbol is at the root of the Symbolist movement but this symbol is different from the way it was used and understood in the Middle Ages and Renaissance In the Symbolist movement a symbol is not an allegory The Belgian writer Maurice Maeterlinck defined its essence in an article that appeared on April 24 1887 in *L'Art moderne* He wrote that the notion of a symbol in the Symbolist movement is the opposite of the notion of the symbol in classical usage instead of going from the abstract to the concrete Venus incarnated in the statue represents love it goes from the concrete to the abstract from what is seen heard felt tasted and sensed to the evocation of the idea This volume attempts to give a glimpse into the power of the Symbolist movement and the nature of its fundamental and interdisciplinary role in the evolution of art and literature of the twentieth century It records the studies of a group of scholars who met and discussed these topics together for the first time in 2009 While illuminating the specificity of Symbolism in art architecture and literature in different European countries these articles also demonstrate the crucial role of French Symbolism in the development of the international Symbolist movement The authors hope that an expanding group a society of Art Literature and Music in Symbolism and Decadence ALMSD born out of the first meeting will continue to further this discussion at future conferences and in the printed conference proceedings **Virtual Theater from Diderot to Mallarmé** Evelyn Gould, 1989 **The Feminine Self as Flow** Mariko Enomura Di Genova, 2001 *French Prose and Criticism, 1790 to World War II* Harold Bloom, 1990 A collection of twenty six critical essays on French prose and criticism from 1790 to World War II **Reference Guide to World Literature** Lesley Henderson, Sarah M. Hall, 1995 Overviews of writers and works from the ancient Greeks through the 20th century written by subject experts Each author entry provides a detailed overview of the writer's life and works Work entries cover a particular piece of world literature in detail [The French Review](#) James Frederick Mason, Hélène Harvitt, 1987-10 **Research in Critical Theory Since 1965**, 1989-09-26 For students and scholars of literary theory this unique volume provides organized access to a diverse body of literature The 5 523 entries include listings of books articles and dissertations culled from such sources as the MLA International Bibliography Dissertation Abstracts Language and Language Behavior Abstracts and the annual bibliography of the Modern Humanities Research Association Researchers can look forward to a Dictionary of Critical Theory and a Handbook of Critical Theory by the same author within the next two years Recommended for its comprehensive coverage and currency to graduate level collections Choice Encompassing the variety of critical theories the theoretical approaches or schools

influenced by continental theorists and philosophers that came to prominence beginning in the mid 1960s this volume contains substantial representative and indexed bibliographies to assist researchers of specific topics in critical theory or those seeking works by major theorists Nearly all inclusive for the 1965 1987 period a number of important works through August 1988 are also listed the more than 5 500 works include books articles and dissertations available in English French or German and range from introductory to advanced levels 350 of the works are listed in more than one section for the user s convenience Readers are guided to appropriate works by the user friendly twelve major section format that classifies works on theory following the generally accepted names of current critical approaches including structuralism semiotics narratology psychological criticism sociological criticism feminist criticism reader response criticism reception aesthetics phenomenological criticism hermeneutics and deconstruction post structuralist and post deconstructive criticism Each section has an index and may be used independently of the other sections These section indexes are grouped together following the Classified Bibliography Two additional indexes a general index that aids in locating works covering more than one theory or that have not been classified into one of the theories and an author index that applies to the entire bibliography complete the volume Sources for the bibliography include annual bibliographies of the MLA the MHRA and such works as Dissertations Abstracts International and Language and Language Behavior Abstracts as well as database searches for topics keywords and theorists Companion volumes to this work A Dictionary of Critical Theory and A Handbook of Critical Theory will be published within the next two years by Greenwood Press

Out from Under the Artist's Brush Julie A. Molnar, 1994 This book creates new perspectives on the integral relationship of painting writing and psychoanalysis in the disclosure of Naturalism It offers historical and psychoanalytical perspectives on the debate over whether the Goncourt brothers or Zola founded Naturalism The interplay between the personal and authorial identity offers a fertile return to the heart of Lacanian texts Focusing on complex relations of gender desire and eroticized representations of the male and female body it argues for new theories of culture through a structured textual analysis of the French naturalist novels By comparing a wide range of fields it addresses the new and exciting work now being produced in the field of psychoanalysis and its relation to sexual difference feminism subjectivity and culture

Stefan George - Werkkommentar Jürgen Egyprien, 2017-02-06 Der Stefan George Werkkommentar bietet eine systematische Erschließung des gesamten dichterischen und bersetzerischen Werks des Autors Konzeptionell orientiert am Aufbau der sämtlichen Werke bietet er über siebenzig Beiträge die das Werk Georges Zyklus um Zyklus charakterisieren und jeweils in detaillierten Modellinterpretationen ästhetische Verfahren und dichtungstheoretische Positionen rekonstruieren
