Erosion Of Childhood:

The Erosion of Childhood Valerie Polakow,1982 How can child care be structured to protect both the interests of children and the rights of women Must children suffer the loss of their childhood through institutional care Polakow uses her observations of pre school centers including profit run federally funded community and Montessori institutions to open the windows of daycare *The Erosion of Childhood* V. Polakow,1992 [The Erosion of Childhood](#) Lionel Rose,2002-09-11 Discusses the status of children in society from the mid Victorian period to the end of the First World War showing that children were regarded principally as objects to be used and abused rather than people in their own right [Too Much Too Soon?](#) Richard House,2013-05-23 This title tackles the burning question of how to nurture young children s well being and learning to reverse the erosion of childhood [Childhood Transformed](#) Eric Hopkins,1994 Childhood Transformed provides a pioneering study of the remarkable shift in the nature of working class childhood in the nineteenth century from lives dominated by work to lives centered around school The author argues that this change was accompanied by substantial improvements for many in the home environment in health and nutrition and in leisure opportunities The book breaks new ground in providing a wide ranging survey of different aspects of childhood in the Victorian period the early chapters examining life at work in agriculture and industry in the home and elsewhere while the later chapters discuss the coming of compulsory education together with changes in the home and in leisure activities A separate section of the book is devoted to the treatment of deprived children those in and out of the workhouse on the streets and also in prison industrial schools and reformatories Offering a fresh and more focused approach to the history of working class children this book should be of interest to all lecturers and students of nineteenth century social history **Contemporary Debates in Childhood Education and Development** Sebastian Suggate,Elaine Reese,2012 Contemporary Debates in Childhood Education and Development is a unique resource and reference work that brings together leading international researchers and thinkers with divergent points of view to discuss contemporary problems and questions in childhood education and developmental psychology **Erosive Tooth Wear** A. the journey of becoming a graduate as well as discussion of workplace issues and concepts after graduation *Childhood and Child Labour in Industrial England* Katrina Honeyman, 2016-05-23 The purpose of this collection is to bring together representative examples of the most recent work that is taking an understanding of children and childhood in new directions The two key overarching themes are diversity social economic geographical and cultural and agency the need to see children in industrial England as participants even protagonists in the process of historical change not simply as passive recipients or victims Contributors address such crucial subjects as the varied experience of work poverty and apprenticeship institutional care the political voice of children child sexual abuse and children and education This volume therefore includes some of the best innovative work on the history of children and childhood currently being written by both younger and established scholars *THE EROSION OF CHILDHOOD: A SOCIAL-PHENOMENOLOGICAL STUDY OF EARLY INSTITUTIONALIZATION..* VALERIE POLAKOW SURANSKY, 1977 Erosive Tooth Wear: From Diagnosis to Therapy Nadine Schlueter, Carolina Ganss, Adrian Lussi, 2025-05-28 The third edition of Erosive Tooth Wear From Diagnosis to Therapy brings together over a decade of new research and advancements in the field With a fresh structure extensively updated chapters and the inclusion of cuttingedge digital technologies this edition reflects the evolving understanding of erosive tooth wear and its management Beyond providing the latest scientific insights the book challenges existing knowledge and encourages further research recognizing that many questions remain unanswered Contributions from leading experts worldwide make this a comprehensive and invaluable resource for dental professionals researchers and students looking to stay at the forefront of the field Thanks to the dedication of numerous contributors and the support of sponsors this edition is more accessible than ever This book is an essential addition to the collection of anyone wanting to deepen their expertise and explore the latest developments in diagnosing monitoring and treating erosive tooth wear **Esophageal and Gastric Disorders in Infancy and Childhood** Holger Till, Mike Thomson, John E. Foker, George W. Holcomb III, Khalid M. Khan, 2017-03-24 Esophageal anomalies and disorders in infancy and childhood include a wide spectrum of different diseases These range from emergencies immediately after birth such as esophageal atresia EA necessitating an experienced team of neonatologists and pediatric surgeons up to gastro esophageal reflux disease in elder children necessitating the pediatric gastroenterologist and visceral surgeon In the last few years some fascinating pediatric surgical techniques have evolved such as the thoracoscopic correction of EA or the FOKER technique for elongation in cases of long gap EA Prof Foker has developed this special traction technique and is the world s leading expert in long gap EA **Children and Sexuality** G. Rousseau, 2007-12-14 Children and Sexuality probes the hidden relations between children and sexuality in case studies from the Greeks to the Great War The lives reconstructed here extend from Greek Alcibiades to Lewis Carroll and Baden Powell each recounted with scrupulous vigilance to detail and nuance Essays in the History of Canadian Law G. Blaine Baker, Donald Fyson, 1981-01-01 The essays in this volume deal with the legal history of the Province of Quebec Upper and

Lower Canada and the Province of Canada between the British conquest of 1759 and confederation of the British North America colonies in 1867 The backbone of the modern Canadian provinces of Ontario and Quebec this geographic area was unified politically for more than half of the period under consideration As such four of the papers are set in the geographic cradle of modern Quebec four treat nineteenth century Ontario and the remaining four deal with the St Lawrence and Great Lakes watershed as a whole The authors come from disciplines as diverse as history socio legal studies women s studies and law The majority make substantial use of second language sources in their essays which shade into intellectual history social and family history regulatory history and political history

Reimagining Childhood Studies Spyros Spyrou, Rachel Rosen, Daniel Thomas Cook, 2018-12-13 *Reimagining Childhood Studies* incites and provides a forum for dialogue and debate about the direction and impetus for critical and global approaches to social cultural studies of children and their childhoods Set against the backdrop of a quarter century of research and theorising arising out of the new social studies of childhood each of the 13 original contributions strives to extend the conceptual reach and relevance of the work being undertaken in the dynamic and expanding field of childhood studies in the 21st century Internationally renowned contributors engage with contemporary scholarship from both the global north and south to address questions of power inequity reflexivity subjectivities and representation from poststructuralist posthumanist postcolonial feminist queer studies and political economy perspectives In so doing the book provides a deconstructive and reconstructive dialogue offering a renewed agenda for future scholarship The book also moves the insights of childhood studies beyond the boundaries of this field helping to mainstream insights about children s everyday lives from this burgeoning area of study and avoid the dangers of marginalizing both children and scholarship about childhood This carefully curated collection extends beyond critiques of specified research arenas traditions concepts or approaches to serve as a bridge in the transformation of childhood studies at this important juncture in its history

Blurring The Boundaries Jack Levin, 2013-02-11 Over the decades the lines separating young middle aged and older adults have blurred as indicated by a broadening of the appropriate years for making life decisions Not only are many people marrying later but some are marrying earlier than ever Overall women giving birth later but some are having children earlier in their lives Older people are retiring later but some are retiring at a younger age The spread or variability standard deviation of age based decisions has increased substantially giving adults greater freedom from the traditional constraints of age With these relaxed age norms has come a host of related social problems The relaxation of age norms for adult decision making has inadvertently blurred the boundaries between adults and teenagers between teenagers and children This generalization of the phenomenon throughout the life cycle is responsible for the adultification of childhood Eight year old girls are to an increasing extent being treated as sexual objects bullying peaks in the 6th grade larger numbers of girls are having oral sex or sexual intercourse by the age of 15 the pregnancy rate for girls 13 15 is on the rise we are in the process of dismantling the juvenile justice system in favor of adult forms of punishment

and more and more children are left without adult supervision in the afternoons as though they were miniature adults who are capable of raising themselves Jack Levin is the American Sociological Association's 2009 Winner of the Public Understanding of Sociology Award This short book communicates the power and importance of sociological thinking to major worldwide social trends Ideal for use in undergraduate courses such as introductory sociology social problems and social change as well as more advanced courses in population or sociology of aging
